RE: Legal review of ROW Closure of old Hagerman Ct

This memorandum is to request the legal review of a request to close the public right of way denoted in the attachments. LFUCG divisions and utility representatives have reviewed, and those comments are summarized below for your review. Should you have any questions regarding this request, please feel free to contact me at (859) 258-3407.

LFUCG INTERNAL

Emergency Services

Division of E911 & Addressing: The Office of Addressing is in agreement with the realignment of Hagerman Court. (Robert Poage)

Division of Fire: TBD. I am able to provide Fires approval for the closing of the portion of Hagerman Ct that once connected to East Maxwell. (Lt. Brian Morgan)

Environmental Quality & Public Works Divisions

Division of Engineering: Engineering is fine with the closure. (Doug Burton)

Division of Environmental Services: Final sign off confirmed. (Jennifer Carey)

Division of Streets & Roads: Streets and Roads has no objection. (Robert Allen)

Division of Traffic Engineering: Traffic Engineering has no facilities within and does not object to abandoning the old R/W of Hagerman Court. (Jeff Neal)

Division of Water Quality: Water Quality approves of this closure. (Mark Sanders)

Other LFUCG Divisions

Division of Planning: The division of planning has no objections. (Christopher Evilia)

EXTERNAL

NISOURCE (Columbia Gas): We have a relocation agreement with the developers, and they agree to provide us with new easement if needed, therefore I think we are good. Closure approved by Columbia Gas. (Tony Tipton)

Kentucky American Water: KAWC takes no issue with the full retirement of “old Hagerman Ct.” (Tyler Singer)

Kentucky Utilities: KU had no issue with proceeding with the Hagerman Court street abandonment (Jordan Kiser).

Windstream: The section of Hagerman Ct that is being vacated is currently clear of Windstream facility, and we have no objections with this. (Deborah Saddler).

MetroNet: MetroNet has no objection to the full retirement of old Hagerman Ct. (Lori Kemper).
