

MEMORANDUM

TO: Mayor Linda Gorton
Urban County Council

FROM: 
Antonio Baldon, Director
Division of Waste Management

DATE: June 3, 2025

SUBJECT: Request Council Authorization to Enter Into a Sole Source Agreement between Lexington's Division of Waste Management and Lexington Habitat for Humanity for the Recycling and Reuse of Latex Paint Material

Request: The purpose of this memorandum is to request council approval for a sole source agreement with Lexington Habitat for Humanity for the recycling and reuse of latex paint material.

Authorization to: Approve a sole source agreement with Lexington Habitat for Humanity.

Why are you requesting? This program allows Lexington residents to drop off unwanted latex paint material to be recycled and reused at the Lexington Habitat for Humanity ReStore at 451 Southland Drive year-round. The ReStore mixes the latex paint into new colors that can be reused instead of being sent to the landfill. The ReStore repurposes approximately 4,000 gallons of latex paint each year and will be reimbursed on a monthly basis at the same rate as the current household hazardous waste vendor price contract (\$0.23 per pound with the average gallon of latex paint weighing 11 pounds). ReStore will invoice the Division monthly for latex paint received and processed. Either party may terminate this agreement with 60 days' notice prior to the termination date.

What is the cost in this budget year and future budget year?

The cost for this FY is: \$0

The cost for future FY is: \$60,000

Are the funds budgeted? Yes.
