DIVISION OF GRANTS AND SPECIAL PROGRAMS**

**SUBJECT: REQUEST COUNCIL AUTHORIZATION TO ACCEPT AWARD FROM
THE LEXINGTON-FAYETTE COUNTY HEALTH DEPARTMENT TO
CONTINUE THE HOME NETWORK PROJECT AT THE FAMILY CARE
CENTER— FY 2015**

In Fiscal Year 1998, the Lexington-Fayette Urban County Government's Family Care Center began a home visitation program for the purpose of addressing many of the limitations observed among existing prevention efforts aimed at low-income families, and to create a system of support more responsive to emerging social and familial realities. The Home Network provides home visitation services for high risk families from birth of the first child up to age two. This program is based upon evidence that home visitation programs are effective in reducing child abuse and neglect.

The Home Network program is being funded by the Kentucky Cabinet for Health and Family Services in a "pass-through" arrangement with the Lexington-Fayette County Health Department as the granting agency. The source of federal funds is the Kentucky Medical Assistance Program (Medicaid) and tobacco settlement dollars. The Kentucky Legislature has earmarked a portion of Kentucky's tobacco settlement dollars for funding of programs that will help the state reach the goal that all young children in Kentucky are healthy and safe, possess the foundation that will enable school and personal success, and live in strong families that are supported and strengthened by their communities.

The Home Network program is a "fee for service" program, in that the LFUCG only receives funding for services that it delivers. For 2015, the Kentucky Cabinet for Health and Family Services has estimated the following allocations: Medicaid funds--\$404,763 and non-Medicaid funds--\$78,823, for a total of \$483,586. Since its inception, the program has demonstrated that it can sustain operations with the revenue it generates from federal and state resources as long as it is appropriately staffed.

Council authorization to accept the award is hereby requested.
