Appendix A

Alcohol and Drug Free Workplace Policy

In an effort to create a safe work environment for our workforce, there will be an alcohol-free and drug-free environment. As a condition of hire, applicants must pass a drug- screening test provided via Urgent Treatment Center (UTC). While passing the test is a condition of employment, successful completion of the test does not guarantee employment. The results of this test may be shared with LFUCG and the Division of Waste Management where contract employees will be assigned.

Illegal Drugs

The use, distribution, dispensing, sale, offering for sale, possession, purchase, manufacture, or trading of illegal drugs on Lexington-Fayette Urban County Government (LFUCG) premises or in any other work-related environment is strictly prohibited. The prohibition of illegal drug activity includes occasions when an employee is representing LFUCG at events beyond normal work hours.

Alcohol

Workers are not permitted to consume alcohol while on premises or while conducting LFUCG business.

Prescription and OTC Drugs

Workers are prohibited from the misuse or abuse of any prescription and over the counter (OTC) drugs. Workers who are using prescribed or OTC drugs for existing medical conditions must inform vendor and LFUCG of such treatment to discuss the impact of job duties or assignment if the drugs have possible side effects that could affect job performance or if the drugs alter an employee's physical or mental abilities.

Policy Violations

Workers who violate this policy will be immediately dismissed.

Reemployment

Workers that previously worked on a job assignment, who are being considered for a new assignment, must submit to another drug screening if it has been more than sixty (60) calendar days since their last test.

Testing

The selected vendor will provide the initial drug-screening test. Initial drug testing will take place on date of hire as a temporary contract employee eligible for placement prior to first placement at an LFUCG location. If the applicant passes this test, they will be eligible to work at an LFUCG location. If an applicant fails the drug- screening test, they will not be eligible to work at an LFUCG location. The worker has the option to retest after 30 days. If at that time the test is negative, they will be eligible to work. If the test is failed a second time, the applicant will not be eligible to work at any LFUCG location. Additionally, if the applicant does not show to retest after 30 days, they will not be eligible for future contract employment with LFUCG.

In addition, if an applicant is hired, the selected vendor reserves the right to conduct reassignment testing, random testing, and post-accident testing or just cause testing. Just cause will include but not be limited to:

1. Erratic Employee Behavior
2. Smell of alcohol on employee
3. Observation of questionable behavior by supervisor, manager or other employees.

Failure to submit is cause for dismissal. Additionally, if an applicant fails any type of drug or alcohol screening while currently employed under this contract, they will be terminated immediately.

Appeals Process: Applicants who disagree with positive initial drug-screening test results may request a laboratory confirmation test this will require applicant paying a deposit of $35.00 within 24 hours. The second test will be conducted on the original urine sample by an accredited laboratory. If the confirmation testing is negative, the applicant will be refunded the deposit. If the applicant chooses not to contest the initial drug screening, the results will remain positive and will be subject to our retesting policy listed in this form.

By signing below the applicant acknowledges that they have read and fully understand the selected vendor's Drug/Alcohol Screening Policy.
