(4) In the event LFUCG is alleged to be liable based upon the above, Consultant shall defend such allegations and shall bear all costs, fees and expenses of such defense, including but not limited to, all reasonable attorneys' fees and expenses, court costs, and expert witness fees and expenses, using attorneys approved in writing by LFUCG, which approval shall not be unreasonably withheld.

(5) These provisions shall in no way be limited by any financial responsibility or insurance requirements, and shall survive the termination of this agreement.

FINANCIAL RESPONSIBILITY

Consultant understands and agrees that it shall, prior to final acceptance of its proposal and the commencement of any work or services, demonstrate the ability to assure compliance with the above indemnity provisions and these other risk management provisions.

TERMS AND CONDITIONS

PAYMENT TERMS

If credit has not been established, payment is required in advance by cash, credit card (MasterCard/VISA, American Express) or certified check. For clients with credit approved by our company, terms are net 30 days otherwise negotiated from date of invoice for completed work. An interest charge of 1.5% per month applies to all overdue balances. A \$50.00 charge will apply to all returned checks.

Non-transfer clause: The client cannot transfer or assign the accountability without the written consent of MML at other parties involved.

SAMPLES SUBMITTED FOR ANALYSIS MUST INCLUDE...

1. Company name and address for reporting, and for billing (if different).
2. Contact name with telephone number and email address.
3. Complete & detailed test listing with number of containers submitted.
4. Reference to quote number on MML Chain of Custody Form, company letterhead, or purchase order, signed and dated by person or agent with authority to submit samples for the client.
5. Identifying marks on each sample container with corresponding marks on the chain of custody form.
6. Any special or additional instructions (i.e. requested turnaround time, other contacts to receive results, etc.).

TURNAROUND TIME (TAT)

Unless indicated otherwise, our target TAT will be 7 business days for all routine analyses listed in our fee schedule. TAT's are based on business date of receipt of sample at the laboratory. "RUSH" analyses are available at a surcharge based on TAT and lab availability and must have Laboratory Manager approval prior to sample submittal.

COURIER SERVICE

MML has routine routes with "time Sensitive" samples. Any stop delaying our route over 15 minutes will be charged a minimum fee of \$30.00. Sample pick up, on weekdays other than our scheduled routes, is available for an additional charge, provided at least 24 hour notice is given prior to date of requested pickup. If a sample pickup or supply drop is requested that does not coincide with a regularly scheduled route, arrangements are made for a fee commensurate to the time and travel required.

NONDISCLOSURE

Prior approval must be obtained from the Laboratory Manager before submitting samples not listed in a current quotation or for non-routine analyses that may require special setup in the lab. Additional fees may be necessary to accommodate such requests. In cases where an "unknown sample component" results in damage to our instrumentation, a minimum charge of 1.5 times the analytical fee will be charged to help offset our additional cost of instrument down time and repair.

RESULT CONFIRMATION

If a "client-requested" sample reanalysis confirms the original results, the reanalysis will be charged. If the reanalysis results do not confirm the original results, no additional fees will be charged.

FEES AND DISCOUNTS

Fees listed in a quote are based on current costs of performing analyses and may be changed without prior notice, except where bound by contract. List fees apply unless other fees have been quoted. Discounts may be offered based on a guaranteed work volume by project or annual contract basis. All discounts from standard fees are given subject to compliance with our standard payment terms. Discounts are automatically rescinded as invoices become past due unless other arrangements are made in advance.

SAMPLE RETENTION

The client retains ownership of all samples submitted to MML for analysis. Any samples suspected of being hazardous may be returned to the client at the client's expense (shipping cost). Alternatively, in some instances we can arrange for proper disposal of hazardous samples for an additional fee. Unless prior arrangements are made, any portion of samples not used for analyses will be held by the laboratory after reporting analysis results, then properly disposed of after 5 days. Clients may request that non-hazardous samples be returned. MML can arrange this at the client's expense if so desired. MML retains analytical documentation for a period of 5 years. If retention requirements of analytical documentation are greater than 5 years, arrangements must be made with MML.

CONFIDENTIALITY

All work will be performed in strict confidence. Results are released only to the client or another client designated agent. Confidentiality agreements will gladly be provided and executed upon request.

WARRANTY AND LIMITS OF LIABILITY

MMU's warranty is limited to the accuracy of analyses of a sample as received. We assume no responsibility for the purpose for which the client uses the test results or liability for any other warranties, expressed or implied. These terms and conditions shall supersede any conflicting terms and conditions stated on any purchase order, or other order of work submitted by the client.

The results stated on the analysis report relate to the analysis performed and analytes measured. These results reflect the conditions of the source of the sample at the time and place of sampling. Any reproduction of the data package and/or reports must be completed in full, unless the laboratory has authorized otherwise with written approval.

SPECIAL ADMINISTRATIVE FEES

A minimum fee of \$50.00 may be assessed for additional services required to administer the account. This includes but is not limited to: special customer contact to retrieve POS/requisitions, internet billing, and/or retrieval of past invoices. By submitting samples for analysis, the client agrees that our analysis fees do not include the cost of any additional or incidental services that may become associated with the analytical results.

PLEASE RETURN A SIGNED COPY OF THIS PROPOSAL TO PROVIDE MMU WITH THE PROPER AUTHORIZATION TO PERFORM THESE ANALYTICAL SERVICES. THIS IS NOT A CONTRACT. YOUR SIGNATURE INDICATES YOU HAVE READ, UNDERSTAND, AND AGREE THAT THE TESTS LISTED MEET YOUR SERVICE REQUEST.
