Program Name: Home Meal Delivery

LFUCG Partner Agency Program Funding: \$24,000

Program Summary: Moveable Feast provides a hot, nutritious, freshly prepared, home delivered meal to people in Fayette County. Also a cold lunch to the most needy of the clients. In addition weekly grocery bags and we can arrange for nutrition counseling if desired. The meals are provided five days a week. Meals are delivered between 5:00pm and 7:30pm. Meals are adjusted to fit specific dietary requirements (i.e. renal failure, gluten intolerance, diabetes, etc.). In a year's time 275 unduplicated people will be served. The target population are those with HIV/AIDS and those on Hospice Care for any reason (as well as their caregivers and any dependent children in the home) with incomes less than 300 percent of the Federal poverty level. The goals are to improve longevity and quality of life, for HIV/AIDS clients, through better nutrition than client could otherwise afford and/or prepare on their own. Make harsh medication regimens more tolerable. Free up scarce monetary resources to be used toward more stable housing and medications. For Hospice clients; to keep terminally ill elderly clients together in their homes instead of separating them by extensive and expensive nursing home stays because of the onerous responsibility of meal preparation on top of care giving for elderly persons.

Long-Term Program Goals: For the HIV/AIDS clients the program hopes to achieve long term success by providing better nutrition than the client could otherwise afford therefore helping them better able to tolerate tough medication regimens therefore extending longevity and a better quality of life. Also by providing food to low-income persons the goal is to free up scarce resources thereby enabling them to obtain more stable housing, transportation, phone and/or medications. We expect that a certain number of them will improve enough to return to work at least part time.

For the Hospice clients we know that they are not going to get better or return to work but the goals are to provide a better quality of life in the time they have left, ease the burden on the caregiver and to forestall or eliminate costly nursing home stays therefore keeping families together.
