RE: Chain Link Dugouts- Various Parks  
Bid #153-2015 Change Order #1

DATE: March 23, 2015

Please find attached a Change Order Request for the Chain Link Dugouts – Various Parks Project for the amount of \$5,340. The reason for these change orders is to add additional concrete walks to replace existing asphalt paving that was in poor repair and hazardous to access the new dugouts and to add 3 heavy duty in ground electric boxes that meet the Division of Parks specifications. They are all necessary to return the park to a useable state following the completion of the new dugouts.

The change orders are fully funded in the following accounts:
