2.2 Interest. Interest at the rate of four and twelve hundredths percent (4.12%) of the outstanding incentive shall be assessed annually. However, should an Event of Default occur under the terms of this Agreement, additional interest in an amount of twelve percent (12%) per annum from the date of default may be assessed at the sole discretion of LFUCG.

2.3 Disbursement. Disbursements of proceeds of the Incentive shall be made by LFUCG to the Organization in two (2) draws. The first draw shall be fifty thousand

dollars and zero cents (\$50,000.00) upon activation of the incentive and the hiring of the first two (2) employees. Failure to make the first draw by June 30, 2026 shall be an Event of Default and result in the cessation of all future disbursements and automatic termination of the Loan Documents. The subsequent and final draw of fifty thousand dollars and zero cents (\$50,000.00) shall be made upon the receipt by LFUCG of a properly completed and executed Request for Disbursement, which shall be submitted no less than ten (10) days prior to the date requested for the disbursement, and to which shall be attached documentation verifying that at least two (2) additional employees have been hired since the prior request for disbursement. LFUCG shall have the sole authority to make any determination regarding the satisfaction of the above conditions prior to disbursing any funds under this Agreement. Provided, however, that no more than one draw may be made in any thirty (30) day period. Notwithstanding the preceding, no disbursements shall be made unless (i) this Agreement and all attachments hereto have been properly executed by the appropriate parties and returned to LFUCG (ii) all parties have satisfied the conditions precedent to the Incentive set forth in Article 7 of this Agreement and in each of the other Incentive Documents, and (iii) the Organization has complied with the Jobs and Wage Requirements in accordance with the job creation schedule outlined in Exhibit B to the date of the reimbursement request, and (iv) LFUCG has received properly completed and executed copies of Exhibits A and D not less than ten (10) days prior to the date requested for the disbursement, to which shall be attached any supporting documentation requested by LFUCG.

2.4 Interest Payments. Interest on the Incentive shall be paid in forty (40) consecutive quarterly installments, which shall be due on the fifteenth (15th) day of January, April, July and October of each year. The number of quarterly installments may be amended by agreement of the Mayor, with approval of the Economic Development Investment Board, and the Organization, provided the change does not reduce the amount repaid to LFUCG by the Organization. Otherwise, any amendment affecting the number of quarterly installments shall require Council approval. The amount due for any given payment, which shall be determined by LFUCG and provided to Organization, shall be calculated as the amount of interest required by Section 2.2 of this Agreement on the distributions already made at the time of the payment. The first payment shall be due beginning three (3) months from the date of the initial disbursement of funds to Organization. In the event of default, the balance due on the Note, together with accrued interest thereon shall be due and payable within ten (10) days of LFUCG providing Organization with a written notice of demand of the balance owing. Organization shall make all payments through LFUCG digital bill payment by credit card, debit card, or e-check. An additional small charge will be applied to the payment for processing fees.

Should an Event of Default occur, LFUCG may declare the full remaining principal of the loan immediately due and payable, along with any interest that has accrued, as provided in Section 6.1 of this Agreement.

2.5 Prepayment. The Organization shall have the right at any time and without penalty to prepay the Note in whole or in part. Prepayments shall be applied first to accrued but unpaid interest, and then to installments of principal of the Incentive in reverse order of their maturity. Prepayments shall not relieve the Organization from the duty to make consecutive payments in the amount provided in accordance with Section 2.4, but shall operate to discharge the Organization's obligation at an earlier date.

Prepayment shall not relieve the Borrower from any Jobs and Wage Requirement provided herein. Rather, the Jobs and Wage Requirement provided herein shall continue after the loan has been repaid, until the Company has maintained said jobs for a period of ten (10) years. If the Company fails to abide by this requirement after fully repaying the loan proceeds, LFUCG may require the Company to pay a monthly penalty, which shall be calculated individually for each job that has not been created or maintained, or which has failed to satisfy the wage requirement provided herein, as follows:

$$(\underline{\$28.00 - \text{Actual Hourly Wage}}) / \$28.00)$$

$$\times$$

$$(\$28.00 \times \text{Occupational License Fee Rate in Lexington-Fayette County} \times \text{Hours Required to be "Full-Time" under the Loan Agreement} \times 4.34524 [\text{weeks in a month, on average}])$$

$$\times$$

$$1.10$$

Beginning fifteen (15) days after any Full-Time Job required hereunder has been permitted to lapse, or has fallen below the wage requirement, LFUCG may elect to levy a monthly repayment penalty for any month in which the Company has, for at least one business day, failed to satisfy the Jobs or Wage Requirements established herein. All monthly repayment penalty payments shall be made within ten (10) days of receipt of notice that a monthly repayment penalty is due. All monthly repayment penalty payments shall be credited to the Company's account and such amounts deducted from the principal and interest owed under this Incentive Agreement. Borrower shall make all penalty payments through LFUCG digital bill payment by credit card, debit card, or e-check. A small fee will be applied to the payment.

2.6 Late Charges. If the Organization fails to pay any installment required under the Note within ten (10) days after the date such a payment first becomes due, the Organization shall pay to LFUCG a late charge equal to five percent (5%) of such payment, which amount shall be due at the time the late payment is made.

2.7 Ceasing Disbursement. The LFUCG may, at its sole discretion, cease any future disbursement(s) should any Event of Default occur prior to that disbursement being sent.
