

December 15, 2020

Mr. James Vest
985 Pine Bloom Drive
Lexington, KY 40504-3055

Dear Mr. Vest,

Petition cards were sent from Traffic Engineering via certified mail to the property owners on Pine Bloom Drive between Alexandria Drive and Georgian Way soliciting a response for or against the installation of five speed tables on Pine Bloom Drive. The letters were mailed on or around November 6th and a response was requested by Friday, December 11th.

A total of 58 postage paid petition cards, letters, and proposed speed table location maps were mailed to all the property owners on Pine Bloom Drive. As of the morning of Tuesday, December 15th, one mailing was returned as undeliverable and 39 petition cards were returned. As one mailing was returned undeliverable, the total of eligible votes is reduced to the adjusted total of 57 votes.

Of the 39 petition cards returned:

- 34 votes, or 60% of the adjusted total, were in favor of the installation of speed tables.
- 5 votes, or 9% of the adjusted total, were opposed to the installation of speed tables.

With 60% of the votes cast in favor for installing speed tables, the required minimum of 51% approval of the proposed action is satisfied and the proposal to install speed tables on Pine Bloom Drive passes. Therefore, Traffic Engineering recommends the installation of speed tables on Pine Bloom Drive per NTMP guidelines.

If you have any questions, contact Grace Foley at the Division of Traffic Engineering via Lexcall 311 or email gfoley@lexingtonky.gov.

Sincerely,

Grace N. Foley, P.E.
Traffic Engineer Senior
Division of Traffic Engineering
