(hereinafter "Lodge"), by which said parties hereby agree upon the terms and conditions as hereinafter set out, concerning wages, hours and working conditions of certain employees of the Division of Community Corrections.

ARTICLE 1

RECOGNITION

Section 1. Pursuant to KRS 67A.6901, LFUCG recognizes the Lodge as the exclusive collective bargaining representative of its sworn officers holding the full-time positions of Officer and Sergeant in the Division of Community Corrections. Corporal is an honorary title given to certain Officers. Corporals receive the same compensation and benefits as Officers. Non-sworn personnel, including trainees or recruits and sworn officers during their initial probationary periods, sworn personnel in grades other than Officer and Sergeant are not included in this Agreement.

Section 2. The Lodge recognizes the Mayor's representative and designee as the sole representative of LFUCG for the purposes of collective bargaining negotiations.

Section 3. As used in this Agreement, unless specified otherwise, the term "member(s)" refers to sworn employees of the Lexington Division of Community Corrections holding the grades of Officer and Sergeant, who have completed their initial probationary period. Initial probation period does not include promotional probation for Sergeants.

Section 4. LFUCG and the Lodge shall bargain promptly upon request by the other side and continue for a reasonable period of time in order to exchange freely information, opinions and proposals, and to endeavor to reach agreement on matters within the scope of representation.

Section 5. Every officer shall serve an initial probationary period of twelve (12) months from the date of hire. When deemed necessary by the Director or his designee, the initial probationary period may be extended beyond the twelve (12) months not to exceed an additional three (3) month period.

Section 6. Every Sergeant shall serve an initial promotional probationary period of twelve (12) months from the date of promotion and shall be included in this agreement during said probationary period. If a sergeant is not able to complete the promotional probationary period they shall return to officer status.

ARTICLE 2

SUBORDINATION

Section 1. Seniority of a member shall commence on the first date of employment as a LFUCG Division of Community Corrections Officer. No portion of this Agreement shall be applicable to any officer who has not completed his initial probationary period. Seniority of a Sergeant shall commence on the date of promotion to the position of the higher rank. Should a member voluntarily demote, seniority in the lower rank shall include all time served in the higher rank and be considered continuous as seniority in the lower rank.

Section 2. Seniority shall be considered continuous unless the member:

- A.** Is discharged for cause.
- B.** Is laid off for more than two (2) years.
- C.** Fails to return to work within thirty (30) calendar days without just cause after recall subsequent to a lay-off.

D. Voluntarily resigns, unless at the sole discretion of LFUCG, a member returns to work within one (1) year after voluntary resignation, his or her seniority shall be deemed continuous, less such time as he or she was not a member of the Division of Community Corrections.

Section 3. Upon request, LFUCG shall annually furnish the Lodge a seniority list based on this Article.

Section 4. Seniority will accrue for a Member on leave as a result of being injured in the line of duty.

ARTICLE 9

ASSIGNMENTS

Section 1. Bureau assignments will be made according to the following parameters:

A. Bureau and shift bids will be handled semi-annually. The Lodge will provide a bid sheet to every member by November 1, and May 1. The member must have the bid sheet submitted by November 15, and May 15, to the designated Shift Commander. LFUCG will post the results of the bid process by December 1, and June 1. The new assignment will begin the first full pay period in January, and July. Before the bid is conducted, the Director will announce the number of positions available in each Bureau and any special requirements for any positions concerning gender, experience, or other matters which impact management of the detention center.

B. The officer bidding with the most seniority will be assigned excepting exclusions listed below:

1. Unless the Director determines that a vacancy will not be filled, the Division will make bureau assignments to vacancies that occur during periods on a temporary basis for a period of no longer than thirty (30) calendar days or until a special bid process can be arranged or the next bid process occurs, whichever time period is shorter.
 2. Administratively, the seniority rule may have to be modified to prevent an overload of less experienced officers or sergeants on an assignment provided such action is taken with five (5) calendar days notice of the bid results being delivered to the Director. If an incident requiring this unusual action occurs, it will be made right as soon as practical.
 3. The Parties recognize and agree that any Member who has approved vacation leave shall keep the approved vacation leave, despite the changes to the bid process, unless the Member changes shifts in July 1, 2022.
- C.** The Director or designee may modify the bid process for a legitimate managerial reason(s) in a specific individual instance(s). Such legitimate managerial reason(s) shall be communicated in writing to that member.
- D.** Regular Days off (R.D.O.'s) - R.D.O.'s for shift personnel will be established by seniority and staffing levels. The Division Director or designee shall establish the male to female ratio needed for each shift. Afterwards, R.D.O's will be established by seniority by shift.
- E.** Unless the Director determines that a vacancy will not be filled, a Sergeant's assignment vacancy occurring after the execution of this Agreement shall be posted for a period of not less than fifteen (15) calendar days in the Division. The

most qualified bidder will be assigned, other than those assignments that have been deemed critical by the Director.

Section 2. All positions other than those in the assignments as prescribed above shall be filled as provided in this section.

- A. A member applying for a vacancy in a part-time specialized team (i.e., Honor Guard and Emergency Service Unit) will be selected by means of the most qualified bidder. Within sixty (60) calendar days of the final execution of this Agreement a list of qualifications for these positions will be provided to the Lodge. Current assignments to these positions will not be changed until vacancies occur.
- B. A member applying for appointment as a Field Training Officer (FTO) will be selected by means of the most qualified bidder. Within sixty (60) calendar days of the ratification of this Agreement a list of qualifications for these positions will be provided to the Lodge. Current assignments to these positions will not be changed until vacancies occur.
- C. All positions in A or B above shall be conspicuously posted Division-wide for a period of no less than fifteen (15) calendar days.
- D. The Director or his designee reserves the right to appoint to the following critical division positions without posting the vacancy: Public Information Officer, Bureau of Professional Standards, Bureau of CAP, Bureau of Master Control/Lobby, Classification Unit, Warehouse, Courthouse Processing, Inmate Services Unit, and any other critical position as designated by the Director of Community Corrections. A panel consisting of the affected bureau manager or

his designee and three (3) commanders from non-affected areas shall (i) review each application for appointment; (ii) select the best candidate considering length of service, experience, education, training, certifications, performance reviews, and disciplinary history; and (iii) make a recommendation to the Director for the appointment.

Section 3. Transfers

A. The transfer of a member is the movement from one position or task assignment to another position or task assignment within the Division. The following may be reasons for transferring a member:

1. A voluntary request;
2. A lack of funding resulting from a loss of federal/state funds;
3. An administrative reorganization;
4. An unforeseen event or condition requiring prompt action;
5. A change in the member's physical or mental condition;
6. The resolution of a grievance or other problem affecting the operational efficiency of a unit or organization;
7. The need for additional personnel at a specific work site;
8. The best interests of the Division.

B. A member shall be notified by the Director of Community Corrections or designee of the intended involuntary transfer by seven (7) calendar days written notice setting forth with specificity the reason for said transfer, unless the Director, in his sole discretion, declares an emergency or a member agrees to waive the seven (7) calendar days notice. A member who suffers a severe

hardship as a result of a shift change may, however, request an extension of up to fourteen (14) calendar days from the scheduled date of transfer. Any member subjected to a non-voluntary transfer shall begin earning the pay of the new position at the beginning of the next pay period upon being transferred, whether it is a new assignment or a temporary transfer. This pay shall remain in effect until the non-voluntary transfer is corrected.

Section 4. Trades

- A.** Members may trade regular days off or shifts within their assigned bureau with notification to and approval of the shift commander. Members working different shifts may trade shifts with notification to and approval of the Bureau Commander. The trade must be completed within the same work week and must be submitted in writing with signatures of all members involved not later than two (2) calendar days prior to the trade. Any change of scheduled days off or shifts that necessitates the utilization of overtime will not be permitted.
- B.** Where one member trades with another, each member will be credited as if he or she worked his or her normal work schedule for that shift. Each trade shall be in increments of a full shift. Any member willingly participating in trading regular days off or shift assignments also willingly accepts the responsibility of all coverage and liability of the other member's mandatory overtime for that day or shift.
- C.** Shift trades may be denied if the Director or his designee determines that training schedules or other departmental functions may be significantly disrupted by a proposed shift trade.

- D.** The LFUCG shall incur no financial burden by a member initiated trade.
- E.** The Parties agree that the shift trades under this procedure comply with state and federal law. In the event of noncompliance, the LFUCG, with input from the Lodge, will adjust this language in a manner that is compliant.
- F.** All trades shall comply with the following rules:
 - 1. A Member may trade regular days off or shifts no more than three (3) days in a calendar month.
 - 2. A Member may trade regular days off or shifts no more than twelve (12) times in a calendar year.
 - 3. All trades shall be between two (2) Members in active status (no three-way trades).

ARTICLE 10

PROMOTIONAL VACANCIES

Section 1. A vacancy shall be deemed to exist when a position in the Division is vacant due to demotion, termination, death, resignation, retirement, promotion or creation of a new position. If it is determined that a position shall not be filled, LFUCG shall provide written notice to the Lodge within thirty (30) calendar days after a vacancy occurs. If written notice is not given LFUCG shall take all necessary action to fill a vacancy within (90) calendar days.

Section 2. The Director shall notify the Lodge of intent to promote within thirty (30) calendar days after a vacancy occurs. The vacancy shall be filled within ninety (90) calendar days of the Director's notice of intent to promote.

Section 3.

- A. Applicants for the position of sergeant shall have at least two (2) years of satisfactory (No disciplinary action higher than a written reprimand in the last calendar year) active service as an officer on the filing deadline date. Applicants must not have discipline for attendance the past two (2) years. Applicants must be current in all mandatory classes, training or criteria both on the date of application and on the date of promotion.
- B. An applicant for the position of lieutenant must have completed two (2) years of satisfactory (No disciplinary action higher than a written reprimand in the last calendar year) active service in the grade of sergeant on the filing deadline date. Applicants must not have discipline for attendance for the past two (2) years. Applicants must be current in all mandatory classes, training or criteria both on the date of application and on the date of promotion.

Section 4.

- A. Promotions to the position of sergeant shall consist of two (2) phases: an objective written examination and an oral interview. Points given for the written exam shall be based upon the raw score. Points given for the final oral interview shall be determined by standardization. Criteria to be used for the standardization shall be provided in writing to the Lodge within thirty (30) calendar days of the ratification of this agreement. Each shall be weighted equally. The aggregate score for promotional purposes shall be the total of the two (2) scores.

The written examination shall be administered by the Division of Human Resources, its designee, or a third party consultant hired through the Division of Human Resources. All

applicants shall be identified by number only on the examination and a passing score must be obtained in order to proceed. A passing score shall be 70%.

Materials important to the promotion process include Division of Community Corrections Operational Orders, policies, rules, regulations, Standard Operating Procedures, Training bulletins, and government regulations that are applicable to the job.

A complete listing of the scores from the written examination shall be completed and posted within five (5) calendar days following the receipt of the test results by the Director. Challenges to test questions shall be made within three (3) calendar days of the testing. The Division of Human Resources shall respond to any challenges within five (5) calendar days of receipt. Final scores shall be posted within seven (7) calendar days of the examination. All candidates that receive a passing score shall proceed to the oral interview.

- B.** Promotions to the position of lieutenant shall consist of two (2) phases: a training and experience (T&E) evaluation conducted by the Division of Human Resource based on the information provided by the applicant, and an oral interview. Points given for the final oral interview shall be determined by standardization. Criteria to be used for the standardization shall be provided in writing to the Lodge within thirty (30) calendar days of the ratification of this agreement. Each shall be weighted equally. The aggregate score for promotional purposes shall be the total of the two (2) scores. All candidates that receive a passing score shall proceed to the oral interview.

Section 5. Members of the Oral Interview Board shall be the same for all applicants for any one rank. Each candidate shall be independently ranked by each rater.

The Oral Board shall consist of the following members:

- A. The Director of Community Corrections or a Bureau Manager or designee.
- B. A Captain from the area where the vacancy exists.
- C. A member from the Kentucky State Department of Corrections of higher rank.
- D. A professional with experience in business, education, or government.
- E. A member of the Fraternal Order of Police not in Lodge #83.

The Director of Human Resources or his designee and a Lodge representative shall be present during the interview process. The LFUCG Director of Human Resources or his designee shall post the oral interview scores no later than ten (10) calendar days following the completion of interviews.

Section 6. The Director of Human Resources or his designee shall compile a composite score of the written examination and the oral interview. The composite score shall be the only score used to rank candidates for promotion from the official eligibility promotion list. Upon posting of this final list, the candidates shall be listed by name. Should the composite score of any candidates be equal, seniority shall prevail.

Section 7. A promotional vacancy in the ranks of sergeant and lieutenant shall be filled by one of the eligible candidates by the Director, who shall choose one of the top 5 candidates on the list. The Director, at his discretion, may interview the candidates. The Director's recommendation for promotion shall be forwarded through the appropriate channels.

Section 8. The final eligibility list of applicants for promotion to sergeant and lieutenant shall remain in effect for two (2) years unless abolished by the Director.

Section 9. Any and all documents utilized during the promotional process, which are not protected from disclosure by law, shall be open to inspection by the designated Lodge Counsel upon reasonable advance notice.

ARTICLE 11

GRIEVANCE PROCEDURE

Section 1. A grievance is a difference or dispute between a member and LFUCG regarding the meaning, interpretation or application of the express terms of this Agreement or a disciplinary action. The purpose of this grievance procedure is to settle all grievances as quickly as possible to ensure efficiency and promote employee morale. Discipline greater than or equal to a written reprimand shall be grievable. All grievances must be signed (written or electronic) by a Member who believes he or she has suffered as a result of the violation of the terms of this Agreement. Grievances of discipline shall begin at Step 3 (Human Resources) of this procedure as provided in Article 14. For non-grievable disciplines a letter of disagreement may be filed by the Lodge with LFUCG and placed in the employee's file within thirty (30) calendar days from the date of the disciplinary action. A grievance is presented when it is written on the form attached as Appendix C and delivered to the designated Bureau Manager by an official representative of the Lodge. Any dispute concerning the interpretation or application of an express provision of this agreement shall be subject exclusively to this grievance procedure. Only the Lodge may file a grievance as the representative of any member(s) of the bargaining unit.

Section 2. One (1) paid Lodge representative and the named grievant may attend the grievance meetings. The attorney for the grievant may attend, but at no time shall the number of Lodge representatives, including the grievant exceed three (3). Unless otherwise specified, all time limits specified herein shall be calendar days. The following rules for the presentation and solution of grievances are prescribed:

Step 1 - Bureau Manager (Major): The grievance shall, within ten (10) calendar days of the grieved event, be presented to his or her Bureau Manager (Major) or the designated commander by personal delivery with a signature acknowledging receipt, who shall meet and discuss the grievance with the Lodge Representative within ten (10) calendar days after the date presented. The Bureau Manager (Major) or the designated commander shall give a written answer documenting the result of the meeting to the Lodge Representative within ten (10) calendar days following the meeting. If the Lodge fails to file a grievance within ten (10) calendar days the event may not be grieved. This 10-day timeline will begin when the LFUCG's written response is signed and delivered to the FOP President, the Chief Union Steward, or the grievant. If the Bureau Manager fails to schedule a meeting within ten (10) calendar days or fails to issue a written response within ten (10) calendar days of the meeting, the grievance shall be considered satisfied in favor of the grievant. If LFUCG has not scheduled a meeting or fails to issue a written response within ten (10) calendar days, the Lodge shall serve written and personal notification to the Director of Community Corrections, or their designee, and the individual responsible for responding to that Step after the deadline expires affording LFUCG an additional seventy-two (72) hours to deliver its answer. If LFUCG does not schedule a meeting or answer the grievance within the specified time limits or any extension hereof, and after the grace period notice, the grievance shall be satisfied in favor of the grievant.

Step 2 - Director of Community Corrections: If the Lodge is not satisfied with the answer obtained in Step 1, the Lodge Representative may appeal in writing within ten

(10) calendar days to the Director of Community Corrections or his designee. The appeal must be presented by personal delivery to the Director of Community Corrections or his designee with a signature acknowledging receipt. The Director of Community Corrections or his designee shall arrange for a meeting within ten (10) calendar days and shall respond in writing to the Lodge representative within ten (10) calendar days of the meeting. If the Lodge fails to file an appeal within ten (10) calendar days the event may not be grieved. This 10-day timeline will begin when the LFUCG's written response is signed and delivered to the FOP President, the Chief Union Steward, or the grievant. If the Director fails to schedule a meeting within ten (10) calendar days or fails to issue a written response within ten (10) calendar days of the meeting the grievance shall be considered satisfied in favor of the grievant, unless the parties agree otherwise or mutually agree to mediation. If LFUCG has not scheduled a meeting or fails to issue a written response within in ten (10) calendar days, the Lodge shall serve written and personal notification to the Director of Community Corrections, or their designee, and the individual responsible for responding to that Step after the deadline expires affording LFUCG an additional seventy-two (72) hours to deliver its answer. If LFUCG does not schedule a meeting or answer the grievance within the specified time limits or any extension hereof, and after the grace period notice, the grievance shall be satisfied in favor of the grievant.

Step 3 - Director of Human Resources: If a mutually satisfactory settlement cannot be reached at Step 2 within ten (10) calendar days from the receipt of the written response from the Director or his designee, the Lodge representative and or legal

counsel shall present the grievance in writing to the Director of Human Resources. The grievance must be presented by delivery to the Director of Human Resources. The Director of Human Resources may meet and discuss the grievance with the Director of Community Corrections or his designee and the grievant. The Director of Human Resources or his designee shall make a determination in writing within thirty (30) calendar days from the date of receipt of the grievance. If the Lodge fails to present the grievance within ten (10) calendar days the appeal to the Director of Human Resources shall be deemed waived. This 10-day timeline will begin when the LFUCG's written response is signed and delivered to the FOP President, the Chief Union Steward, or the grievant. If the Director of Human Resources fails to issue a determination in writing within thirty (30) calendar days of the presentation of the grievance the grievance shall be considered satisfied in favor of the grievant. If LFUCG has not scheduled a meeting or fails to issue a written response within thirty (30) calendar days, the Lodge shall serve written and personal notification to the Director of Community Corrections, or their designee, and the individual responsible for responding to that Step after the deadline expires affording LFUCG an additional seventy-two (72) hours to deliver its answer. If LFUCG does not answer a grievance within the specified time limits or any extension hereof, and after the grace period notice, the grievance shall be satisfied in favor of the grievant.

Step 4 - Advisory Arbitration:

- (a) If the Lodge is not satisfied with the answer obtained in Step 3, it may, within ten (10) calendar days after receipt of the Step 3 answer, seek

arbitration by notifying LFUCG in writing of its intent to proceed to advisory arbitration. A panel of seven (7) names from the Federal Mediation and Conciliation Service (FMCS), Kentucky Department of Labor or the American Arbitration Association (AAA) shall be requested by the Lodge, with notice to LFUCG, within seventy five (75) calendar days of the notification date. Failure to do so shall result in the grievance being denied.

- (b) An arbitrator shall be selected by the Lodge and LFUCG by alternately striking a name from the panel submitted by the Kentucky Department of Labor, the Federal Mediation and Conciliation Service (FMCS) or the American Arbitration Association (AAA) with the side striking first determined alternately. The parties shall meet for the purpose of striking names from the panel within fourteen (14) calendar days of receipt by both parties of the panel from which an arbitrator is to be selected. After an arbitrator is selected, both parties shall use their best efforts to schedule a hearing within a reasonable time.
- (c) The expenses, wages and other compensation of any witness called before the arbitrator shall be borne by the party calling such witnesses, and expenses such as wages of participants, preparation of briefs and data to be presented to the arbitrator shall be borne by the party incurring the expenses.
- (d) The arbitrator's fee and expenses and cost of any hearing room shall be shared equally by each party.

- (e) The powers of the arbitrator are limited as follows: The arbitrator shall have no jurisdictional right to alter, amend, modify, disregard, add to or subtract from or change in any way any term or condition of this Agreement or to render an award which is in conflict with any provision of this Agreement. The arbitrator shall consider only the specific issue or issues submitted to him and shall confine his decision to a determination of the facts and an interpretation and application of this Agreement. If either party decides not to represent itself during the Arbitration, that party shall bear all cancellation costs.
- (f) The decision and/or the award of the arbitrator shall be Advisory.

Section 3. If a grievance is not presented within the time limits set forth in this article, the grievance shall be considered resolved according to the most recent grievance response and dismissed. If a grievance is not appealed to the next Step within the specified time limit or any extension thereof, it shall be settled on the basis of LFUCG's last answer. If LFUCG has not scheduled a meeting or fails to issue a written response on or before the expiration date, the Lodge shall serve written and personal notification to the Director of Community Corrections, or their designee, and the individual responsible for responding to that Step after the deadline expires affording LFUCG an additional seventy-two (72) hours to deliver its answer. If LFUCG does not schedule a meeting or answer the grievance within the specified time limits or any extension hereof, and after the grace period notice, the grievance shall be satisfied in favor of the grievant. LFUCG shall file a written answer to the grievance or appeal thereof within the time limits set forth herein. The time limits in each Step may be extended by mutual written

agreement of LFUCG and the Lodge representative involved in each Step. It is agreed that grievance settlements reached at the first or second steps are not precedent setting to either party.

Section 4. The Parties may deliver all grievances, notices, correspondence, and other documents referenced in this Article by electronic mail, so long as the sender procures a delivery receipt. The Executive Board, Lodge Counsel, or the named grievant(s), if any, may deliver all grievances, notices, correspondence, and other documents referenced in this Article.

Section 5. The procedure contained in this article is the sole and exclusive means of resolving all disciplinary actions and/or grievances arising under this Collective Bargaining Agreement.

Section 6. LFUCG and its representatives agree that it shall not attempt to bring about a settlement directly with a bargaining unit member on any grievance referred to the Lodge after it has received notice from the Lodge that it shall be representing the bargaining unit member.

ARTICLE 12

DIVISION ORDERS AND STANDARD OPERATING PROCEDURES

Section 1. LFUCG has the right to promulgate rules and regulations, including disciplining members, not inconsistent with the express provisions of this Agreement.

Section 2. No changes in Operational Orders, policies, rules, regulations, Standard Operating Procedures, and the like of the Division of Community Corrections shall be effective until they have been posted on bulletin boards and forwarded to the Lodge for a period of fourteen (14) calendar days prior to the effective date subject to the terms of Article 3.

Section 3. A member shall be bound by any change in Operational Orders, policies, rules, regulations, Standard Operating Procedures, and the like, upon the effective date, after notice, as outlined above.

Section 4. Prior to implementing any new work rules, policies, procedures, or standard operating procedures LFUCG shall notify Lodge at least fourteen (14) calendar days in advance of the effective date. If Lodge requests to meet over such a change within that notice period, LFUCG and Lodge shall meet to discuss the proposed changes. Neither Lodge's agreement nor impasse is required before implementing any change provided LFUCG complies with this section.

Section 5. The Division shall provide all Members access to all current Operational Orders, policies, rules, regulations, Standard Operating Procedures, and the like, including providing an updated master copy for members to review during off-duty hours. The master copy may not be removed from the premises.

ARTICLE 13

Section 2. No member shall be required to work in excess of sixteen (16) hours consecutively (excluding drive time), provided however, a member may waive this section. When a Member is scheduled for a detail, training, or pre-planned event outside of his or her regularly scheduled tour of duty, LFUCG shall provide five (5) calendar days prior notice. This section shall not apply in exigent circumstances as determined by the Director.

Results concerning any fitness for duty issues shall be submitted and disclosed pursuant to Article 15 of this Agreement. Members who are using FMLA leave or who currently have a disability that is being accommodated should bring those issues to the physician's attention. A member may elect to have the biennial physical examination performed by his/her primary care physician, with the stipulation that the primary care physician can perform all required tests, with a maximum reimbursement to the member of thirty-five dollars (\$35.00).

ARTICLE 14

DISCIPLINARY PROCEDURES

Section 1. It is agreed that LFUCG has a right to discipline members only for just cause. The disciplinary code that shall be used as a guideline for this Article shall be the current published disciplinary code for all LFUCG employees as found in the Employee Handbook.

This code is subject to amendment and/or change. A copy of the current code is appended to this contract as Appendix A.

Section 2. Discipline of members includes oral warning, written reprimand, suspension, or dismissal. Coaching and counseling sessions are not disciplinary actions and will be placed in the member's training file and not in the member's disciplinary file.

Section 3. LFUCG shall not take any disciplinary action against any member for any non criminal act or violation after the expiration of a forty-five (45) calendar day period from the date on which such violation or act occurred, unless it can be shown that LFUCG was not aware that a violation or act occurred or the matter is the subject of an open investigation. Once an investigation is completed, LFUCG shall issue discipline within forty-five (45) calendar days of the completion of the investigation.

Section 4. Disciplinary actions of suspension or dismissal shall be initiated by the delivery of proposed disciplinary action to a member. After delivery of the proposed discipline, the Director or his designee shall meet with the member and, if requested, a Lodge representative. The member has five (5) calendar days to schedule a meeting with the Director or his designee, and the Director or his designee will set a meeting with the member within 10 calendar days. At the meeting the member shall be advised of the level of discipline proposed to be issued. The member and/or the Lodge representative shall be given the opportunity to present the member's side of the matter and any materials relating to the violation he wants the Director to consider prior to issuing discipline. If the member does not attend the meeting with the Director, discipline shall be issued and shall be final.

Section 5. Disciplinary Action

- A.** Discipline will be physically presented to a member when practical. The date physically presented shall be considered the date that the discipline was received. LFUCG may issue discipline by sending a written copy of the discipline via certified mail to member's last provided mailing address of record. Five calendar days after the date postmarked shall be considered the date that the discipline was received (for purposes of employee receipt only).
- B.** Upon receipt of the discipline by the member, the grievance and arbitration procedure set forth in Article 11 (Grievance Procedure) may be invoked by the Lodge. The grievance shall begin at the level of the Human Resources Director (Step 3 of the Grievance Procedure) and shall proceed as provided in Article 11.
- C.** Members shall not accrue vacation or sick leave while serving a suspension, according to LFUCG policy.
- D.** Members shall not be scheduled for extra shifts or otherwise eligible to work overtime during a pay period during which a Member serves a suspension.

Upon written request by the Member, oral warnings shall be removed from the Member's personnel file twelve (12) months from the date of entry, unless the Member has received intervening related discipline. Upon written request by the Member, written reprimands shall be removed from the Member's personnel file twenty-four (24) months from the date of entry, unless the Member has received intervening related discipline. Upon written request by the Member, suspensions shall be removed from the member's record thirty-six (36) months from the date of the entry, unless the Member has received intervening discipline.

Section 7. Any Member charged with or under indictment for a crime who is not yet disciplined or discharged by the LFUCG may be placed on leave of absence without pay until resolution of the court proceedings. A Member may use accrued but unused vacation or holiday time during the leave. A Member found guilty by the trial court of a felony, violent misdemeanor, or crime involving sexual deviance may be summarily discharged at the Director's discretion, and shall have no recourse through the grievance or arbitration procedures. Where the Member is found not guilty of the charges, the Member may be subject to discipline pursuant to the terms of this Article.

Section 8. Lodge Representation.

A. A Member shall have the right to have a Lodge Representative present when all of the following conditions exist:

1. A Member is questioned by a supervisor in connection with an investigation about an incident or complaint; and,
2. A Member reasonably believes that the incident or complaint under investigation may result in discipline of the Member, or if the Member has been served with recommended discipline charges; and,
3. A member requests representation.

B. The Member's right to Lodge representation shall include a supervisor's requests for a written statement in connection with an investigation of an incident or complaint (this does not include incident reports related to the restriction of inmate rights) and the Member reasonably believes that the incident or complaint under investigation may result in discipline of the Member. A Member may be required to submit a written report or statement no earlier than the end of the Member's next tour of duty.

C. The Lodge agrees to have a Lodge representative available for all shifts, twenty-four (24) hours a day to provide representation to Members without unreasonable delay. The Lodge shall provide a list to the Director, or designee, a week prior to each RDO switch, of Lodge representatives available during each shift.

D. LFUCG does not need to delay an interview or written statement so a Member can have their preferred Lodge Representative, as long as a qualified Lodge Representative is available and present.

E. For all purposes in this Article, "Lodge Representative" shall mean a designated Member of the Lodge or FOP attorney representing the Member as appropriate.

ARTICLE 15

PERSONNEL FILES

Section 1. Personnel files and any other employee files and records are the sole responsibility of the LFUCG.

Section 2. LFUCG's responsibilities for employee files include upkeep, retention, and production. Purging of files will be completed upon written request made by the Employee.

Section 3. LFUCG shall maintain employee confidentiality to the full extent permitted by law and access to a member's personnel records shall be restricted to the following:

- A. Member who is the subject of the file or authorized (in writing) representative may review their own records upon request.
- B. Member's supervisor.
- C. Director and/or designee.
- D. Director of Division of Human Resources and/or designee.
- E. Member of the Department of Law.

Section 4. No file, record or content therein of which a member has not been previously advised shall be utilized against the member for matters of discipline. A Member may submit written documentation for his/her official personnel file that refutes or explains any item in the Member's file. The documentation shall not contain any inflammatory or derogatory statements.

Section 5. LFUCG shall follow retention schedules for employee files that comply with applicable laws and regulations. In the event a subpoena or Open Records Request is served on LFUCG, it shall immediately notify the member and/or the Lodge.

Section 6. Any Member may obtain a complete copy of his/her personnel file at his/her cost without the use of the Open Records Act. The member shall also have access to any electronic files. Except during an open investigation, no file shall be maintained about a member without his knowledge.

ARTICLE 16

No member shall be required to live in Lexington/Fayette County.

ARTICLE 17

MILITARY LEAVES

LFUCG shall provide military leave according to state and federal law.

ARTICLE 18

LEGAL PROTECTION

Section 1. LFUCG shall provide for the defense of a Member in any legal action filed against the member arising out of an act or omission occurring within the scope of his

employment. A Member shall be represented by the Department of Law, private counsel employed through the Department of Law, or represented by separate private counsel at his own expense, with the prior written approval of the Department of Law, when a claim is made against him as an individual for money damages, for personal injury, or property damages resulting from the good faith performance of his official duties, whether suit may or may not be pending on the claim at that time, even if the claim arises from acts performed by the Member prior to the effective date of this Agreement, and even if the claim is not presented until the Member has left the position currently held.

Section 2. If a settlement of a claim is made or a judgment is rendered against a Member and that Member was either represented by the Department of Law, private counsel employed through the Department of Law or represented by separate private counsel at his own expense, with the prior written approval of the Department of Law, that settlement or judgment shall be paid by LFUCG in accordance with the procedures, discretion, and determination vested in the Department of Law. Provided, however, LFUCG's responsibility under this Agreement to indemnify a Member shall not include any duty to pay punitive damages.

Section 3. Upon receiving service of a summons and complaint in any action in tort brought against him or a notice of a claim to be made, a Member shall, within five (5) calendar days of receipt give written notice of such action, including a copy of the summons and complaint, to the Department of Law.

Section 4. LFUCG may refuse to pay a judgment or settlement in any action against a Member, or if LFUCG pays any claim or judgment against any Member pursuant to Section 2 of this Article, it may recover from such Member the amount of such payment and the costs to defend if it determines that:

- A. The Member acted or failed to act because of fraud, malice, or corruption; or
- B. The action was outside the actual or apparent scope of his employment; or
- C. The Member was willfully negligent or malicious; or
- D. The Member willfully failed or refused to assist the defense of the cause of action, including the failure to give notice to LFUCG pursuant to Section 3 of this Article; or
- E. The Member compromised or settled the claim without the approval of LFUCG; or
- F. The Member obtained private counsel without the consent of the Department of Law, in which case, LFUCG may also refuse to pay any legal fees incurred by the Member.

Section 5. No provision of this Article shall in any way be construed to abrogate the defense of sovereign immunity, official immunity, or governmental immunity.

ARTICLE 19

COURT-RELATED PAY

Section 1. In the event that an active member is required to appear to testify in Court or in a legislative or administrative proceeding outside of his regularly scheduled work hours, he shall be paid a minimum of two (2) hours at the rate of 1 and 1/2 times his regular hourly rate of pay, or for the actual time spent for such appearance at the rate of 1 and 1/2 times his regular hourly rate of pay if more than two (2) hours.

Section 2. In order to claim pay under Sections, of this Article, the Member must document that he was testifying as to matters involving his employment with LFUCG. Such pay

is not available when testifying about matters related to off-duty employment or other non-work related matters.

Section 3. A Member shall be granted leave with pay, not to exceed three (3) calendar months in any one (1) calendar year, in order to serve on a duly impaneled jury of any court. When on jury duty, the Member must report for work if he is excused by the court for part of the day or for one (1) or more full days. When the jury duty is over, the Member must submit a copy of his jury duty check stubs to his supervisor who shall forward the information to the payroll coordinator for verification that the Member served on jury duty for the number of days of leave that the Member was granted.

ARTICLE 20

OVERTIME

Section 1. A workday shall consist of eight (8) hours. A regular work week shall be forty (40) hours in any calendar week. Members shall be paid overtime at the rate of one and one-half (1/2) times their regular rate of pay for all hours worked in excess of forty (40) hours in any calendar week.

Section 2. Members are scheduled in advance to work a forty (40) hour schedule. The Division may modify schedules within a scheduled work week in order to respond to disasters, emergencies, declared by the Director, to achieve specific law enforcement objectives, or as otherwise necessary to assure adequate staffing levels. Nothing herein shall preclude the Division from granting a member's request for a schedule change.

Section 3. Overtime earned shall be reported and paid in six (6) minute increments.

Section 4. The Division shall not change a member's scheduled R.D.O.'s unless three (3) calendar days notice is given. Provided, however, this three (3) calendar days notice shall not

have to be given if the Director, in his sole discretion, declares an emergency or a member agrees to waive the notice.

Section 5. All members covered under this agreement shall have the right to work overtime in not only the member's current bureau assignment, but shall also have the right to work any other bureaus of the facility for which they are qualified.

Section 6. Overpayment

If a member is inadvertently overpaid his salary, the LFUCG shall collect the overpayment by deducting the amount of the overpayment from future paychecks, after notice to and opportunity to be heard by the member. If it is determined that the overpayment was not justified, the LFUCG shall use the following formula to collect the amount due: the total amount of the overpayment shall be divided by the number of pay periods during which the mistake(s) occurred. The quotient shall be deducted from the subsequent paychecks until the overpayment is satisfied. If the member separated from service, any remaining owed amount shall be deducted from any payout due the member upon separation. If the payout is insufficient to cover the remaining amount, the member shall immediately pay LFUCG the difference. If a member is inadvertently underpaid his salary, the LFUCG shall correct the mistake in the next paycheck.

Section 7. In those areas where members have scheduled R.D.O.'s, the day for mandatory overtime shall be the second day after the return from the R.D.O.; the day for secondary overtime shall be the fourth day after the return from R.D.O. Once mandatory primary and secondary lists have been exhausted (i.e. the member has served or been excused) any request for subsequent call back duty if needed shall be the third day after the return from RDO.

In addition, at the beginning of each fiscal year, each employee shall be granted sixteen (16) hours of swing holiday leave, which may be taken at any time during the fiscal year in accordance with the requirements of this Agreement.

- A.** The following is the agreed process for requesting vacation or holiday leave time for forty (40) consecutive hours or more:
1. Members shall request vacation or holiday leave semi-annually beginning December 1 and June 1.
 2. Once Staff has been made aware of the bidding results on December 1 and June 1, all staff members will email leave requests to a designated shift commander for a period of two weeks. Commanders shall meet with members beginning December 16 and June 16 according to seniority to schedule leave time in increments of one week (40 hours) or more for the following six (6) months.
 3. Management will assign by seniority and availability. Once approved there will be no bumping by seniority.
 4. Members may only apply for leave time they have already accrued in their leave bank.
 5. Once accumulated, officers may request additional leave time accrued throughout the year. Such time shall be granted based on availability.
 6. Management reserves the right under Article 3 to adjust or change vacations schedules due to extreme and exigent circumstances.
- B.** Leave usage of less than forty (40) consecutive hours shall be allowed as follows:

The employees request shall be granted/denied based on availability. Members must give at least 24 hours advance notice for all leave requests of less than one week (40 hours). A supervisor shall not deny said request if adequate personnel are scheduled to work their requested time frame at the time the leave request is made. All leave requested must be within the current six (6) month bid period. Members may only apply for leave they have already accrued in their leave bank. If a Member had a leave request granted from another shift or area, those dates must be available on the calendar in the new shift or area before the requested vacation dates will be granted for the new shift or area. If the dates are not available in the new shift or area, the Member's leave request which was granted from another shift or area will be revoked and denied.

A Member may request up to four (4) hours of leave with pay to donate blood during regular work hours at any licensed blood center certified by the Food and Drug Administration. A Member requesting leave shall obtain approval from his Bureau Manager or his designee prior to approval prior to the donation and must submit verification of blood donation or deferral upon return to work. There is no limitation on the number of times a Member may donate other than that imposed by the blood donation centers usually no more than six (6) times per year.

The Bureau Manager, or his designee, may authorize up to four (4) hours of personal leave with pay annually to participate in community projects that are not directly work related. Community projects leave time cannot be accumulated or paid out at retirement or termination.

C. Pre-approved vacation or holiday requests shall be granted if a Member is transferred out of their area or shift involuntarily.

D. Annual vacation/holiday accrual is cumulative to the extent set forth herein. Accrued annual vacation/holiday leave cannot exceed four hundred (400) hours and any vacation/holiday leave in excess of this amount must be taken by December 31 of any calendar year. Upon separation of service (i.e. retirement, termination, resignation), a Member shall be entitled to receive reimbursement for accrued annual vacation/holiday. Payment for vacation/holiday shall be based on the Member's regular rate of pay.

Section 2. Members assigned to work Thanksgiving Day, Christmas Eve and Christmas Day shall be paid at the rate of one and one-half (1 ½) times their regular rate of pay.

Section 3. Vacation and holiday leave may be taken in six (6) minute increments, consistent with the KRONOS system, so long as the total leave equals or exceeds four (4) hours per day. If the requested leave does not equal or exceed four (4) hours per day, then a Member shall secure approval from his Bureau Manager.

Section 4. If the LFUCG deducts leave usage from a members leave bank, and the member is entitled to have that leave restored, the LFUCG shall restore the leave within two pay periods of the decision to restore.

II. LEAVE OF ABSENCE WITHOUT PAY

Leave of absence may be granted to maintain continuity of service instances where unusual and avoidable circumstances require a member's absence. Leaves are granted on the assumption that the Member will be available to return to regular employment when the conditions necessitating the leave permit.

The duration of each leave will depend upon each circumstance and the recommendation and approval of the Director of Community Corrections, but shall not exceed one-hundred and eighty (180) calendar days. The leave of absence is considered a privilege. Granting of leaves of absence will be administered with utmost discretion, taking into account the Member's service record and the circumstances necessitating the request. Intended period of absence from work must be indicated.

Never will a leave of absence be authorized to permit a member to engage in gainful employment other than mandatory military service. When the need to be absent is known, the Member will be expected to advise the Director of Community Corrections in writing at the earliest possible time. Absence without reason may result in disciplinary action. The giving of false reasons for an absence shall result in disciplinary action. Leaves of absence will not interrupt service time. The member shall be returned to the same or equal employment, unless circumstances of the agency have so changed as to make it impossible or unreasonable to do so. Leave of absence shall be without pay and benefit accrual, other than for military leave. A condition precedent to a request for a leave of absence requires a Member to have exhausted all vacation, holiday, and approved sick leave benefits.

III. SICK LEAVE

Section 1. Sick leave with pay shall be granted to a Member when he is unable to perform his duties because of his sickness or injury or that of an immediate family member. The immediate family member for the purpose of this section shall include parents, spouse, children, and domestic partners (as defined by City policy). Sick leave may be taken in six (6) minute increments.

Section 2. A Member who is unable to report for duty because of illness, injury, prescribed medication or treatment shall immediately notify the on-duty commanding officer. This notification should be made at least one (1) hour prior to the scheduled reporting time.

Section 3. Medical Statement

Sick leave is granted by LFUCG in order to prevent undue hardship to the member. It is not to be considered as or used as personal time or vacation time. Sick leave may be used only for the purposes stated in this Policy. Any abuse of sick leave, including falsification of sick leave records in violation of policies established by LFUCG or any patterned use of sick leave shall be sufficient cause for discipline. A regularly scheduled course of medical treatment for the Member pre-approved by the LFUCG which is verified by a physician and which cannot be scheduled outside of regular working hours shall not be deemed a "patterned use." Application by a Member for sick leave through fraud or dishonesty will result in denial of such leave together with disciplinary action.

The LFUCG reserves the right to require a doctor's certificate for the use of any sick leave by a Member if a pattern of abuse is suspected or to permit a Member to return to work after an illness.

Proof of abuse of paid sick leave privileges may constitute grounds for disciplinary action including dismissal.

Section 4. Payment for sick leave shall be at the Member's regular hourly rate. There shall be no duplication of sick leave benefits with any other disability income benefits provided by LFUCG.

Section 5. Sick leave shall be accrued at a rate of ten (10) hours per month. Sick time may be accumulated up to five hundred (500) hundred hours. Once a Member has accrued

five hundred (500) hundred hours of sick time, any amount of time exceeding the five hundred (500) hundred hour cap shall be paid to the member at his regular rate of pay, by separate check, on the second pay period in January of each calendar year.

Section 6. Members who have accumulated more than 480 sick hours are permitted to participate in the LFUCG sick bank program, contributing up to 40 hours to a fellow employee in need.

IV. FAMILY MEDICAL LEAVE (FMLA)

It is unlawful for any employer to interfere with, restrain, or deny the exercise of or the attempt to exercise any right provided by the FMLA.

V. BEREAVEMENT LEAVE

Section 1. A Member will be able to use up to three (3) calendar days of Bereavement Leave time for a death for the following listed immediate family members. Bereavement Leave will be treated as a permitted absence without loss in pay for purposes of arranging or attending funeral services. Additional time for bereavement leave may be granted using sick, holiday, or vacation time when bereavement leave has been exhausted. Bereavement Leave may be used in hourly increments and is not required to be taken consecutively. Bereavement leave will be granted for the following family members: Parents, Step-parents, Spouse, Spouse's Parents, Children, Step-children, Foster children, Siblings, Step-siblings, Half-siblings, Brother-in-law, Sister-in-law, Grandparents, Spouse's grandparents, Grandchildren, Great-Grandparents, and domestic partners (as defined by City policy).

Section 2. A Member will be able to use up to one (1) day of Bereavement Leave time for a death of the following: Aunt, Uncle, First Cousin, Niece, or Nephew (this does not include "in-law" or "step-relationships").

Section 3. Bereavement leave is not subject to schedule adjustment.

ARTICLE 23

DISABILITY LEAVE AND MODIFIED DUTY

Section 1. Any member who sustains an injury or an illness as a result of a service connected incident must notify their immediate supervisor as soon as practicable after the incident occurs. The supervisor shall complete the appropriate form. It is the responsibility of a member to advise the Director through the appropriate chain of command of an inability to perform all job functions required of active duty status. If a competent medical authority determines that a member can perform substitute work (modified duty), the member must work in a modified duty capacity, if so assigned, unless he is in an FMLA status.

Section 2. If the member is medically required to be absent from their job duties and cannot perform substitute work (modified duty) as a result of a service-connected injury or illness, the member must complete a Disability Leave Request Form and submit it to the Director through the chain of command for submission to the Director of Human Resources (or designee) within ten (10) calendar days of the incident.

Section 3. The completed Disability Leave Request form must have the following documentation attached:

- A.** A copy of the corresponding First Report of Injury or Illness (IA-1); and
- B.** A written statement from a competent medical authority as to the member's specific diagnosis, treatment plan, and your current work activity status.

Section 4. Any member who suffers an injury or illness as a result of a service connected injury or illness shall be granted, upon proper investigation and authentication, leave equal to full pay for a period up to twelve (12) months from the date of injury or illness.

The disability leave payable shall be supplementary to any worker's compensation income benefits to which the Member is eligible, but in no case should payments exceed the difference between the Member's worker's compensation benefits and his average weekly earnings as defined in KRS 342.140.

Section 5. An injured or ill member shall initially be placed on their own accumulated sick leave, or if sick leave is not available, on vacation or holiday leave for all absences from scheduled work time. Upon an investigation and authentication that the member's injury or illness is the result of a service-connected incident, all sick, vacation, or holiday leave hours that have been used as a result of the injury or illness shall be reinstated. It is the member's responsibility to submit a new Disability Leave Request form with the required supporting documents if the medical authority states that he is unable to perform work in any capacity past the date for which the disability leave status has been granted. Disability leave status can only be granted for a period of up to twelve (12) months for each injury or illness except as provided in Section 11.

Section 6. If, during a disability leave, a competent medical authority determines that the member can perform substitute work (modified duty), he must work in a modified duty capacity, if so assigned, unless he is in a FMLA status. Any return to work is based on a medical statement as to their work limitations, and they must submit the statement to their immediate supervisor for appropriate job assignment.

Section 7. A member can remain in a modified duty status for a period of no more than twelve (12) months for each injury or illness, and must submit a statement from a competent medical authority regarding his work activity status during each thirty (30) calendar day period. If the member is on either modified duty status or disability leave status, they must submit a

doctor's statement releasing them to full work activities before the member can return to their regular duties.

Section 8. When the member has been granted disability leave status, he must refund to LFUCG the amount equal to any Workers Compensation wage payments made to him as a result of the injury or illness in order to be eligible for disability leave status. Any time over ninety (90) calendar days that is spent on disability leave status shall not count toward the member's vacation accrual rate nor shall he accumulate sick leave or vacation leave during such absence from duty. When an official LFUCG holiday occurs, the member shall receive holiday pay but not disability leave pay for that day.

Section 9. If the competent medical authority determines that the member has a permanent disability, the member shall apply, if eligible, to the County Employees Retirement System for disability retirement benefits or apply for alternative LFUCG employment. Failure to apply for disability retirement benefits or alternative employment shall terminate the member's disability leave status short of the twelve (12) months and he may resign or his employment shall be terminated.

Section 10. All substitute modified duty assignments as a result of a work related injury or illness shall be made within the Division of Community Corrections, and must conform to the medical instructions indicated on the medical report authorizing the members leave status.

Section 11. The total time in modified duty and disability combined shall not exceed twelve (12) months for the same injury or illness except that this may be extended at the discretion of the Director for up to an additional six (6) months if there is a definitive return to work date provided by the treating physician.
