**SUBJECT:** Abolish/Create positions – Division of Police

The attached action amends Section 21-5 of the Code of Ordinances, abolishing one (1) position of Police Analyst, (Grade 111N) and creating one (1) position of Property & Evidence Technician (Grade 111N) in the Division of Police, effective upon passage by Council.

The Division states that the Property & Evidence Technician is needed so that the Property and Evidence Unit can remain open for its customers while other staff need to go offsite to transport evidence, testify in court, and provide customer assistance in preparation for trial.

The fiscal impact for FY2014 (20 pay periods) will be a cost savings of \$13,014.08. All costs include benefits. This amount does not include lapse which has been included in the attached Budget Amendment.
