

TO: Major Linda Gorton
Urban County Council Members

FROM: Jonelle Patton, Director
Lexington Enhanced 911

DATE: August 3, 2022

SUBJECT: Motorola replacement of radio tower equipment

Request:

The Division of Enhanced 911 is requesting a resolution authorizing the Mayor to establish Motorola Solutions, Inc., as a sole source provider for the purchase of new/replacement equipment for the microwave hop between Public Safety radio towers at a cost of \$73,615.00. Funds are budgeted. (L0775-22) (Patton/Armstrong)

Why are you requesting?

The existing IDU equipment is obsolete and needs to be replaced with equipment compatible to the current ODU for uninterrupted service and transmission between radio towers at PDHQ and WVRB locations. Installation of new equipment is covered under the current contract with Motorola, who is the sole source for this equipment and services, for maintenance and technical support.

What are the costs in this budget year and future budget years?

\$73,615 is the total cost of equipment, installation, testing and turn-up for FY23. Future maintenance of equipment is covered under existing Motorola maintenance agreement.

Are the funds budgeted?

Yes, funds were approved as an FY23 capital request and are budgeted in 1101-505602-5621-95601.
