Revised February 2026

1.00 Effective Date

All Memorandum of Agreements are not effective until the Secretary of the Finance and Administration Cabinet or his authorized designee has approved the agreement and until the agreement has been submitted to the government contract review committee. However, in accordance with KRS 45A.700, memoranda of agreement in aggregate amounts of \$50,000 or less are exempt from review by the committee and need only be filed with the committee within 30 days of their effective date for informational purposes.

KRS 45A.695(7) provides that payments on personal service contracts and memoranda of agreement shall not be authorized for services rendered after government contract review committee disapproval, unless the decision of the committee is overridden by the Secretary of the Finance and Administration Cabinet or agency head if the agency has been granted delegation authority by the Secretary.

The Commonwealth will make payment within thirty (30) working days of receipt of contractor and/or subrecipient's invoice or of acceptance of goods and/or services in accordance with KRS 45.453 and KRS 45.454.

Payments are predicated upon successful completion and acceptance of the described work, services, supplies, or commodities, and delivery of the required documentation. Invoices for payment shall be submitted to the agency contact person or its representative.

2.00 Cancellation Clause

Both parties shall have the right to terminate and cancel this contract at any time not to exceed thirty (30) days' written notice served on the Contractor and/or subrecipient by registered or certified mail.

3.00 Funding Out Provision

The state agency may terminate this agreement if funds are not appropriated to the contracting agency or are not otherwise available for the purpose of making payments without incurring any obligation for payment after the date of termination, regardless of the terms of the agreement. The state agency shall provide the Contractor and/or subrecipient thirty (30) calendar day's written notice of termination of the agreement due to lack of available funding.

4.00 Reduction in Contract Worker Hours

The Kentucky General Assembly may allow for a reduction in contract worker hours in conjunction with a budget balancing measure for some professional and non-professional service contracts.

If under such authority the agency is required by Executive Order or otherwise to reduce contract hours, the agreement will be reduced by the amount specified in that document. If the contract funding is reduced, then the scope of work related to the contract may also be reduced

- (b) The Contractor and/or subrecipient shall take affirmative action in regard to employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination rates of pay or other forms of compensation, and selection for training, so as to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, age forty (40) and over, disability, veteran status, and national origin.

commensurate with the reduction in funding. This reduction of the scope shall be agreeable to both parties and shall not be considered a breach of contract.

5.00 Access to Records

The state agency certifies that it is in compliance with the provisions of KRS 45A.150, "Access to contractor and/or subrecipient's books, documents, papers, records, or other evidence directly pertinent to the contract." The Contractor and/or subrecipient, as defined in KRS 45A.030, agrees that the contracting agency, the Finance and Administration Cabinet, the Auditor of Public Accounts, and the Legislative Research Commission, or their duly authorized representatives, shall have access to any books, documents, papers, records, or other evidence, which are directly pertinent to this agreement for the purpose of financial audit or program review. The Contractor and/or subrecipient also recognizes that any books, documents, papers, records, or other evidence, received during a financial audit or program review shall be subject to the Kentucky Open Records Act, KRS 61.870 to 61.884. Records and other prequalification information confidentially disclosed as part of the bid process shall not be deemed as directly pertinent to the agreement and shall be exempt from disclosure as provided in KRS 61.878(1)(c).

6.00 Violation of tax and employment laws

KRS 45A.485 requires the Contractor and/or subrecipient and all subcontractors performing work under the contract to reveal to the Commonwealth any final determination of a violation by the Contractor and/or subrecipient within the previous five (5) year period of the provisions of KRS chapters 136, 139, 141, 337, 338, 341, and 342. These statutes relate to corporate and utility tax, sales and use tax, income tax, wages and hours laws, occupational safety and health laws, unemployment insurance laws, and workers compensation insurance laws, respectively. Disclosure of any violations is required prior to the award of any state contract and throughout the duration of the contract.

Failure to disclose violations shall be grounds for the Commonwealth's disqualification of a contractor and/or subrecipient or subcontractor from eligibility for future state contracts for a period of two (2) years.

To comply with KRS 45A.485, the Contractor and/or subrecipient and all subcontractors performing work under this contract shall report any such final determination(s) of any violation(s) within the previous five (5) years to the Commonwealth by providing a list of the following information regarding any violation(s): (1) specific KRS violated, (2) date of any final determination of a violation, and (3) state agency which issued the final determination.

A list of any disclosures made prior to award of a contract shall be attached to the contract. The Contractor and/or subrecipient affirms that it has not violated any of the provisions of the above statutes within the previous five (5) year period, aside from violations explicitly disclosed and attached to this contract. Contractor and/or subrecipient further affirms that it will (1) communicate the above KRS 45A.485 disclosure requirements to any subcontractors and (2) disclose any subcontractor violations it becomes aware of to the Commonwealth.

HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. The funds for this award are in a sub-account in the Payment Management System (PMS). This type of account allows recipients to specifically identify the individual grant for which they are drawing funds and will assist HRSA in monitoring the award. Access to the PMS account number is provided to individuals at the organization who have permissions established within PMS. The PMS sub-account code can be found on the HRSA specific section of the NoA (Accounting Classification Codes). Both the PMS account number and sub-account code are needed when requesting grant funds. **Please note that for new and competing continuation awards issued after 10/1/2020, the sub-account code will be the document number.**
You may use your existing PMS username and password to check your organizations' account access. If you do not have access, complete a PMS Access Form (PMS/FFR Form) found at: <https://pmsapp.psc.gov/pms/app/userrequest>. If you have any questions about accessing PMS, contact the PMS Liaison Accountant as identified at:
<http://pms.psc.gov/find-pms-liaison-accountant.html>
2. As required by the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109–282), as amended by section 6202 of Public Law 110–252, recipients must report information for each subaward of \$30,000 or more in Federal funds and executive total compensation, as outlined in Appendix A to 2 CFR Part 170. You are required to submit this information to the FFATA Subaward Reporting System (FSRS) at <https://www.fsr.gov/> by the end of the month following the month in which you awarded any subaward. The FFATA reporting requirements apply for the duration of the project period and so include all subsequent award actions to aforementioned HRSA grants and cooperative agreement awards (e.g., Type 2 (competing continuation), Type 5 (non-competing continuation), etc.). Subawards to individuals are exempt from these requirements. For more information, visit: <https://www.hrsa.gov/grants/ffata.html>.
3. All post-award requests, such as significant budget revisions or a change in scope, must be submitted as a Prior Approval action via the Electronic Handbooks (EHBs) and approved by HRSA prior to implementation. Grantees under "Expanded Authority," as noted in the Remarks section of the Notice of Award, have different prior approval requirements. See "Prior-Approval Requirements" in the DHHS Grants Policy Statement: <https://www.hhs.gov/sites/default/files/grants/grants/policies-regulations/hhsgps107.pdf>.
4. 45 CFR Part 75 applies to all federal funds associated with the award. Part 75 has been effective since December 26, 2014. All references to prior OMB Circulars for the administrative and audit requirements and the cost principles that govern Federal monies associated with this award are superseded by the Uniform Guidance 2 CFR Part 200 as codified by HHS at 45 CFR Part 75.
5. Recipients must monitor subrecipient performance for compliance with federal requirements and performance expectations, including timely Federal Funding Accountability and Transparency Act (FFATA) reporting. Recipients must effectively manage all subrecipients of MIECHV funding to ensure successful performance of the MIECHV Program. Recipients must also execute subrecipient agreements that incorporate all of the elements of 45 CFR 75.352 and, either expressly or by reference, the subrecipient monitoring plan developed by the recipient.
6. The total percent of effort of each personnel on the project must not exceed a sum of 100% FTE on all Federally funded projects. The recipient organization must maintain appropriate documentation ensuring that the total percent of effort for each personnel does not exceed a sum of 100% FTE on all Federally funded projects.

Program Specific Term(s)

1. Recipients must respond to any additional information that is requested through Request For Information within the allotted time. Failure to submit an approvable response may result in further actions including draw-down restrictions.
2. Recipients must participate in regular monitoring activities with their HRSA Project Officers and Grants Management Specialists, as applicable. These monitoring activities will include emails, site visits, and conference calls. The frequency of the conference calls will be at least on a quarterly basis, or more frequently as determined by the Project Officer based on need and risk level. Topics covered will include

program administration, program activities, technical assistance, fiscal issues, performance measures, data and evaluation procedures.

3. Recipients must continue to implement a Performance Measurement Plan approved by HRSA. If a revision is requested by HRSA or the recipient during the period of performance, the amended Performance Measurement Plan must be reviewed and approved by HRSA. New recipients must submit a Performance Measurement Plan to HRSA no later than 90 days from project start date.
4. Recipients must assure participation in any national evaluation activities, if selected to participate.
5. Funds made available to a recipient for a fiscal year shall remain available for expenditure by the recipient through the end of the second succeeding fiscal year after award. Funds awarded for the project period/budget period beginning September 30, 2024 must be obligated by recipients no later than September 29, 2026, and liquidated by December 31, 2026. Award funds that have not been obligated for expenditure by the recipient during the period of availability will be deobligated. They may not be carried over into a subsequent fiscal year.
6. As a recipient of HRSA grants or cooperative agreements, you must comply with all applicable requirements noted in the Notice of Funding Opportunity (HRSA-24-049) as well as the Appendix A Program Requirements and Expectations.
7. Cost sharing or matching is required to qualify for matching funds under the Maternal, Infant, and Early Childhood Home Visiting (MIECHV) Program per the authorizing statute. For matching funds, HRSA will contribute 75% of the funding and eligible entities/recipients will contribute 25% in non-federal funds up to a ceiling amount. The federal obligation is determined by a statutory formula. **Recipients must identify and track federal matching funds separately from federal base funds awarded.** Federal funds awarded are designated in Notice of Award item 39 under sub program code BASE for federal base funds, and sub program code FED MATCH for federal match funds.

Required non-federal funds for federal matching funds awarded are designated in **Notice of Award item 24**. Obligations of non-federal funding, for this purpose, are amounts committed by the eligible entity to support home visiting services delivered in compliance with specified MIECHV requirements (found in the NOFO), reported to the Secretary, and not counted toward meeting the recipient's MIECHV Program Maintenance of Effort (MOE) requirement under 42 U.S.C. 711(f). Non-Federal funds must be obligated by the eligible entity and may consist of amounts made available by state appropriations or other state funding sources, local governments, and/or private entities (including funds made available by gifts, donations, or transfers). Non-Federal obligated amounts may consist of cash and/or third-party in-kind contributions. The recipient must report obligated amounts of non-federal funds to the Secretary through HRSA in the form and frequency determined by the agency.

Non-federal funds must be committed by the eligible entity (generally a state or jurisdiction) but do not need to be obligated by the MIECHV recipient entity (generally a specific state/jurisdiction agency). Where consistent with state law and policy, eligible entities who are non-profit organizations may demonstrate the obligation or commitment of non-Federal funds by the state pursuant to an agreement to this effect with the non-profit recipient entity. The agreement should be documented in writing, such as a memorandum of understanding (MOU) or other binding or official agreement, that reflects both parties' expectations and requirements, including financial and performance reporting requirements.

Recipients will be required to report the federal matching funds and non-federal matching funds in their annual SF-425 federal financial report (FFR). If recipients identified non-federal funds in excess of the amount needed to receive the federal matching funds maximum amount, they will only need to track and report on non-federal funds obligated in the amount commensurate with the federal matching funds that they obligate (for FY 2024, the maximum non-federal funds necessary for tracking is \$241,964).

Standard Term(s)

1. Your organization must have policies, procedures, and financial controls to follow all the General Terms and Conditions. HRSA awards are based on the application submitted and approved by HRSA. All awards are subject to the General Terms and Conditions, in addition to those included in the Notice of Award or referenced in documents and attachments.

Reporting Requirement(s)

1. **Due Date: Annually (Budget Period) Beginning: Budget Start Date Ending: Budget End Date, due 90 days after end of reporting period.**

The recipient must submit, within 90 days after budget period end date, an annual Federal Financial Report (FFR). The report should reflect cumulative reporting within the project period of the document number. All FFRs must be submitted through the Payment Management System (PMS). Technical questions regarding the FFR, including system access should be directed to the PMS Help Desk by submitting a ticket through the self-service web portal (PMS Self-Service Web Portal), or calling 877-614-5533.

2. **Due Date: 10/31/2025**

Annual performance reports are required and will be consolidated across X10 grants.

Section 1 of the report includes demographic, service utilization, and select clinical indicators including an unduplicated count of enrollees; select demographic and socioeconomic characteristics of enrollees; numbers of households from priority populations; and service utilization

across all models.

Section 2 of the report includes the performance indicators and systems outcomes measures for all 19 constructs defined by HRSA within each of the six benchmark areas.

The annual reporting period is defined as October 1 through September 30 of each year.

3. Due Date: Quarterly (Budget Period) Beginning: Budget Start Date Ending: Budget End Date, due 45 days after end of reporting period.

Recipients must submit Quarterly Performance Reports that include: the number of new and continuing households served; maximum service capacity; identification of local implementing agency (LIA) names and addresses; identification of service areas where households are served by each LIA; identification of evidence-based home visiting models or promising approaches implemented by each LIA; family engagement and retention; and staff recruitment and retention. Recipients are required to report information about MIECHV Program participants and staff supported with X10 funds. These reports are submitted through the HVIS system, accessed through EHBs. The submission due date associated with Quarterly Performance Reports is 45 days from the last day of the reporting period. Quarterly reporting periods are defined as follows:

- Q1 – October 1-December 31
- Q2 – January 1-March 31
- Q3 – April 1-June 30
- Q4 – July 1-September 30

Failure to comply with these reporting requirements will result in deferral or additional restrictions of future funding decisions.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Carahsoft obo Kentucky Cabinet for Health and Family Services (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
