**SUBJECT:** Extended Hours of Operation

As a result of the funding provided by the Lexington Police Department to the Children's Advocacy Center of the Bluegrass, our office has extended hours of operation and created additional slots for forensic interviews.

The Children's Advocacy Center will now be open until 6:00 p.m. on Tuesdays and Thursdays. In addition, we have added six new slots each week for forensic interviews. Priority for these interview slots will be given to cases being investigated by the Lexington Police Department. The new operating hours and schedule are effective immediately.

To arrange interviews or take advantage of the extended hours detectives should continue to contact our office at 859-225-5437.
