RE: Mutual Aid Agreement  
Log No. 17-CC0761

You have asked for a review of a Mutual Aid Agreement with Lextran. There are no legal issues to prevent the agreement from being submitted to Legistar. If the Division of Fire agrees with the operational terms of the agreement it may proceed through the Legistar process for Council approval and the Mayor's signature.

It appears this agreement is already submitted in Legistar. Future agreements should not be submitted in Legistar until after you have received the review memo from Law. This is to prevent submission of agreements in Legistar that may require changes.
