All applicable state laws, municipal ordinances and regulations of all authorities having jurisdiction over the project shall apply to the contract, and shall be deemed to be incorporated herein by reference.

### **Equal Employment Opportunity**

The Entity (regardless of whether construction contractor, non-construction contractor or supplier) agrees to provide equal opportunity in employment for all qualified persons, to prohibit discrimination in employment because of race, color, religion, sex (including pregnancy, sexual orientation or gender identity), national origin, disability, age, genetic information, political affiliation, or veteran status, and to promote equal employment through a positive, continuing program from itself and each of its sub-contracting agents. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

### **Kentucky Equal Employment Opportunity Act**

The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any "county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

"During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, or national origin;
- (2) The contractor will state in all solicitations or advertisements for employees placed by or on behalf of the contractors that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, or national origin;
- (3) The contractor will post notices in conspicuous places, available to employees and applicants for employment, setting forth the provision of the nondiscrimination clauses required by this section; and
- (4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers'

representative of the contractor's commitments under the nondiscrimination clauses."

The Act further provides:

"KRS 45.610. Hiring minorities -- Information required

(1) For the length of the contract, each contractor shall hire minorities from other sources within the drawing area, should the union with which he has collective bargaining agreements be unwilling to supply sufficient minorities to satisfy the agreed upon goals and timetables.

(2) Each contractor shall, for the length of the contract, furnish such information as required by KRS 45.560 to KRS 45.640 and by such rules, regulations and orders issued pursuant thereto and will permit access to all books and records pertaining to his employment practices and work sites by the contracting agency and the department for purposes of investigation to ascertain compliance with KRS 45.560 to 45.640 and such rules, regulations and orders issued pursuant thereto.

KRS 45.620. Action against contractor -- Hiring of minority contractor or subcontractor

(1) If any contractor is found by the department to have engaged in an unlawful practice under this chapter during the course of performing under a contract or subcontract covered under KRS 45.560 to 45.640, the department shall so certify to the contracting agency and such certification shall be binding upon the contracting agency unless it is reversed in the course of judicial review.

(2) If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.

(3) The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. #### KRS 45.640 Minimum skills

Nothing in KRS 45.560 to 45.640 shall require a contractor to hire anyone who fails to demonstrate the minimum skills required to perform a particular job."

It is recommended that all of the provisions above quoted be included as special conditions in each contract. In the case of a contract exceeding \$250,000, the contractor is required to furnish evidence that his workforce in Kentucky is representative of the available work-force in the area from which he draws employees, or to supply an Affirmative Action plan which will achieve such representation during the life of the contract.

#### **LFUCG Non-Appropriation Clause**

It is expressly agreed that the LFUCG shall not activate this non-appropriation provision for its convenience or to circumvent the requirements of this contract, but only as an emergency fiscal measure during a substantial fiscal crisis, which affects generally its governmental operations.

In the event of a change in the LFUCG's statutory authority, mandate and mandated functions, by state and federal legislative or regulatory action, which adversely affects the LFUCG's authority to continue its obligations under this contract, then this contract shall automatically terminate without penalty to the LFUCG upon written notice to Contractor of such limitation or change in the LFUCG's legal authority.

**LEXINGTON HOUSING FOR THE HANDICAPPED, INC.**  
**PROJECT NARRATIVE FOR FACILITIES IMPROVEMENT**

**Section 1: Directly Provide or Indirectly facilitate the Provision of Services to Low income, Underserved, or Marginalized Lexington-Fayette County Residents**

Lexington Housing for the Handicapped, Inc., who is in good standing with the Kentucky Secretary of State and has a Gold Seal of Transparency with Guidestar, has been providing services in Lexington for 50 years. Our original facility with 14 apartments opened at 507 Rogers Rd in 1973. In 2021, we added 24 more units on that property and purchased and renovated 3057 N Cleveland Rd adding 18 more units. Both locations provide independent living apartments to those with mental and/or physical challenges. We prepare and serve all meals. Residents eat together in the dining room. We have 24/7 staff and free laundry facilities on site. Many of our 56 residents come from some state of homelessness. For many we are more than just a place to live, we are family.

If awarded funds the project will not use those funds to teach, advance, advocate or promote any religion. Lexington Housing for the Handicapped, Inc. will comply with all applicable local, state and federal laws.

**Section 2: Demonstrated Need**

The HVAC system at the 3057 N Cleveland Rd is original to the building that was built in 1963. Many of the parts are failing and the entire system needs to be replaced. It is not energy efficient and the gas and electric bills are exorbitant. Rather than continuing to repair and patch when something breaks down a whole new system is the

best answer. However, we do not have money in our small budget for a large expense like that. Last year the air went out in part of the building during the hottest week and the heat went out in the winter. Our population struggles to understand why these things happen. We need to be able to provide a safe, comfortable home for our residents. We are requesting the maximum amount of \$55,000 to replace the HVAC system at 3057 N Cleveland Rd.

**Section 3: Applicant Capacity for Project**

Lexington Housing for the Handicapped, Inc. was the developer in the expansion of the Bob Brown House facility on Rogers Rd. That project was new construction of 24 additional units utilizing Low Income Housing Tax Credits, KHC's Affordable Housing Trust Funds, LFUCG Affordable Housing Trust Funds and Federal Home Loan Bank Affordable Housing Program funds. Amy Brown, the Executive Director, and her staff have been managing those funds and the related compliance since 2019. In addition to administering those funds, they have managed the property on Rogers Road since 1980 with zero compliance issues.

---

**Section 4: Operational Feasibility**

Director has met with two HVAC contractors and received estimates for the work. When funding is received work will begin within 2-4 weeks and will be completed in 1-2 weeks. The contractor chosen is a large, reputable, experienced company operating in Lexington for many years. Company owner has made an offer to donate a small portion of the work to this project. Lexington Housing for the Handicapped, Inc. has also been

raising funds for this project and has monies in savings to pay any amount due over the investment we have requested.

### **Section 5: Cost Analysis**

The estimate is attached for this project. The purchase and installation of 5 new Goodman units will cost about \$12,000 each. The project total is \$59,434. This proposal was significantly less than another one received and as previously mentioned they are willing to make a donation also. These costs are reasonable and do not deviate from the norm in Lexington. Please consider the attached estimate from Fayette Heating and Air as the project budget. Our agency budget for 2023 is also attached.
