TAX TREATMENT

Series 2013 Bonds

In the opinion of Bond Counsel for the Series 2013 Bonds, based upon an analysis of existing laws, regulations, rulings and court decisions, interest on the Series 2013 Bonds will be excludible from gross income for Federal income tax purposes. Bond Counsel for the Series 2013 Bonds is also of the opinion that interest on the Series 2013 Bonds will not be a specific item of tax preference under Section 57 of the Code for purposes of the Federal individual or corporate alternative minimum taxes. Furthermore, Bond Counsel for the Series 2013 Bonds is of the opinion that interest on the Series 2013 Bonds is exempt from income taxation and the Series 2013 Bonds are exempt from ad valorem taxation by the Commonwealth of Kentucky and any of its political subdivisions.

A copy of the opinion of Bond Counsel for the Series 2013 Bonds is set forth in *Appendix D* to the Preliminary Official Statement.

The Code imposes various restrictions, conditions, and requirements relating to the exclusion from gross income for Federal income tax purposes of interest on obligations such as the Series 2013 Bonds. The Lexington-Fayette Urban County Government has covenanted to comply with certain restrictions designed to ensure that interest on the related issues of Series 2013 Bonds will not be includable in gross income for Federal income tax purposes. Failure to comply with these covenants could result in interest on the Series 2013 Bonds being includable in income for Federal income tax purposes and such inclusion could be required retroactively to the date of issuance of the Series 2013 Bonds. The opinion of Bond Counsel assumes compliance with these covenants. However, Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring) after the date of issuance of the Series 2013 Bonds may adversely affect the tax status of the interest on the Series 2013 Bonds.

Certain requirements and procedures contained or referred to in the Series 2013B Bond documents and other relevant documents may be changed and certain actions (including, without limitation, defeasance of the Series 2013 Bonds) may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents. Bond Counsel expresses no opinion as to any Series 2013 Bonds or the interest thereon if any such change occurs or action is taken or omitted upon the advice or approval of bond counsel other than Peck, Shaffer & Williams LLP.

Although Bond Counsel for the Series 2013 Bonds is of the opinion that interest on the Series 2013 Bonds will be excludible from gross income for Federal income tax purposes and that interest on the Series 2013 Bonds is excludible from gross income for Kentucky income tax purposes, the ownership or disposition of, or the accrual or receipt of interest on, the Series 2013

Bonds may otherwise affect a Holder's Federal, state or local tax liabilities. The nature and extent of these other tax consequences may depend upon the particular tax status of the Holder or the Holder's other items of income or deduction. Bond Counsel expresses no opinions regarding any tax consequences other than what is set forth in its opinion and each Holder or potential Holder is urged to consult with tax counsel with respect to the effects of purchasing, holding or disposing the Series 2013 Bonds on the tax liabilities of the individual or entity.

For example, although Bond Counsel is of the opinion that interest on the Series 2013 Bonds will not be a specific item of tax preference for the federal alternative minimum tax, corporations are required to include all tax-exempt interest in determining "adjusted current earnings" under Section 56(c) of the Code, which may increase the amount of any alternative minimum tax owed by such corporation. Receipt of tax-exempt interest, ownership or disposition of the Series 2013 Bonds may result in other collateral federal, state or local tax consequence for certain taxpayers. Such effects include, without limitation, increasing the federal tax liability of certain foreign corporations subject to the branch profits tax imposed by Section 884 of the Code, increasing the federal tax liability of certain insurance companies, under Section 832 of the Code, increasing the federal tax liability and affecting the status of certain S Corporations subject to Sections 1362 and 1375 of the Code, increasing the federal tax liability of certain individual recipients of Social Security or Railroad Retirement benefits, under Section 86 of the Code and limiting the amount of the Earned Income Credit under Section 32 of the Code that might otherwise be available. Ownership of any Series 2013 Bonds may also result in the limitation of interest and certain other deductions for financial institutions and certain other taxpayers, pursuant to Section 265 of the Code. Finally, residence of the holder of Series 2013 Bonds in a state other than Kentucky or being subject to tax in a state other than Kentucky, may result in income or other tax liabilities being imposed by such states or their political subdivisions based on the interest or other income from the Series 2013 Bonds.

The Lexington-Fayette Urban County Government has not designated the Series 2013 Bonds as "qualified tax-exempt obligations" within the meaning of Section 265 of the Code.

If, prior to the delivery of the Series 2013 Bonds, any event shall occur which alters the tax-exempt status of the Series 2013 Bonds, the purchaser of the Series 2013 Bonds shall have the privilege of voiding the purchase contract by giving immediate written notice to the Lexington-Fayette Urban County Government, whereupon the amount of the good faith deposit of the purchaser of the Series 2013 Bonds will be returned to such purchaser, and all respective obligations of the parties will be terminated.
