The Lexington Fayette-Urban County Government, (hereinafter referred to as the "Recipient") hereby agrees that as a condition to receiving any Federal financial assistance from the U.S. Department of Transportation, it will comply with Title VI of the Civil Rights Act of 1964, 78Stat.252, 42 U.S.C. 2000d-4 (hereinafter referred to as the "Act"), and all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, (49 CFR, Part 21) Nondiscrimination in Federally Assisted Program of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964 (hereinafter referred to as the "Regulations") and other pertinent directives, no person in the United States shall, on the grounds of race, color, national origin, sex, age (over 40), religion, sexual orientation, gender identity, veteran status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from the U.S. Department of Transportation, including the Federal Highway Administration, and hereby gives assurance that will promptly take any necessary measures to effectuate this agreement. This assurance is required by subsection 21.7(a) (1) of the Regulations.

- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states: The Contractor will not discriminate against any employee or applicant for employment because of physical or mental disability.
- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states: The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

# CHARITABLE AND SOCIAL RESPONSIBILITY PROGRAMS

## Diversity

Anixter is committed to promoting participation of minority-, woman- and service-disabled veteran-owned business enterprises (MWDVBE) in our distribution business. We will use reasonable efforts to provide opportunities to certified MWDVBE's through purchasing or reselling opportunities, mentor-protégé programs, teaming arrangements and subcontracting whenever practical.

### DIVERSITY PURCHASING

- Within the U.S., Anixter spent more than \$616 million with 4,600 small, minority-, woman- and disabled-veteran owned business enterprises in 2018.
- Anixter continued to help U.S. customers report on their indirect diversity purchases from Anixter by distributing electronic diversity purchasing reports each quarter. Anixter has been supporting customers with quarterly diversity purchasing reports since 1999.
- As a General Services Administration (GSA) contract holder since 2000, Anixter continuously strives to attain annual small business subcontracting goals. The small business subcontracting initiative focuses on increasing subcontracting opportunities for disadvantaged, HUBZone-certified, veteran-owned, service-disabled-veteran- owned and woman-owned small businesses to receive maximum practical opportunities in federal government subcontract awards. The program seeks to ensure that domestic small businesses receive a fair and equitable opportunity to compete for and receive subcontracts.

### DIVERSITY SALES

Through a combination of long-term and recently established partnerships with a vast array of diversity organizations located across the U.S., Anixter's and our partners' strengths are combined to collectively help our mutual customers achieve their diversity business engagement goals for both large projects and day-to-day operations. In 2018, Anixter sold more than \$165 million in products to various strategic diversity partners.

### PSEG-LI PRIME SUPPLIER DIVERSITY UTILIZATION AWARD

In May 2018, Anixter was awarded the Prime Supplier Diversity Utilization Award by PSEG Long Island. Anixter received this award for its shared commitment to utilize diverse subcontractors. As part of Anixter's own diversity utilization goals as well as to help PSEG meet its diversity spend requirements, Anixter partners with diverse companies, such as minority- and woman-owned businesses.
