Daniel,

Please see attached bid announcement, plans, and specs. This job bids on 4/27. You originally priced this for me back in August of 2020, on your notes you may have called that job West Hickman Nitrification Building. Basically the same job this time. This project does have a hatch on it. We have a hatch of similar size sitting in our yard. When you quote, please quote all the required metal, but list the hatch as an adder please, in case the engineer decides to let us use the hatch I have. Let me know if you come up with any questions.

Thanks,

Ryan P. Gabbard
