To Whom It May Concern,

The Home Depot recognizes its local law enforcement as an instrumental force in protecting our assets by answering calls for theft of merchandise and equipment and providing a general presence in an effort to deter criminal acts. In appreciation for all that you do, we have donated a 5-Burner Propane Gas Grill in Stainless Steel with Side Burner and Condiment Rack made by Nexgrill (model# 720-0888S) to the Lexington Police Department of Kentucky. It is valued at \$299.00 before tax. Thank you for all that you have done for us.

Sincerely,

Holly Trionfi
