Honorable Lexington City Council Members
200 E. Main Street
Lexington, KY 40507

Dear Honorable Council Members,

I am pleased to announce that Double Dogs Chow House will be opening a new location in Lexington on September 18th. We have been a long time business in Lexington under our original restaurant concept, Rafferty's Restaurants, and are very excited about the growth of Double Dogs and feel that Lexington will be a great location.

The original Double Dogs, which is located in Bowling Green, was first created and named after my two dogs, Bo and Chancey. As you can imagine, we are very supportive of our canine friends. At our new store openings we like to make connections with the local Humane Societies and help by making a donation to these local shelters. We also honor local K-9 law enforcement departments by inviting them to appear at the openings.

We would like with your approval to make of a donation of \$500 to the Lexington K-9 Unit. We appreciate the effort of these units, along with all area law enforcement officers, and want to express our thanks to them. If possible, we hope that the funds could be used for community outreach programs such as demonstrations to schools and civic groups. We are sure that the K-9 Unit could put this donation to good use and feel that they should use it as they deem necessary.

Thank you for your consideration.

Sincerely,

Daniel J. Davis
President/Owner
