Investments shall be diversified according to maturity in order to meet projected cash flow needs.

Collateral pledged to secure uninsured deposits shall be held at a federal reserve bank with the receipt providing absolute control by the agency.

(2) Retirement funds, endowment funds, long-term capital reserve funds and any other special funds

may be held and invested by a local bank trust department under investment objectives and diversification in accordance with the individual nature of the funds and pursuant to the "prudent man" investment rule as well as general trust law.

(3) All investments shall be reviewed monthly by a finance or investment committee of the agency.

(4) Local brokerage firms may hold and invest funds provided that investments are located within Kentucky and are full insured.

## Addendum

**Agency:** NAMI Lexington (KY), Inc.

**Program Name:** Participation Station, Inc.

**LFUCG Partner Agency Program Funding:** \$48,450

**Program Summary:** Participation Station (PS) is a Peer-Support Center serving individuals with serious mental illness (SMI) in Fayette County. The program is entirely peer-operated and peer-driven and grounded in the belief that consumers must be involved as partners in their own recovery. Providing assistance to others furthers the recovery process for individuals with SMI. Over 500 individuals received services free of charge in 2012. The program provides structural supports and requisite skills for symptom management, enabling consumers to successfully return to/remain in the community. The PS facility is donated through a partnership with Bluegrass Regional MH-MR Board, Inc. and provides the venue to centralize peer-to-peer programs and offer daily (7days a week) operations.

**Long-Term Program Goals:** 1. Create a center of excellence for peer-operated services in Lexington that is replicable and sustainable throughout the state; 2. Increase and strengthen our outreach efforts for Veterans and their families, the African-American community, the Hispanic-American community, the LGBTQI community and others as we gain cultural competence in those areas; 3. Change the perception of mental illness in our community, introducing the possibility of recovery from severe mental illness; 4. Decrease recidivism (circular jail, hospital admissions, and homelessness) and increase periods of sustained wellness for participants; 5. Expand availability of co-occurring mental health/substance abuse programming such as Double Trouble in Recovery groups; 6. Mitigate economic burden to community and State as a result of mental illness conditions; 7. Decrease admissions and re-admissions to Eastern State Hospital
