JEFFERY NEAL
DIRECTOR

Jeffery Neal, Director
Division of Traffic Engineering

SUBJECT: Speed Limit Change – Viley Road (Versailles Road to Alexandria Drive)

Request

Authorization to change the posted speed limit of Viley Road from 25 mph to 35 mph.

Why are you requesting?

A group of area residents through the Council Office requested a speed limit review by Traffic Engineering. Viley Road was reclassified from a local to a collector street in 2022 and a review indicated the existing speed limit should be raised to 35 mph to more closely reflect speeds at which drivers are traveling along the corridor. The rural cross-section, relatively few driveways, and low crash rate further justify a higher speed limit.

What is the cost in this budget year and future budget years?

The cost for this FY is: \$ 0.00
The cost for future FY is: \$ 0.00

Are the funds budgeted?

Yes
