

RESOLUTION NO. \_\_\_\_\_ - 2021

**A RESOLUTION OF THE LEXINGTON-FAYETTE URBAN COUNTY GOVERNMENT, GIVING PRELIMINARY APPROVAL OF AN INDUSTRIAL REVENUE BOND FINANCING FOR ASTANA LLC, AND ANY AFFILIATES OR ASSIGNEES THEREOF; AUTHORIZING INITIATION OF THE ACQUISITION, CONSTRUCTION, EQUIPPING, AND INSTALLATION OF AN INDUSTRIAL PROJECT; AGREEING TO UNDERTAKE THE ISSUANCE OF ONE OR MORE SERIES OF INDUSTRIAL REVENUE BONDS AT THE APPROPRIATE TIME OR TIMES; AUTHORIZING THE EXECUTION AND DELIVERY OF A MEMORANDUM OF AGREEMENT AND PAYMENT IN LIEU OF TAXES AGREEMENTS IN CONNECTION WITH THE ISSUANCE OF THE BONDS; AND TAKING OTHER PRELIMINARY ACTIONS.**

**WHEREAS**, the Council of the Lexington-Fayette Urban County Government (the "*Issuer*"), has determined that the Issuer may assist Astana LLC, a Kentucky limited liability company, its affiliates and assigns (collectively, the "*Company*"), by pursuing the acquisition, construction, equipping, and installation of the Speigle Heights Redevelopment Project, an industrial project of the Company consisting of the facilities and properties described in **EXHIBIT A** attached hereto (collectively, the "*Project*"), and by entering into, at the appropriate time, a lease agreement with the Company (the "*Lease Agreement*") pertaining to the Project, all pursuant to the authority of Sections 103.200 to 103.285, inclusive, of the Kentucky Revised Statutes ("*KRS*"), as amended (the "*Act*"), and in furtherance of the purposes of the Act and the ensuing public benefit to the residents of the Issuer and its environs, the Lease Agreement to be upon terms and conditions as the Act may require and as the Issuer may deem acceptable; and

**WHEREAS**, the Company has represented to the Issuer that the acquisition, construction, equipping, and installation of the Project, if acquired, constructed, equipped, and installed, will result in new job opportunities within the environs of the Issuer; and

**WHEREAS**, the Issuer is authorized by the Act to issue its industrial revenue bonds for the purpose of defraying the costs of acquiring, constructing, equipping, and installing "industrial building" facilities, which term means all real and personal properties suitable for the Project, including land, buildings, fixtures and equipment; discussions have occurred between representatives of the Company and the Issuer regarding the issuance of industrial revenue bonds by the Issuer to finance the Company's Project; it is the intention of the Issuer, and the Issuer has agreed and hereby agrees with the Company, to issue such industrial revenue bonds upon compliance by the Company with such reasonable conditions and obligations as the Issuer may require and documents incident to such bond issue or issues and upon the agreement of the Company to pay the reasonable costs and expenses of the Issuer related to or arising from such issuance from bond proceeds or other sources; and the Issuer has authorized the Company to proceed with the initiation of the acquisition, construction, equipping, and installation of the Project, subject to reimbursement of the costs of such acquisition, construction, equipping, and installation from the proceeds of the industrial revenue bonds, as and when issued; and

**WHEREAS**, based upon the Company's present estimate of the aggregate costs of the Project together with a reasonable allowance for contingencies and incidental costs, the Issuer proposes to issue its industrial revenue bonds in an aggregate stated principal amount up to \$39,000,000, for a term of up to forty (40) years, to pay the costs of the acquisition of the Project (the "**Bonds**"), including costs incident to the authorization, sale, and issuance of the Bonds and other financing costs, with the understanding that such amount may be increased by subsequent official action of the Issuer upon the Company's request; and the Bonds will be payable solely from payments to be made by the Company under the Lease Agreement and will not be payable from any funds or assets of the Issuer whatsoever; and

**WHEREAS**, due to the Project's location within the development area created by Resolution 100-83, the benefit to that area, and the other unique aspects of the Project, the Issuer is willing to suspend the operation of certain provisions of Ordinance No. 203-80 and the Industrial Revenue/Housing Bonds Policies and Guidelines of the Lexington-Fayette Urban County Government, ratified in Ordinance No. 52-94, which prohibit the Issuer from taking title to property and leasing it back to companies/developers in order to obtain relief from ad valorem taxes typically paid on the improved property; and

**WHEREAS**, the Issuer proposes to enter into the Lease Agreement with the Company at the appropriate time under which the Company will covenant and agree to pay amounts sufficient to provide for the payment of principal of and premium, if any, and interest on the Bonds together with all trustee, paying agent, and servicing agent's fees in connection with the Bonds and any other related charges as the same come due and payable; and

**WHEREAS**, to evidence the Issuer and the Company's preliminary agreement regarding these matters the parties propose to enter into a Memorandum of Agreement substantially in the form set out in **EXHIBIT B** attached hereto (the "**Memorandum of Agreement**"), and to approve the form of each Payment in Lieu of Taxes Agreement substantially in the form set out in **EXHIBIT C** (the "**School PILOT Agreement**"), **EXHIBIT D** (the "**Library PILOT Agreement**"), and **EXHIBIT E** (the "**Lextran PILOT Agreement**").

**NOW, THEREFORE, BE IT RESOLVED AND ORDERED BY THE COUNCIL OF THE URBAN COUNTY GOVERNMENT, AS FOLLOWS:**

**Section 1.** It is hereby found, determined, and declared that the recitals set forth above are hereby incorporated in this Section 1 by reference.

**Section 2.** It is found, determined, and declared that (a) the recitals set forth in the preambles to this Resolution, which are incorporated in Section 1 by reference, are true and correct; (b) the amount of money necessary to be provided by the Issuer through the issuance of the Bonds for the acquisition, construction, installation, and equipping of the Project will be an aggregate amount up to \$39,000,000, the Bonds to have a term of up to forty (40) years; (c) the Company has represented it intends to have sufficient financial resources to acquire, construct, install, and equip the Project and to place it in operation and to continue to operate, maintain, and insure the Project throughout the term of the Bonds, meeting when due the obligations of the

Lease Agreement; and (d) sufficient safeguards shall be provided by the Lease Agreement to insure that all money provided by the Issuer from the proceeds of the sale of the Bonds will be expended, by way of direct expenditure or reimbursement, solely and only for the purposes of the Project financed thereby.

**Section 3.** It is hereby found, determined, and declared that (a) the costs of acquiring, constructing, installing, and equipping the Project will be paid out of the proceeds of the Bonds, such proceeds to be supplemented by contributions of the Company as may be necessary to complete the Company's respective Project; (b) none of the Bonds will be general obligations of the Issuer; (c) neither the Bonds nor the interest thereon shall constitute or give rise to any pecuniary liability whatsoever of the Issuer or any charge against its general credit or taxing power; (d) the Bonds and the payment of interest thereon shall be secured and payable solely by a pledge of amounts to be paid by the Company or otherwise to be available under the Lease Agreement; (e) no part of said costs will be payable out of any general funds, assets, properties, or other contributions of the Issuer; (f) the Issuer shall sell the Bonds only to the Company or an affiliated entity or assignee thereof; and (g) the Company shall pay the fees of the Issuer related to the issuance of the Bonds as specified in Ordinance 21-2021.

**Section 4.** The acquisition, construction, installation, and equipping of the Project may be initiated and undertaken or caused to be initiated and undertaken by the Company forthwith, and the Company is authorized to formulate and develop plans and specifications for the Project and to enter into such contracts and undertakings as may be required for the acquisition, construction, installation, and equipping of the Project. Payments or reimbursements to or on behalf of the Company after the receipt of the proceeds of the sale of the Bonds by the Issuer shall be made as set out in the Lease Agreement.

**Section 5.** The Project constitutes an "industrial building" as provided in KRS 103.200(1)(k) and, being located in the Downtown Development District identified by the Issuer in Resolution No. 100-83, as provided in KRS 103.200(1)(n).

**Section 7.** The Company is authorized and directed to take any other legal action necessary and customary in order to satisfy any prerequisites to the issuance of the Bonds. Counsel for the Issuer and its officers and officials are authorized and requested to assist the Company in any appropriate manner.

**Section 8.** The Memorandum of Agreement attached hereto as **EXHIBIT B** is hereby approved and the Mayor is hereby authorized to execute the Memorandum of Agreement on the Issuer's behalf. With notice to and approval from the Issuer, the Company may assign its rights hereunder by assigning the Memorandum of Agreement.

**Section 9.** It is hereby acknowledged and agreed that the forms of the School PILOT Agreement, Library PILOT Agreement and Lextran PILOT attached hereto as **EXHIBITS C, D and E**, respectively, describe the agreement reached between the Issuer and the Company's representatives regarding the Company's obligations to make payments in lieu of taxes while the Bonds are outstanding and that upon the issuance of the Bonds, the Issuer shall direct its Mayor or its other authorized officials to execute a School PILOT Agreement, Library PILOT Agreement and Lextran PILOT Agreement in the form attached hereto with such changes or revisions as are necessary to reflect the date, par, designation, maturity, and interest rate or rates applicable to the Bonds.

**Section 10.** No funds of the Issuer shall be expended for the costs of issuance of the Bonds or for the costs of the Project, except such as are derived from Bond proceeds.

**Section 11.** All resolutions, municipal orders, and other official actions of the Issuer or parts thereof in conflict herewith are, to the extent of such conflict, hereby rescinded.

**Form of School Payment In Lieu of Taxes Agreement**

**SCHOOL PAYMENT IN LIEU OF TAXES AGREEMENT**

This **SCHOOL PAYMENT IN LIEU OF TAXES AGREEMENT** (this "*Agreement*") is made as of [\_\_\_\_], by and between (a) the **LEXINGTON-FAYETTE URBAN COUNTY GOVERNMENT**, a Kentucky urban-county government established pursuant to the provisions of Chapter 67A of the Kentucky Revised Statutes ("*KRS*" and the "*County*"), and (b) [**ASTANA LLC**, a Kentucky limited liability company] ( the "*Company*").

**RECITALS**

**A.** The Fayette County School District (the "*School District*"), by and through the Board of Education of Fayette County, Kentucky (the "*Board of Education*"), is a body politic and corporate existing under KRS 160.160 and has the authority under KRS 160.460 through 160.476 to levy ad valorem taxes for school purposes on all property subject to local taxation with a taxable situs in the School District ("*School Property Taxes*");

**B.** The Company or an affiliate thereof is currently acquiring, constructing, installing, and equipping the Speigle Heights Redevelopment Project, an industrial project consisting of the facilities and properties described in **Attachment A** attached hereto (the "*Project*"), the Project being located within the County;

**C.** The Project represents new investment and is expected to generate economic development within the County;

**D.** On [\_\_\_\_], the County adopted an ordinance (the "*Ordinance*") providing for, among other things, the issuance of taxable industrial building revenue bonds over a period of years in an aggregate principal amount of up to \$39,000,000 (the "*Bonds*") for the benefit of the Company, pursuant to KRS 103.200 through 103.285, inclusive, (the "*Act*"), to finance the Company's acquisition, construction, installation, and equipping of the Project, to acquire title to the Project, and to lease said Project back to the Company, all pursuant to the Act;

**E.** The County and the Company have agreed that title to the Project will be conveyed to the County and leased back to the Company, pursuant to the Act, so long as the Bonds are outstanding; and

**F.** As a condition of the County's agreement to enter into the documents necessary to vest title to the Project in the County and to effect the lease

of the Project to the Company, the Company has agreed to make certain payments to the School District in lieu of School Property Taxes and to enter into this Agreement with respect thereto;

**NOW, THEREFORE,** in consideration of the foregoing, the mutual agreement of the parties contained herein and other good and valuable consideration, receipt of which is hereby acknowledged, the parties hereto agree as follows:

**Section 1. Recitals Incorporated.** It is hereby found, determined, and declared that the recitals set forth in the preambles to this Agreement, including the definitions contained therein, are true and correct and are hereby incorporated in this Section 1 by reference.

**Section 2. Project Exempt From Taxation.** It is understood, acknowledged, and agreed by the parties that pursuant to KRS 103.285, the Project is exempt from taxation by the County, the Board of Education, and other political subdivisions in Kentucky to the same extent as other public property used for public purposes, so long as same is owned by the County and any balance remains outstanding on the Bonds. It is further understood, acknowledged, and agreed by the parties that:

(a) upon issuance of the Bonds or any series thereof (i) the Company's leasehold interest is exempt from local taxation and (ii) any proportion of the value of the leasehold interest created through any private financing is taxable at applicable state and local tax rates; and

(b) the recording of the Lease Agreement or Lease Agreements with the County Clerk of Fayette County, Kentucky shall constitute the listing of the taxable leasehold interest in real property created thereby pursuant to KRS 132.220.

The Company agrees annually to list any taxable leasehold interest in tangible personal property created by each Lease Agreement by listing such interest on and filing a Form 62A500 (Tangible Personal Property Tax Return).

**Section 3. Agreement To Make PILOT Payments.** In consideration of the County's agreement to issue the Bonds and take all other actions authorized by the Ordinance, the Company hereby agrees that in each calendar year during the term of this Agreement beginning on and after the first January 1<sup>st</sup> assessment date following issuance of the Bonds (each an "*Assessment Date*") that the County owns the Project or any portion thereof, the Company shall make a payment to the School District computed as indicated below for each of the up to forty (40) Assessment Dates during the term of said Bonds or each series thereof unless this Agreement is earlier terminated (each, a "*PILOT Payment*" and together, the "*PILOT Payments*").

**Section 4. Calculation Of PILOT Payments.** The amount of the PILOT Payment in each calendar year that any balance remains outstanding on the Bonds shall be equal to the Abated School Property Tax, less any School Property Taxes paid by the Company on any portion

of the value of the leasehold interest in the Project owned by the County created through any private financing.

(a) *“Abated School Property Tax”* for any calendar year equals the product of (i) the Fair Cash Value (as hereinafter defined) of the Project or portion thereof financed by the Bonds and owned by the County as of the January 1<sup>st</sup> of such calendar year which would be subject to School Property Taxes if the Project were owned by a tax-paying entity absent application of KRS 103.285, multiplied by (ii) (A) the ad valorem tax rate levied by the Board of Education for such calendar year under KRS 160.460 through 160.476, less (B) the minimum local tax effort of thirty cents (\$0.30) per \$100 of assessed property valuation (the *“PILOT Tax Rate”*).

(b) If, in any calendar year during which the foregoing calculation is made, the Board of Education has levied different ad valorem tax rates on different classes of property subject to School Property Taxes, the foregoing calculation shall be made separately for each such class of property that is included within the portion of the Project financed by the Bonds.

**Section 5. Determination Of Fair Cash Value Of The Project.** The *“Fair Cash Value”* of the real property portion of the Project shall be as determined annually by the Fayette County Property Valuation Administrator. The *“Fair Cash Value”* of the personal property portion of the Project shall be determined using its original cost, age and the applicable trending tables published by the Department of Revenue, Kentucky Finance and Administration Cabinet, in its annual Form 62A500 (Tangible Personal Property Tax Return), adjusted to take into account the scrapping, removal, or other disposition of personal property in the ordinary course of business.

**Section 6. Timing Of PILOT Payments.** Any PILOT Payment payable in any calendar year hereunder shall be paid at the same time and in the same manner as School Property Taxes for such calendar year, except that the Company shall deliver the PILOT Payment directly to the School District at the address provided in Section 8 below, instead of the regular tax collector, along with supporting calculations. Each PILOT Payment shall be due and payable in full no later than two months from the date the bill for the School Property Taxes is issued in accordance with KRS 134.015; provided, however, if the Company pays a PILOT Payment to the School District on or before any discount date established pursuant to KRS 134.015, the Company may reduce the PILOT Payment by the corresponding discount percentage, and provided further that the Company pays a PILOT Payment to the School District after the due date established pursuant to KRS 134.015, the Company shall increase the PILOT Payment by the corresponding penalty percentage.

**Section 7. Termination.** Notwithstanding any other provision herein and with the exception of Sections 1 and 2 hereof, this Agreement shall terminate on the day immediately following the earlier to occur of either (a) the first date that title to the Project is no longer held by the County or (b) the first date that no Bonds issued by the County pursuant to the Ordinance remain issued and outstanding.

**Section 8. Notices and Payments.**

**LIBRARY PAYMENT IN LIEU OF TAXES AGREEMENT**

This **LIBRARY PAYMENT IN LIEU OF TAXES AGREEMENT** (this "*Agreement*") is made as of [\_\_\_\_], by and between (a) the **LEXINGTON-FAYETTE URBAN COUNTY GOVERNMENT**, a Kentucky urban-county government established pursuant to the provisions of Chapter 67A of the Kentucky Revised Statutes ("*KRS*" and the "*County*"), and (b) **[ASTANA LLC, a Kentucky limited liability company]** ( the "*Company*").

**RECITALS**

**A.** The Lexington Library Board of Trustees (the "*Library Board*") is a unit of the County established pursuant to KRS 173.310(1) and funded by an annual general appropriation of the County equivalent to the revenue generated by a countywide ad valorem tax rate of \$0.05 per \$100 worth of property assessed for local taxation pursuant to KRS 173.360(1) ("*Library Appropriations*");

**B.** The Company or an affiliate thereof is currently acquiring, constructing, installing, and equipping the Speigle Heights Redevelopment Project, an industrial project consisting of the facilities and properties described in **Attachment A** attached hereto (the "*Project*"), the Project being located within the County;

**C.** The Project represents new investment and is expected to generate economic development within the County;

**D.** On [\_\_\_\_], the County adopted an ordinance (the "*Ordinance*") providing for, among other things, the issuance of taxable industrial building revenue bonds over a period of years in an aggregate principal amount of up to \$39,000,000 (the "*Bonds*") for the benefit of the Company, pursuant to KRS 103.200 through 103.285, inclusive, (the "*Act*"), to finance the Company's acquisition, construction, installation, and equipping of the Project, to acquire title to the Project, and to lease said Project back to the Company, all pursuant to the Act;

**E.** The County and the Company have agreed that title to the Project will be conveyed to the County and leased back to the Company, pursuant to the Act, so long as the Bonds are outstanding; and

**F.** As a condition of the County's agreement to enter into the documents necessary to vest title to the Project in the County and to effect the lease of the Project to the Company, the Company has agreed to make certain payments

to the Library Board in lieu of Library Appropriations and to enter into this Agreement with respect thereto;

**NOW, THEREFORE,** in consideration of the foregoing, the mutual agreement of the parties contained herein and other good and valuable consideration, receipt of which is hereby acknowledged, the parties hereto agree as follows:

**Section 1. Recitals Incorporated.** It is hereby found, determined, and declared that the recitals set forth in the preambles to this Agreement, including the definitions contained therein, are true and correct and are hereby incorporated in this Section 1 by reference.

**Section 2. Project Exempt From Taxation.** It is understood, acknowledged, and agreed by the parties that pursuant to KRS 103.285, the Project is exempt from taxation by the County and other political subdivisions in Kentucky to the same extent as other public property used for public purposes, so long as same is owned by the County and any balance remains outstanding on the Bonds. It is further understood, acknowledged, and agreed by the parties that:

(a) upon issuance of the Bonds or any series thereof (i) the Company's leasehold interest is exempt from local taxation and (ii) any proportion of the value of the leasehold interest created through any private financing is taxable at applicable state and local tax rates; and

(b) the recording of the Lease Agreement or Lease Agreements with the County Clerk of Fayette County, Kentucky shall constitute the listing of the taxable leasehold interest in real property created thereby pursuant to KRS 132.220.

The Company agrees annually to list any taxable leasehold interest in tangible personal property created by each Lease Agreement by listing such interest on and filing a Form 62A500 (Tangible Personal Property Tax Return).

**Section 3. Agreement To Make PILOT Payments.** In consideration of the County's agreement to issue the Bonds and take all other actions authorized by the Ordinance, the Company hereby agrees that in each calendar year during the term of this Agreement beginning on and after the first January 1<sup>st</sup> assessment date following issuance of the Bonds (each an "**Assessment Date**") that the County owns the Project or any portion thereof, the Company shall make a payment to the Library Board computed in Section 4 for each of the up to forty (40) Assessment Dates during the term of said Bonds or each series thereof unless this Agreement is earlier terminated (each, a "**PILOT Payment**" and together, the "**PILOT Payments**").

**Section 4. Calculation Of Library PILOT Payments.** The PILOT Payment for the first five Assessment Dates that any balance on the Bonds is outstanding shall be One Thousand Five Hundred Dollars (\$1,500). For the remaining Assessment Dates that any balance remains outstanding on the Bonds, the PILOT Payment shall be equal to the product of (i) the Fair Cash Value (as hereinafter defined) of the Project or portion thereof financed by the Bonds and owned by the County as of the January 1<sup>st</sup> of such calendar year which would be subject to County ad

valorem property taxes if the Project were owned by a tax-paying entity absent application of KRS 103.285, multiplied by (ii) the Library PILOT Rate. “*Library PILOT Rate*” shall be the following rates for the following years during the term of the Bonds:

Year of Bond Term	Library PILOT Rate
Year 6-10	\$0.05 per \$100 of 50 percent of Fair Cash Value
Year 11-20	\$0.05 per \$100 of Fair Cash Value
Year 21-40	\$0.06 per \$100 of Fair Cash Value

**Section 5. Determination Of Fair Cash Value Of The Project.** The “*Fair Cash Value*” of the real property portion of the Project shall be as determined annually by the Fayette County Property Valuation Administrator. The “*Fair Cash Value*” of the personal property portion of the Project shall be determined using its original cost, age and the applicable trending tables published by the Department of Revenue, Kentucky Finance and Administration Cabinet, in its annual Form 62A500 (Tangible Personal Property Tax Return), adjusted to take into account the scrapping, removal, or other disposition of personal property in the ordinary course of business.

**Section 6. Timing Of PILOT Payments.** Any PILOT Payment payable in any calendar year hereunder shall be paid at the same time and in the same manner as County ad valorem property taxes for such calendar year, except that the Company shall deliver the PILOT Payment directly to the Library Board at the address provided in Section 8 below, instead of the regular tax collector, along with supporting calculations. Each PILOT Payment shall be due and payable in full no later than two months from the date the bill for the County ad valorem property taxes is issued in accordance with KRS 134.015; provided, however, if the Company pays a PILOT Payment to the Library Board on or before any discount date established pursuant to KRS 134.015, the Company may reduce the PILOT Payment by the corresponding discount percentage, and provided further that the Company pays a PILOT Payment to the Library Board after the due date established pursuant to KRS 134.015, the Company shall increase the PILOT Payment by the corresponding penalty percentage.

**Section 7.
