

**TO: JIM GRAY, MAYOR
URBAN COUNTY COUNCIL**

**FROM: CHARLIE LANTER, DIRECTOR
DIVISION OF GRANTS AND SPECIAL PROGRAMS**

DATE: AUGUST 5, 2017

SUBJECT: Sole Source Purchase of Emergency generator docking station and installation for the Emergency Operations Center

Request:

Request Council approval for a sole source purchase of an emergency generator docking station and installation in the Emergency Operations Center (EOC) from WHAYNE CAT, the company who installed the original generator. The estimated cost is \$38,528.

Why are you requesting?

This project will install an additional exterior docking station that will enable a mobile generator to be connected to the building for a 3rd power source. The installation will consist of one 1200A emergency generator docking station with attachments and cabling. The cost for training on how to use the docking station is included. This project will provide the Public Safety Operating Center with the ability to have tertiary power source to ensure that 911, 311 and EOC will remain operational during emergencies, thus saving lives. WHAYNE CAT installed the original generator docking station. Using the same company guarantees that all the equipment will be compatible.

What is the Cost in this budget year and future budget years?

Estimated cost is \$38,528. No additional costs are anticipated.

Are the funds budgeted? BA 8651 is in process to provide funds as follows:

FUND	DEPT ID	SECT	ACCT	PROJECT	ACTIVITY	BUD REF	AMOUNT
3200	505201	0001	96468	CSEPP_2016	KY-FAY-451	2016	\$38,528

File Number: 0858-17
