Installation of your play equipment as per manufacturer's specs - see note below.

Quantity: 1

Total:

Item Notes: Installation of your play equipment as per manufacturer's specs: _____ % of cost of equipment (not including edging or safety surface). The Contractor shall include accepting the freight on the project site or location of choosing, secure storage of the equipment for the duration of the project and disposal of all overburden and refuse off-site. For those shipments requested to be sent to Owner's storage facility at Masterson Station Park, 3051 Leestown Rd., Lexington, KY 40511, Vendor shall include cost of picking up at this location and providing safe and proper storage during installation. Contractor shall use temporary plastic fencing; employ security, or other means to protect work until final inspection and acceptance by Owner. If proper precautions are not taken, Contractor will be responsible for re-installing equipment properly at their cost. Contractor is also responsible for insuring that play does not occur on equipment until final acceptance by Owner. Owner guarantees inspection within 2 business days of notice of completion. Contractor is responsible for any lost, stolen or damaged equipment during installation.
