Declaration of official intent with respect to reimbursement of temporary advances made for capital expenditures to be made from subsequent borrowings, with respect to various capital improvement projects of the Lexington-Fayette Urban County Government. [Dept. of Finance, O'Mara]

Authorization to execute a reimbursement resolution to allow approved spending on the attached list of Capital Improvement bond projects which was budgeted and approved in the FY 2020 Budget. This resolution provides a mechanism for the projects to move forward prior to the sale of the bonds. Expenses incurred by the Bond Projects will be paid from the General Fund. Upon the sale of the bonds later this fiscal year, the General Fund will be reimbursed. The estimated cost of debt service for the bond projects in the FY2020 budget will be \$300,000. In future years, that cost is estimated to be \$1,450,000 for twenty years. (0698-19) (O'Mara)
