SUBJECT: Transfer of Property Parcel 216B

Request Authorization to:

In order to construct the next section of Oliver Lewis Way (part of the Newtown Pike Extension Phase II - Versailles Road to South Broadway), the Kentucky Transportation Cabinet has requested that the Lexington Fayette Urban County Government release to them 0.067 Acres of the property located at 800 Neville Avenue (total area of tract: 2.01 Acres).

Department needs this action completed because:

This property was formerly part of the Southend Park, which was being used by the project as a temporary housing area and will ultimately be reconfigured and constructed to better service the new neighborhood. This use of the park and dedication of the property was outlined in the Final Environmental Impact Statement (FHWA-KY-EIS-03-01-F) and this request is in keeping with the intent of the document and is needed to move the project forward. Parcel 216B is in addition to Parcel 216A transferred with Resolution 451-2015.
