Any capitalized term used herein and not defined herein shall have the meaning ascribed to it in the Agreement.

* Lessee is responsible for applicable taxes, shipping, and other amounts as described in the Agreement, and, with the first payment of Rent, any prorated Rent, if applicable. Such amounts are further described in Exhibit "A".

** The Commencement Date may be extended for one Payment Period until the Schedule is returned in accordance with the terms stated in the Agreement. Lessor may charge Lessee prorated Rent accruing from the Acceptance Date to the Commencement Date, as such date is finally determined.

TRUE LEASE PROVISIONS

The following provisions shall apply to this Schedule in addition to the provisions in the Agreement:

1. TRUE LEASE: The parties intend for this lease to constitute a true lease of Products under the UCC and all applicable laws. If this Lease is determined to be a lease intended as security, in no event shall Lessee be obligated to pay any time price balance differential in excess of the maximum amount permitted by applicable law (as specified herein or the state where the Products are located, whichever law permits the greater amount). In the event Lessor shall receive anything of value under a Lease that is deemed interest which would exceed the maximum amount of interest allowed under the law, the excess amount shall be applied to the reduction of the unpaid time price balance or shall be refunded to Lessee. In order to reduce the unpaid time price balance, any amount deemed interest shall, to the fullest extent permitted by applicable law, be amortized and spread uniformly throughout the Lease Term."

2. END OF LEASE OPTIONS.

(a) Provided that no Event of Default has occurred and is continuing, and at least 90 days but no more than 180 days prior to the expiration of the Primary Term (the "Expiration Date"), Lessee will give irrevocable written notice to Lessor of its intention to either:

- (i) purchase all of the Products at the Fair Market Value (as defined below);
- (ii) renew the Lease Term for a minimum of six (6) months at a rate and for a term agreed upon by both parties; or
- (iii) return all of the Products in accordance with the Agreement.

(b) If Lessee exercises the option to purchase the Products then, upon receipt of payment of the "Fair Market Value" (defined below), plus applicable taxes, Lessor will sell the Products to Lessee AS IS-WHERE IS, WITHOUT WARRANTY

OR RECOURSE, EXPRESS, IMPLIED OR OTHERWISE, INCLUDING ANY WARRANTIES OF DESIGN, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR AGAINST INFRINGEMENT. The Fair Market Value purchase price shall be paid on or before the last day of the Primary Term. "Fair Market Value" means the price of the Products, installed, in use and in the condition required by the Agreement as determined by Lessor in its reasonable judgment. If Lessee disagrees with the Fair Market Value, Lessee shall notify Lessor in writing within 60 days prior to the Expiration Date and, upon Lessee's request, and within ten (10) days after receipt of Lessee's notice, Lessor shall appoint a qualified appraiser reasonably acceptable to Lessee to appraise the retail value of the Products. The amount determined by such appraiser shall be the final Fair Market Value. Lessor and Lessee shall share the expense of such appraisal equally.

(c) If Lessee desires to renew a lease, Lessee and Lessor shall enter into a supplement to this Schedule describing the length of the renewal Lease Term and the renewal Rent provided, however, all other terms of this Schedule and the Agreement shall remain in full force and effect.

(d) Whether or not Lessee has given Lessor notice of its intent as described above, if Lessee does not return or purchase the Products or renew the Lease as required above, the Lease Term shall automatically extend on a month-to-month basis at the Rent in effect on the Expiration Date (prorated on a monthly basis if the Payment Period was other than monthly during the Primary Term). Such extension shall continue until Lessee: (i) provides thirty (30) days prior written notice of its intention to return or purchase the Products (to take effect on the next Rent payment date that is at least 30 days after the notice is received by Lessor) and (ii) either returns or purchases all of the Products in accordance with the End of Lease options above. Payments of Rent during the month-to-month extension are due and payable monthly as specified in Lessor's invoice. If Lessee fails to return or purchase any Products, the Schedule and associated Rent for the Products that have not been returned or purchased shall extend on a month-to-month basis in accordance with the prior sentence.

3. **COMPLETION OF SCHEDULE.** Lessee hereby authorizes Lessor to insert or update the serial numbers of the Products from time to time if necessary.

If Lessee delivers this signed Schedule, any amendment or other document related to this Schedule or the Master Lease (each a "Document") to Lessor by facsimile transmission, and Lessor does not receive all of the pages of that Document, Lessee agrees that, except for any pages which require a signature, Lessor may supply the missing pages to the Document from Lessor's database which conforms to the version number at the bottom of the page. If Lessee delivers a signed Document to Lessor as an e-mail attachment, facsimile transmission or by U.S. mail, Lessee acknowledges that Lessor is relying on Lessee's representation that the Document has not been altered. Lessee further agrees that, notwithstanding any rule of evidence to the contrary, in any hearing, trial or proceeding of any kind with respect to a Document, Lessor may produce a tangible copy of the Document transmitted by Lessee to Lessor by facsimile or as an e-mail attachment and such signed copy shall be deemed to be the original of the Document. To the extent (if any) that the Document constitutes chattel paper under the Uniform Commercial Code, the authoritative copy of the Document shall be the copy designated by Lessor or its assignee, from time to time, as the copy available for access and review by Lessee, Lessor or its assignee. All other copies are deemed identified as copies of the authoritative copy. In the event of inadvertent destruction of the authoritative copy, or corruption of the authoritative copy for any reason or as the result of any cause, the authoritative copy may be restored from a backup or archive copy, and the restored copy shall become the authoritative copy. At Lessor's option, this electronic record may be converted into paper form. At such time, such paper copy will be designated or marked as the authoritative copy of the Document.

By signing below, each of the parties hereto agrees to be bound by the terms of the Agreement, this Schedule and the attached Exhibit "A".
