EQUAL OPPORTUNITY AGREEMENT

The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

I/We agree to comply with the Civil Rights Laws listed above that govern employment rights of minorities, women, Vietnam veterans, handicapped and aged persons.

6. DRAWINGS

6.1 General. The A/E shall prepare drawings in a manner that clearly and adequately delineates the work to be accomplished by the construction contractor. Design documents will be sufficiently detailed to permit construction contractors to submit responsive bids. The cover sheet will be signed and stamped by a principal of the firm who is a registered professional engineer/architect. All drawings will be created using Computer Aided Design and Drafting (CADD) technology. Electronic versions of the drawings are provided to the bidders at the time of issue. The format for these files may be either CAL or PDF.

6.2 CADD Files. One CADD Sheet File shall be used per drawing (sheet). All design and site condition features will be shown in model files and referenced together to create individual sheet files. CADD designs shall be developed to provide complete project information that will enable the end users to utilize CADD to its fullest. All CADD development shall be based on the understanding that project CADD files will be provided by LFUCG to the construction contractor for as built purposes, and to the end user for their use. Success in the development of usable as-built drawings requires a quality project from the designer. To accommodate this, it is require that the following will be done:

6.2.1 Unless specifically approved, all projects must provide for all files to be placed in one directory. All unnecessary reference files shall be detached, and all files attached for 'designer information' shall be labeled as such in the description field. The designer shall propose the structure, and identify how each individual directory will be used. Where this may result in mapping reference files across directories, the design shall indicate the method for controlling this mapping to prevent loss of files because of remote attachment. It is mandatory that when such a setup is used that mapped directory paths not be used for attachments. Variables shall be used so that project configurations can be created or system variables created for future users to properly view the files. A description of each variable and mapping shall be provided with electronic file submittals.

6.2.2 In general, the A/E will be required to submit electronic copies as a part of the final submittal at advertisement, at award, and after modifications during construction (errors and omissions under this task order, design changed by modification to this task order). These files will be provided by LFUCG to the construction contractor for use during construction and for use in the as-built process, the end user for their information, and maintained as a record. These copies should contain identical information.

6.2.3 Electronic files for individual amendments may be required during the project bidding period. It is required that at the end of the bidding period that a complete set of revised electronic files be provided that includes updated files for drawings reissued during the bidding period, and updated to include all amendments issued during the bidding period. When modifications during construction result in the development of new drawings, the designer shall provide updated electronic files for the affected files (for errors and omissions under this task order; design changed by modification to this task order).

6.2.4 Electronic files shall be provided on compact disc. Each disc shall be clearly labeled with the date of the compact disc (to the day), the level of completion of the files, and project location and name.

6.3 Format. All drawings and sketches will be provided in both hard copy and appropriate CADD file format. Full-sized drawings shall be developed as ANSI "D" size sheets. Original drawings and details must be of adequate size, and be clear and sharp to allow the use of half-size reproducible drawings that are legible and easy to read copies.

6.3.1 Drawings shall be original ready for reproduction. Line work and lettering must be large enough to be legible.

6.3.2 Provide detailed design drawings such that fabricators have a solid basis of design for shop drawings particularly in the following areas: critical structural connections, critical reinforcing details, and support and suspension sub-structures for mechanical equipment, including seismic support.

6.3.3 Show ¼" (1:50) scale plan and cross-section views of mechanical and electrical rooms showing layout, dimensions and clearances for equipment and ducts.

6.4 Quality Control Measures for Electronic Files. The following items represent Quality Control items that must be in place by the designer.

6.4.1 Procedures for assuring translates files are fully usable and are complete representations of the design.

6.4.2 Procedure for assuring CAL/PDF files provided for advertisement are complete and reflect the design, and that the PDF files provided are complete and correct.

6.4.3 Procedure to assure uniformity between files which includes such items as consistent sheet size and consistent use of a sheet border reference file (or files as needed) throughout the project.

7 SPECIFICATIONS

7.1 General. The A/E is responsible for obtaining all other information necessary to complete all specification sections. Specifications shall conform to industry standards for format and content as established by CSI Manual of Practice.

7.2 Final specifications will be submitted hard copies and on disk in Microsoft Word.

8 CONSTRUCTION COST ESTIMATING

8.1 Format. The A/E shall prepare cost estimated commensurate with the level of design detail for this project.

8.2 Cost Estimate Submittal. The current working estimate (CWE) shall be submitted in PDF format separate from the other design documents.

9 RESPONSIBILITY AFTER DESIGN COMPLETION

9.1 A/E Services During Construction.

9.1.1 A/E Services During Construction. A/E will review construction contractor submittals, conduct on-site inspections and review/approve contractor substitutions.

BLANKET ADDITIONAL INSURED (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. The following is added to WHO IS AN INSURED (Section II):

Any person or organization that you agree in a "contract or agreement requiring insurance" to include as an additional insured on this Coverage Part, but only with respect to liability for "bodily injury", "property damage" or "personal injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

- a. In the performance of your ongoing operations;
- b. In connection with premises owned by or rented to you; or
- c. In connection with "your work" and included within the "products-completed operations hazard".

Such person or organization does not qualify as an additional insured for "bodily injury", "property damage" or "personal injury" for which that person or organization has assumed liability in a contract or agreement.

The insurance provided to such additional insured is limited as follows:

- d. This insurance does not apply on any basis to any person or organization for which coverage as an additional insured specifically is added by another endorsement to this Coverage Part.
- e. This insurance does not apply to the rendering of or failure to render any "professional services".
- f. The limits of insurance afforded to the additional insured shall be the limits which you agreed in that "contract or agreement requiring insurance" to provide for that additional insured, or the limits shown in the Declarations for this Coverage Part, whichever are less. This endorsement does not increase the limits of insurance stated in the LIMITS OF

INSURANCE (Section III) for this Coverage Part.

B. The following is added to Paragraph a. of 4. Other Insurance in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):

However, if you specifically agree in a "contract or agreement requiring insurance" that the insurance provided to an additional insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such additional insured which covers such additional insured as a named insured, and we will not share with the other insurance, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal injury" for which coverage is sought arises out of an offense committed;

after you have entered into that "contract or agreement requiring insurance". But this insurance still is excess over valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the insured when the insured is an additional insured under any other insurance.

C. The following is added to Paragraph 8. Transfer Of Rights Of Recovery Against Others To Us in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):

We waive any rights of recovery we may have against any person or organization because of payments we make for "bodily injury", "property damage" or "personal injury" arising out of "your work" performed by you, or on your behalf, under a "contract or agreement requiring insurance" with that person or organization. We waive these rights only where you have agreed to do so as part of the "contract or agreement requiring insurance" with such person or organization entered into by you before, and in effect when, the "bodily

injury" or "property damage" occurs, or the "personal injury" offense is committed.

D. The following definition is added to **DEFINITIONS** (Section V):

"Contract or agreement requiring insurance" means that part of any contract or agreement under which you are required to include a person or organization as an additional insured on this Cov-

erage Part, provided that the "bodily injury" and "property damage" occurs, and the "personal injury" is caused by an offense committed:

- a. After you have entered into that contract or agreement;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

OTHER INSURANCE – ADDITIONAL INSURED

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

PROVISIONS

COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV), Paragraph 4. (**Other Insurance**), is amended as follows:

1. The following is added to Paragraph a. **Primary Insurance**:

However, if you specifically agree in a written contract or written agreement that the insurance provided to an additional insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such additional insured which covers such additional insured as a named insured, and we will not share with that other insurance, provided that:

- a. The "bodily injury" or "property damage" for which coverage is sought occurs; and

- b. The "personal injury" or "advertising injury" for which coverage is sought arises out of an offense committed

subsequent to the signing and execution of that contract or agreement by you.

2. The first Subparagraph (2) of Paragraph b. **Excess Insurance** regarding any other primary insurance available to you is deleted.
3. The following is added to Paragraph b. **Excess Insurance**, as an additional subparagraph under Subparagraph (1):

That is available to the insured when the insured is added as an additional insured under any other policy, including any umbrella or excess policy.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

COMMERCIAL AUTOMOBILE BROAD FORM ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

To the extent that the provisions of this endorsement provide broader benefits to the "insured" than other provisions of the Coverage Form, the provisions of this endorsement apply.

1. BROAD FORM INSURED

A. Subsidiaries and Newly Acquired or Formed Organizations

The Named Insured shown in the Declarations is amended to include:

- (1) Any legally incorporated subsidiary in which you own more than 50% of the voting stock on the effective date of the Coverage Form. However, the Named Insured does not include any subsidiary that is an "insured" under any other automobile policy or would be an "insured" under such a policy but for its termination or the exhaustion of its Limit of Insurance.
- (2) Any organization that is acquired or formed by you and over which you maintain majority ownership. However, the Named Insured does not include any newly formed or acquired organization:
 - (a) That is a partnership, joint venture or limited liability company
 - (b) That is an "insured" under any other policy,
 - (c) That has exhausted its Limit of Insurance under any other policy, or
