SUBJECT: Bid 20-2021 Hospital PPE Kits

Bids for Hospital PPE Kits for the Division of Emergency Management were received in the Division of Central Purchasing on March 8, 2021.

Ionwave notified six hundred and twenty eight (628) vendors. Three (3) bids were received. Malor & Company, Inc. was the low bid, but their proposed equipment failed to meet our specifications. US SafetyGear, Inc. did not bid the requested suit.

The bid from Aramsco, Inc. meets the bid specifications and is within budgetary constraints; therefore, I recommend Aramsco, Inc.
