Re: Requesting authorization to execute an agreement awarding a Class B (Infrastructure) Stormwater Quality Projects Incentive Grant to The Southland Association, Inc., at a total cost not to exceed \$50,000.00.

The grant application of The Southland Association, Inc. was reviewed and recommended by the Water Quality Fees Board at its October 11, 2012 meeting. Funding is provided by revenue from the Water Quality Management Fee and is fully budgeted and available in the Fund **4051 303204 3373 78112**. This grant requires a minimum 10% cost share by the grant recipient. The Grant Award Agreements require the Mayor's signature.

Grant Project Description

Perform a feasibility study of flooding and water quality issues within the Southland Drive Business Corridor from Nicholasville Road to Rosemont Garden. Investigate and evaluate alternatives for utilizing stormwater controls on public and private property within the corridor to reduce stormwater runoff and improve water quality. Provide recommendations for future implementation by the Association and property owners.

Questions regarding this agreement should be directed to Chris Dent at 859-425-2521.
