SUBJECT: Invitation to Bid #4-2012 – Luminescent Dissolved Oxygen Analyzer w/Digital Controller

On February 9, 2012 the Division of Central Purchasing received bids to establish a Price Contract for Luminescent Dissolved Oxygen Analyzer w/Digital Controller for the Division of Water Quality.

Notices were sent via Economic Engine to one hundred seventy eight (178) vendors for this particular commodity. Thirty two (32) vendors reviewed the document. Three bids were received from the Hach Company, CKM Industrial Sales, and George E. Booth Company. The bid submitted by CKM Industrial Sales did not submit pricing on the correct pricing sheet which was required and provided on Addendum #3; therefore was considered non-responsive. The bid submitted by George E. Booth Company provided pricing but did not sign their bid; therefore was considered non-responsive.

The bid submitted by Hach Company meets bid specifications and is reasonable and within budgetary constraints.

I recommend the bid of Hach Company be accepted.
