- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

EXCEPTION TO BID REQUIREMENT.

Fouser Environmental Services uses Method 200.7 and 200.9 for Wastewater Metals. The Kentucky Division of Water, after reviewing the laboratories MDL's for each metal using these methods, have approved their use based on the MDL of each meeting or exceeding the MDL's found using Method 200.8.

Method EPA 420.4 will be used for Total Phenolics in place of EPA 420.1; this method has been approved by the Kentucky Division of Water for use with wastewater samples.

Please see Attached MDL reports which indicate the low-levels received for each metal using either Method 200.7 or 200.9.
