SUBJECT: Second Renewal of the Memorandum of Understanding (MOU) with the Lexington-Fayette County Health Department (LHD) for Fats, Oils and Grease (FOG) Training Services to be Included in Food Manager Certification Classes

---

### **Request**

The approval of the second renewal of the MOU between LFUCG and the LHD for FOG training services to continue to be included in LHD's Food Manager Certification classes for the 2020 calendar year. Resolution 768-2017 authorized the original MOU which provided for up to four renewals, and this would be the second renewal for a period of one year, at a cost not to exceed \$1,200.00.

### **Purpose of Request**

In an effort to improve public education, the Division of Water Quality (DWQ) created a video outlining how FOG from Food Services Establishments (FSEs) causes serious problems in our sanitary sewer system, and how FSEs can help prevent these problems by following Best Management Practices. To maximize outreach, the LHD agreed to show the video and distribute FOG information (provided by DWQ) to all participants in the Food Manager Certification classes. In addition, the LHD will provide DWQ with a copy of the class agenda, as well as dated copies of the class rosters showing all persons who viewed the video for DWQ to include in quarterly and annual Consent Decree reporting.

### **What is the cost in this budget year and future budget years?**

The cost for FY20 is \$1,200.00.

### **Are the funds budgeted?**

Funds are available in the following account: 4002-303401-3401-71299
