

LEXINGTON DIVISION OF POLICE  
OFFICE OF THE CHIEF

**TO:** Mayor Jim Gray  
Urban County Council

**FROM:** Chief Ronnie Bastin  
Division of Police

**DATE:** June 6, 2013

**RE:** Amendment – Cassidian Purchase Agreement w/LFUCG and Bluegrass Airport

Please find attached amendment for a project change for the 800MHz Radio Project that is required in order for Bluegrass Airport to acquire an additional technology piece (i.e., VP Gate) for their part of the radio system. Since the Bluegrass Airport and LFUCG are partners in this project, the attached amendment to the original purchase agreement must be signed by Mayor Gray and the Executive Director of Bluegrass Airport. This is an amendment to the original purchase agreement dated May 17, 2012, between LFUCG, Lexington Fayette Urban County Airport Corporation (Airport) and Cassidian Communications. The VP Gate will be owned and operated by the Blue Grass Airport for it dispatch center. This amendment also authorizes other government entities to purchase equipment using LFUCG pricing if the entity is joining the government's radio system. No cost incurred by Urban County Government. This agreement has been reviewed by the Department of Law and reflects all changes requested.

I have attached four original copies requiring Mayor Gray's signature. Please forward original copies back to the Division of Police in order to acquire additional signature.

If you have any questions or require additional information, please contact my office.

A handwritten signature in cursive script that reads "R. Bastin".
