SUBJECT: Speed Table – Blue Ash Drive (Harrodsburg Road to Clays Mill Road)

Request

Authorization to install one (1) speed table on Blue Ash Drive between Harrodsburg Road and Clays Mill Road once the neighborhood match is received.

Why are you requesting?

Blue Ash Drive was evaluated through the Neighborhood Traffic Management Program (NTMP) and met or exceeded criteria for consideration of Type II traffic calming treatments. A petition confirmed a majority of the owners are in favor of installing speed table(s) in an effort to slow down drivers and to discourage cut-through traffic.

What is the cost in this budget year and future budget years?

The cost for this FY is: \$4,500 (\$2,700 NTMP funds plus \$1,800 neighborhood match of 40%)
The cost for future FY is: \$0.00

Are the funds budgeted?

Yes. 1136-303602-3602-91614 Traffic Devices (NTMP)
Future Budget Amendment for neighborhood match – 1101-303602-3606-91614 Traffic Devices
