Commander Wright:

As proud corporate citizens of Lexington, we are always looking for ways to support the Lexington Police Department. As we briefly discussed, Tempur Sealy International Inc. would like to donate Sealy dog beds for your K-9 officers, both active duty and retired. We understand that includes approximately seven retired dogs and 13 dogs assigned to your K-9 unit and the Sheriff's Department.

The beds have a retail value of approximately \$169 each.

We understand donations for the dogs currently serving requires approval by the Urban County Council. If you need any additional information regarding this donation in order to present to the Council, don't hesitate to let me know.

Thank you to everyone at the Lexington Police Department for your service to our community.
