- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

RUSH SHIPPING POLICY

Life-Assist never charges a rush fee on any order. Orders in by 4pm CST ship same day. The dedicated warehouse for your department is in Lenexa, KS providing a 2-day ground delivery window. If Next Day Air shipping is required, additional freight charges may apply.

INVENTORY LEVELS

Life-Assist will adjust inventory levels at the time of award based on estimated annual usage provided by your agency. We use an electronic warehouse management system for inventory control and tracking customer allocations, lot numbers and expiration dates for all the products we provide. Manual adjustments are made as needed.

DISTRIBUTION AND DELIVERY PROCESS

Stock availability is clearly indicated on our website. When an order is placed, a confirmation email is sent to the email login address used to complete the order. The confirmation includes any items not in stock at the time the order is being processed (if applicable) and provides an estimated availability date. Our Customer Care Specialists can also provide stock availability by phone.

The shipping location is identified, and an order number is generated. Each order is processed independently, ensuring it is shipped to its specified address. As many of our customers have multiple locations, this system ensures multiple shipping locations are never an issue.

Once an order ships from our warehouse, an invoice is immediately generated for the items shipped. We have a 99% fill rate and adapt our inventory levels according to the needs of our customers to ensure backorders are kept to a minimum. If necessary, we also offer the ability to provide drop shipments directly from the manufacturer. Invoices are sent according to the method requested. In unlikely cases involving invoicing or product issues, backorders, mis-shipments, etc., the Customer Care Department will address them immediately.

Delivery & Distribution

SUBSTITUTIONS & ALTERNATIVE PRODUCTS

If substitutions are needed for any reason, your dedicated Account Manager will work with you directly to accommodate your needs. Customers are notified of any long-term backorder items or no longer available items as soon as the manufacturer provides information. Our Product Specialist Team searches for alternatives if the manufacturer does not offer a replacement item based on the needs outlined by your dedicated Account Manager.

EXPIRATION DATES

All items are shipped with a minimum 12-month expiration date. Should an item be available with less than a 12-month expiration date, customers are notified at the time of order and their approval is required prior to shipment. ESCALATION/DE- ESCALATION PRICE POLICY

It is Life-Assist's intent to hold prices for the initial term of the contract.

Manufacturers have been significantly increasing prices on pharmaceuticals, supplies, and PPE items over the past few months due to **COVID-19**.

Life-Assist will hold the bid pricing firm unless we receive significant increases from our manufacturer partners. At that time, any price changes will be presented in writing with manufacturer documentation. Price changes will be mutually agreed upon or the item(s) may be removed and/or an alternative product will be suggested.

Life-Assist will offer price decreases as well when given decreases from our manufacturers. It is our intent to provide a valued partnership and believe all decreases should benefit our customers.
