Re: Short-Term Telecommunications Franchise Agreements

Council approval is requested to authorize the Mayor to execute franchise agreements with all the responsive bidders to the short term Telecommunications Franchise Ordinance (No. 50-2013). Bids are due Friday, May 17, 2013. It is anticipated that the existing franchisees for these services, which include Windstream, will submit responsive bids. The franchise agreements will incorporate the terms of the ordinance.

Please contact David Barberie in the Department of Law should you have any questions.
