NUMBER

<p>TO: Commander Newman Bureau of Special Operations</p>	<p>SUBJECT: RJ Corman Donation</p>
<p>FROM: Lieutenant Mark Brand Bureau of Special Operations</p>	

Commander :

This memo is in reference to a donation from RJ Corman to Safety City. Safety City which has been part of the Police Department since 1992 teaches kids bicycle and traffic safety. As part of the lesson the children drive motorized carts along a path through a small replica of the city. Part of that replica is a railroad crossing which has since become inactive. RJ Corman has offered to donate material worth \$9484.23 to repair the railroad crossing so children would understand how to navigate an actual rail road crossing safely. RJ Corman has provided us with a list of the materials they wish to donate.

Please forward to the Chief's office to be sent to council for approval

Sincerely;

Lt Mark Brand
Bureau of Special Operations
