Expungement Clinic & Job
Fair**

LEXINGTON

Racial Justice & Equality Report Recommendations

- As we see positive growth in affordable housing, jobs coming to the region, and increased access to education, there are still barriers that limit people from accessing opportunities.
- Past minor criminal or traffic convictions can act as barriers to employment.

What Is An Expungement & Why Does It Matter?

- Clears a person's criminal record of petty crimes for which time has been served.
- Applies only to Class D felonies and some misdemeanors
- For people who have had a clean record for five consecutive years
- Expungements increase household income by 25% on average
- Voting rights restored
- Able to receive financial aid for college
- Eligible for professional licensures
