SUBJECT: Invitation to Bid #191-2015 Luminescent Dissolved Oxygen Analyzer & Digital Controller

On January 4, 2016 the Division of Central Purchasing received bids for the purpose of establishing a Price Contract for luminescent dissolved oxygen analyzer and digital controller components.

Notices were sent via Economic Engine to one hundred and seven eight (178) vendors for this particular commodity. Thirty two (32) vendors reviewed the document. Several "no-bids" were indicated on Economic Engine. One bid was received Hach Company, this is specialized equipment and Hach Company has held the contract in the past.

The bid submitted by Hach Company meets bid specifications and is reasonable and within budgetary constraints.

I recommend the bid of Hach Company to establish a price contract be accepted.
