Please consider this a request for Council to recognize Ultimate Training Munitions, Inc. (UTM) as a Sole Source Vendor to support current and future purchases for the Lexington Division of Police Training Program.

Ultimate Training Munitions, Inc. is the sole source manufacture and distributor of it products, including a portable training system and training munitions. The products provided by UTM are integrated into the basic academy and annual training programs.

The Division of Police anticipates annual expenditures will exceed \$20,000 but be less than \$75,000. There is no budgetary impact as funds are currently in place at 1101-505507-5571-75801.

If further is needed, please advise.
