SUBJECT: Bid 24-2021 Smoke Alarms Rebid

Bids for Smoke Alarms for the Division of Fire & Emergency Services were received in the Division of Central Purchasing on March 29, 2021.

Ionwave notified two hundred eighty three (283) vendors with nine (9) vendors viewing the document. Four (4) bids were received. Although Grainger was the low bidder for the AC powered (hardwired) smoke alarms, after further investigation, we discovered they were unable to supply the 2 adapters required.

The bid from eAccess Solutions, Inc. meets the bid specifications and is within budgetary constraints; therefore, I recommend eAccess Solutions, Inc.
