### TOWN BRANCH PARK PARTNERS

---

#### Purpose

To further support the mission of Town Branch Park, the Town Branch Fund Board of Advisors has agreed to form Town Branch Park Partners. Town Branch Park Partners is a dedicated group of Park ambassadors who are leaders in their respective professions and serve as advisors to the Town Branch Fund on issues related to their professional endeavors. Town Branch Park Partners are vital to ensuring that the Park is welcoming, safe and accessible to all and work to plan and promote equity, fairness, compliance and inclusion in the Park design and programming.
