Section 12 - Transfer of Control & General Rate Cases.

- (a) In the event that the Grantee files for a Transfer of the Grantee, or a general rate case with the PSC, it will furnish the Mayor or his designee with timely notice of such filing. Such inter-corporate transfers or transfers subject to the jurisdiction of the PSC shall require notice to the Government as provided in Section 12(a).
- (d) In making a determination on whether to grant an application for a Transfer, the Council may consider the financial, technical and other qualifications of the transferee (assignee) to operate the system; whether the incumbent Grantee is in compliance with this Ordinance and, if not, the proposed transferee's (assignee's) commitment to cure such noncompliance and any other criteria allowed by applicable law.
- (e) The consent or approval of the Council to any Transfer of the Grantee shall not constitute a waiver or release of the rights of the Government in and to the streets.

Section 13 - Franchise Duration.

- (a) The franchise hereby created shall be for an initial period of ten (10) years from the date of acceptance by the Council.
- (b) This franchise may be renewed for an additional term not to exceed ten (10) years upon the request of the Grantee and the approval of the request by the Council. The request for a renewal shall be made in writing to the Mayor at least one hundred eighty (180) days, but no earlier than one (1) year, in advance of the termination date of the Grantee's franchise agreement. The ultimate decision of whether to grant an additional franchise term shall solely be that of the Government. A

decision not to grant an additional franchise term shall be based on the Grantee's noncompliance with the terms of this Ordinance, Chapter 17C of the Code, or other local, federal or state laws and/or regulations.

- (c) In addition, the term of the franchise may be extended up to twelve (12) months by agreement of the parties in order to provide for the good faith negotiation of a new franchise.
- (d) All franchises awarded pursuant to this Ordinance are intended to terminate at the same time. Therefore any Grantee awarded a franchise pursuant to this Ordinance shall only be awarded a franchise that is equal in duration to the remaining term of the initial franchise(s).
- (e) The franchise created by this Ordinance creates no vested rights in the Grantee other than those provided by this Ordinance or at law, and any installation or placement of Facilities by the Grantee in the Rights-of-way is at the Grantee's risk.

Section 14 - Penalties.

- (a) If, after the Grantee is provided the opportunity to appear and present evidence before the Mayor or his or her designee, the Mayor finds that the Grantee has violated any of the following provisions of this Ordinance, the following penalties shall be recoverable. The decision of the Mayor or his or her designee shall be the final administrative decision and shall be in writing and provide the basis for the decision. The decision may be appealed to a court of competent jurisdiction.
 - (1) For failure to complete or remove any construction project by no later than the ending term of any franchise awarded pursuant to this Ordinance or any extension thereof, the Grantee shall forfeit five hundred dollars (\$500.00) per day or part thereof that the violation continues; in lieu of a penalty, the Grantee may post a performance bond, letter of credit or other surety acceptable to the Government in an amount sufficient to complete such construction projects. This section shall not apply to any projects for which performance bonds or other surety is already pledged.
 - (2) For failure to provide data and reports requested by the Government and as required by this Ordinance the Grantee shall forfeit five hundred dollars (\$500.00) per day or part thereof that the violation continues.
 - (3) For failure to pay a permit fee or franchise fee when due pursuant to local law, the Grantee shall forfeit five hundred dollars (\$500.00) per day or part thereof that the violation continues.
- (b) If the Grantee fails to comply within thirty (30) days of any Council resolution directing compliance with any other provisions of this Ordinance, the Grantee shall forfeit five hundred dollars (\$500.00) per day or part thereof that the violation continues. The decision of the Council may be appealed to a court of competent jurisdiction.
- (c) The Grantee shall not be excused from complying with any of the terms and conditions of this Ordinance by any failure of the Government, upon any one or more occasions, to insist upon the Grantee's performance or to seek the Grantee's compliance with any one or more of such terms or conditions.

Payment of penalties shall not excuse non-performance under this Ordinance. The right of the Government to seek and collect penalties as set forth in this section is in addition to its right to terminate and cancel as set forth in Section 16 of this Ordinance.

Section 15 - Maintenance of Service.

The Grantee shall maintain its System in reasonable operating condition at all normal times during the term of its Franchise. An exception to this is automatically in effect when service furnished by the Grantee is interrupted, impaired or prevented by fires, strikes, riots or other occurrences beyond the control of the Grantee, or by storms, floods or other casualties, in any of which events the Grantee shall do all things reasonably within its power to restore normal service within a reasonable period of time. If applicable, the Grantee will maintain normal business hours at its headquarters located in Lexington, Kentucky, to receive customer inquiries in accordance with any relevant PSC order(s).

Section 16 - Right to Terminate and Cancel the Franchise.

- (a) In addition to all other rights and powers pertaining to the Government by virtue of this Ordinance or otherwise, the Government, by and through its Council, reserves the right to terminate and cancel the franchise and all rights and privileges of the Grantee hereunder in the event that the Grantee:
 - (1) Willfully violates any provision of this Ordinance, the franchise or any material rule, order, or determination of the Government made pursuant to the franchise, except where such violation is without fault or through excusable neglect or due to a force majeure act;
 - (2) Willfully attempts to evade any provision of this Ordinance or the franchise or practices any fraud or deceit upon the Government;
 - (3) Fails to begin or complete construction as provided under this Ordinance or the franchise;
 - (4) Knowingly makes a material misrepresentation of any fact in the application, proposal for renewal, or negotiation of the franchise; or
 - (5) Entry of a final and non-appealable order by the Public Service Commission of Kentucky which revokes any authority of the Grantee to provide service in Fayette County, Kentucky.
- (b) The Government may make a written demand that the Grantee do or comply with any such provision, rule, order or determination. The Grantee will be provided the opportunity to appear and present evidence before the Mayor or his or her designee, whose decision shall be the final administrative decision, and shall be in writing and provide the basis for the decision. If the violation by the Grantee continues for a period of thirty (30) days following such a decision by the Mayor or his or her designee without written proof that the corrective action has been taken or is being actively and expeditiously pursued by the Grantee, the Government may place its request for termination of the franchise as early as the next regular Council meeting agenda. The Government shall cause to be served upon Grantee, at least ten (10) days prior to the date of such Council meeting, a written notice of intent to request such termination and the time and place of the meeting and shall publicly notice the same.

- (1) It shall be a defense to any attempt to terminate and cancel the franchise that the Grantee was relying on federal law, state law, or a valid tariff in acting or not acting on the issue in dispute.
- (2) The Council shall consider the request of the Government and shall hear any person interested therein, and shall determine in its discretion, whether or not any violation by the Grantee was with just cause.
- (3) If such violation by the Grantee is found to have been with just cause, the Council shall direct the Grantee to comply therewith within such time and manner and upon such terms and conditions as are just and reasonable within the Government's lawful authority.
- (4) If the Council determines such violation by the Grantee was without just cause, then the Council may, by resolution, declare that the franchise of the Grantee shall be terminated and forfeited unless there is compliance by the Grantee within such reasonable period as the Council may fix. Any such determination by the Council is a final appealable action to a court of competent jurisdiction.

Section 17 - Foreclosure or Other Judicial Sale.

The Grantee shall provide the Government, in the form and manner required by the appropriate court or judicial body, at least thirty (30) days advance written notice, if at all possible, of the foreclosure or other judicial sale of all or a substantial part of the Grantee's Facilities within Fayette County, or upon the termination of any lease covering all or a substantial part of its Facilities, and such notification shall be treated as a notification that a transfer or assignment of the franchise has taken place.

Section 18 - Government's Rights After the Appointment of a Receiver or Trustee.

The Council shall have the right to cancel a Grantee's franchise thirty (30) days after the appointment of a receiver, or trustee, to take over and conduct the business of the Grantee, whether in receivership, reorganization, bankruptcy, or other action or proceeding, unless such receivership or trusteeship shall have been vacated prior to the expiration of said thirty (30) days, unless:

- (a) Within thirty (30) days after his election of appointment, such receiver or trustee shall have fully complied with all the provisions of this Ordinance and remedied all defaults thereunder; and,
- (b) Such receiver or trustee, within said thirty (30) days shall have executed an agreement, duly approved by the court having jurisdiction in the premises, whereby such receiver or trustee assumes and agrees to be bound by each and every provision of this Ordinance and the franchise granted to the Grantee.

It shall be the duty of the Mayor or his designee to offer the terms of this Ordinance to the public. In the event that additional interested bidders are identified or express an interest in obtaining a franchise after this initial offering, the additional offering and advertisement to accommodate such bidders is hereby authorized. Said franchise and privilege shall be sold to the highest and best bidder or bidders at a time and place fixed

by the Mayor or his designee after due notice thereof by advertisement or publication as required by law.

Section 20 - Bid Process.

- (a) Bids and proposals for the purchase and acquisition of the franchise hereby created shall be in writing and shall be delivered to the Mayor or his designee upon the date(s) and at the time(s) fixed by him or her in said advertisement(s) for receiving same. Thereafter, the Mayor shall report and submit to the Council, at the time of its next regular meeting or as soon as practicable thereafter, said bids and proposals for its approval.
- (b) The Council reserves the right, for and on behalf of the Government, to reject any and all bids for said franchise; and, in case the bids reported by the Mayor shall be rejected by the Council, it may direct said franchise and privilege to be again offered for sale, from time to time, until a satisfactory bid therefore shall be received and approved.
- (c) Each bid made by a corporation or person not already owning Facilities within the territorial limits of Fayette County sufficient to render the service required by this Ordinance, shall be accompanied by cash or a certified check drawn on a bank of the Commonwealth of Kentucky, or a national bank, equal to five percent (5%) of the fair estimated cost of the system required to render the service, which check or cash shall be forfeited to the Government in case the bid should be accepted and the bidder should fail, for thirty (30) days after the confirmation of the sale, to pay the price and to give a good and sufficient performance bond in favor of the Government in a sum equal to one-fourth (1/4) of the fair estimated cost of the system to be erected, conditioned that it shall be enforceable in case the Grantee should fail, within one hundred eighty (180) days, to establish and begin rendering the service in the manner set forth in this Ordinance. Upon rendering the initial service, this bond may be replaced by the performance bond required by Section 23(b), if applicable.
- (d) Bids shall include such documentation as is necessary to support the bidder's determination of the fair estimated cost of the system required to render the service and compliance with all applicable state, federal and local statutes, ordinances and regulations. The Government reserves the right to review any of bidder's supporting documentation which justifies bidder's determination of the estimated cost and compliance with laws and regulations. In addition, each bid shall be accompanied by a non-refundable payment to the Government in the amount of two thousand dollars (\$2,000.00) to cover the Government's cost of advertising and other administrative expenses incurred. In the event that the total amount submitted by all bidders exceeds the Government's actual costs, it will refund the overcharge to each Grantee on a pro rata basis within thirty (30) days.

Section 21 - Compensation.

- (a) The Government is currently precluded from collecting Franchise Fees from a Grantee that is paying Telecommunications Excise Taxes to the Commonwealth of Kentucky pursuant to KRS 136.600, et seq. However, any Grantee not paying Telecommunications Excise Taxes to the Commonwealth of Kentucky pursuant to KRS 136.600, et seq. shall be required to pay Franchise Fees to the Government pursuant to this Section 21.

- (b) The Telecommunications Excise Tax distribution from the state is not a payment in lieu of any tax, fee or other assessment except as specifically provided in this Ordinance, or as required by applicable law. By way of example, and not limitation, permit fees and business license taxes are not waived and remain applicable as provided by law to the extent they are not Franchise Fees. Additionally, the Government may at any time impose any fees or taxes consistent with state or federal law, including, but not limited to property taxes, and occupational license fees.
- (c) If at any time Kentucky law is changed to allow the Government to assess Franchise Fees on a Grantee that is currently paying Telecommunications Excise Taxes to the Commonwealth of Kentucky, Grantee shall pay an annual fee to the Government, which must be the greater of either:
 - (i.) The Minimum Annual Franchise Fee; or
 - (ii.) An amount equal to five percent (5%) of Grantee's Gross Revenues. In the event that an amount equal to five percent (5%) of Grantee's Gross Revenues does not represent a reasonable calculation of encroachment and use of the public Rights-of-way by Grantee, the Government reserves the right to impose a per linear foot or similar charge for those facilities owned or operated by Grantee that are located in the public Rights-of-way.
- (d) Grantee's first Minimum Annual Franchise Fee payable under this shall be paid to the Government forty-five (45) days after the law is changed to allow the collection of Franchise Fees on Telecommunications Services. Such payment will be prorated for the remaining calendar year (rounded to the nearest month) through December 31. Thereafter, Grantee shall pay each Minimum Annual Franchise Fee on or before April 15, and Grantee's Minimum Annual Franchise Fee payment will apply to the current calendar year (January 1 through December 31). Any Minimum Annual Franchise Fee paid to the Government will be credited towards Grantee's Franchise Fee for that calendar year. In order to avoid penalization, the Government will notify the Grantee in writing at such time as it believes that it is allowed to assess franchise fees due to a change in the law. If the Government fails to notify the Grantee, the Grantee shall be relieved of its obligation to any applicable penalty but shall still be obligated to pay any outstanding franchise fees.
- (e) Gross Revenue based Franchise fee payments to the Government shall be computed based on Grantee's Gross Revenues from each calendar year quarter period (January 1 through March 31, April 1 through June 30, July 1 through September 30, and October. 1 through December 31) and paid on or before the forty-fifth (45th) day following each calendar quarter period during the term of a franchise created under this Ordinance.
- (f) Facilities based Franchise Fee payments to the Government shall be computed based on Grantee's lineal foot of Facilities in Fayette County as of January 1 of each calendar year and paid on or before April 15th

of calendar year during the term of a franchise created under this Ordinance.

- (g) Payment not received by the Government by the due date shall be assessed interest equal to one percent (1%) per month. Interest shall be compounded daily. Interest shall be due on the entire late payment from the date on which the payment was due until the date on which the Government receives the payment.
- (h) Prior to making each payment to the Government, Grantee shall file with the Government a written report containing an accurate statement in summarized form, as well as in detail, of its calculation of the amount of the payment, verified by an officer or other authorized representative of Grantee, setting forth its Gross Revenues according to their accounting subdivisions, and any deductions claimed for the period upon which the payment is computed. Such reports shall be in form satisfactory to the Government.
- (i) If any Franchise Fee is owed to the Government, upon reasonable notice, the Government shall have the right to inspect the Grantee's income records, the right to audit and to re-compute any amounts determined to be payable under this agreement; provided, however, that such audit shall take place within twelve (12) months following the close of each of the Grantee's fiscal years. If, as a result of such audit or review, the Government determines that Grantee has underpaid its fees to the Government in any twelve (12) month period by ten percent (10%) or more, then, in addition to making full payment of the relevant obligation, Grantee shall reimburse the Government for all expenses incurred as a result of an audit or review and such payments shall be paid within the thirty (30) days following written notice to the Grantee by the Government, which notice shall include a copy of the audit report and copies of all invoices for which the Government seeks reimbursement.
- (j) If any Franchise Fee is owed to the Government, in the event that any Franchise Fee payment or recomputed amount is not made to the Government on or before the applicable dates heretofore specified, interest shall be charged from such date at the annual rate of 2% over prime interest rate.
- (k) The Government reserves the right to require the Grantee to collect any consumer or other tax or other fee that may be imposed by the Government, the Commonwealth of Kentucky, or the federal government on Telecommunication Services.
- (l) Notwithstanding the above, the Grantee shall be required to pay the Government an amount intended to adequately compensate it for its permitting and inspection of the Grantee's construction activities in the Rights-of-way pursuant to Chapter 17C of the Code as required by said ordinance. The Grantee may seek tariff approval from the Kentucky Public Service Commission for the recovery of such payment, and may elect to pay for its permit fees upon application for each respective permit, if approved by the Government. These permitting fees are subject to change during the term of the franchise based upon an audit of the actual cost of permitting for the

Government or a change in the amount of the respective permitting fees found in Section 17C-22 of the Code, as may be amended. In the event of such a change, the Grantee shall be provided at least sixty (60) days advance written notice.

Section 22 - Additional Requirements.

In addition to all other requirements, and except to the extent prohibited by law, any Grantee not already owning Facilities within the Rights-of-way sufficient to render Telecommunications Services within Fayette County, or any Grantee that is required pursuant to law to file for a certificate of convenience and necessity from the Kentucky Public Service Commission in order to replace or significantly upgrade or expand a substantial portion of its existing Facilities within the Rights-of-way, shall also be required to perform the following requirements during the construction, replacement, upgrade or expansion of its network system unless the Council determines that any or all of such requirements are not necessary to adequately protect the interests of the Government:

- (a) In addition to obtaining any and all permits required pursuant to the Code, the Grantee shall submit for the Government's approval a comprehensive schedule of construction of its Facilities system network no later than one (1) month after the Government's acceptance of the Grantee's bid. The schedule shall include sufficient detail for Government to determine the time and locations of construction activities and shall also depict the anticipated time frame of identifiable tasks required for construction purposes, as delineated by the Government. No construction related activities may be conducted in the Rights-of-way until the schedule is approved by the Government. In addition, at thirty (30) day intervals during construction, the Grantee shall provide the Government with a plan of construction activities setting forth a general description of the activities to be undertaken during the following thirty (30) days and designating the geographical area of Fayette County that will be affected. Approval by the Government of these plans shall constitute a condition which must be met prior to undertaking any construction activities.
- (b) The Grantee shall furnish traffic control plans, including site-specific hours of construction, to the Government no later than seven (7) days prior to the commencement of any construction activities. Such plans are subject to approval or modification by the Government. No construction related activities may be conducted in the Rights-of-way without an approved traffic control plan.
- (c) The Grantee shall provide the Government a local telephone contact number, staffed twenty-four (24) hours per day, to enable the Government to report any concerns regarding construction of the system network. In the event that the Government reports any concerns to the Grantee, the Grantee shall respond within a reasonable time as specified by Government or as specified elsewhere in this Ordinance. The Grantee shall perform the required repair or correct any adverse impact to Government's use or operations or the use or operations of a third party caused by the Grantee's construction activities in the Rights-of-way at no cost to the Government.
- (d) Fourteen (14) days prior to commencement of construction, and every thirty (30) days thereafter during construction the Grantee shall publish, at its sole cost, a notice containing a map depicting where construction will occur in the

Lexington Herald-Leader. Additionally, such notice shall provide a general description of construction activities and a telephone number to be called by citizens with questions concerning construction activities. A copy of said notice(s) shall be provided to the Government.

- (e) The Grantee shall provide at least fourteen (14) days notice to other utilities in Fayette County of its interest in seeking construction permits to open the street before it applies for any street cut permit. The Government shall provide the Grantee with a listing of all such utilities and their points of contact upon request. Such notice shall inform the other utility companies of the Grantee's intent to undertake construction in the affected areas and state that the other utility companies must notify the Government and the Grantee within seven (7) days of receipt of such notice of their desire to simultaneously lay conduit, or other Facilities, in any trench opened by the Grantee.
- (f) Failure to comply with the above provisions, or the Code may, in the sole discretion of the Government:
 - (1) Be the basis for the Government to reasonably require that the Grantee perform more extensive restoration work than otherwise anticipated by a permit; and
 - (2) May result in the Grantee being assessed an additional premium on any permit fee to recoup any additional costs or expenses reasonably associated with the Grantee's failure.
- (g) Unless otherwise provided an extension by the Council, the Grantee must make telecommunications services available within Fayette County within one hundred eighty (180) days from the date of the award of the franchise. This requirement shall not apply to a Grantee that does not provide, or has no intention of providing, any services to Fayette County Customers.
- (h) The Grantee shall maintain accurate network design drawings, maps and improvement plans of the network system, in a form acceptable to the Government, in a manner consistent with industry construction standards. The Grantee shall furnish the Government, without charge, with a complete set of "as-built" drawings within sixty (60) days of completion of construction of the network system. Such maps and improvement plans shall also be furnished to Government in digital form and shall be provided pursuant to a lawful protective agreement.

Section 23 - Letter of Credit and Performance Bond.

In addition to all other requirements, and except to the extent prohibited by law, any Grantee not already owning Facilities within the Rights-of-way sufficient to render Telecommunications Services within Fayette County, shall also be required to perform the following requirements during the construction of its network system unless the Council determines that any or all of such requirements are not necessary to adequately protect the interest of the Government:

- (a) Within ten (10) days after the award of a franchise pursuant to this Ordinance, the Grantee shall deposit with the Government's Division of Revenue a one-year irrevocable renewable letter of credit from a Fayette County financial institution in the amount of fifty thousand dollars (\$50,000.00). The form and content of such letter of credit shall be

approved by the Government. The letter of credit shall be used to insure the faithful performance by the Grantee of all provisions of this Ordinance ; and compliance with all orders, permits and directions of any agency, commission, board, department, division or office of the Government having jurisdiction over its acts or defaults under this Ordinance, and the payment by the Grantee of any claims, liens and taxes due the Government which arise by reason of the construction, operation or maintenance of the system network.

- (1) The letter of credit shall be maintained at fifty thousand dollars (\$50,000.00) during the entire term of Grantee's franchise, even if amounts have to be withdrawn pursuant to this section.
 - (2) If the Grantee fails to pay to the Government any compensation within the time fixed herein; or, fails, after ten (10) days' notice to pay to the Government any taxes due and unpaid; or, fails to repay the Government, within such ten (10) days, any damages, costs or expenses which the Government is compelled to pay by reason of any act or default of the Grantee in connection with its franchise; or, fails, after three (3) days' notice of such failure by the Government to comply with any provision of its franchise which the Government reasonably determines can be remedied by demand on the letter of credit, the Government may immediately request payment of the amount thereof, with interest and any penalties, from the letter of credit. Upon such request for payment, the Government shall notify the Grantee of the amount and date thereof.
 - (3) The rights reserved to the Government with respect to the letter of credit are in addition to all other rights of the Government and no action, proceeding or exercise of a right with respect to such letter of credit shall affect any other right the Government may have.
 - (4) The letter of credit shall contain the following endorsement:
"It is hereby understood and agreed that this letter of credit may not be cancelled by the surety nor the intention not to renew be stated by the surety until thirty (30) days after receipt by the Government, by registered mail, a written notice of such intention to cancel or not to renew."
- (b) If necessary, after the initial service requirement is met and the bonds required by Section 8 of Section 20 of this Ordinance no longer protect the Government, the Government may require the Grantee to file with the Government a Performance Bond in the amount of Five Hundred Thousand Dollars (\$500,000.00) in favor of the Government. This bond shall be maintained throughout the construction period. In lieu of the above-mentioned performance bond, the Grantee may deposit with the Government's Department of Revenue an irrevocable letter of credit from a Fayette County financial institution in the amount of Five Hundred Thousand Dollars (\$500,000.00). The form and content of such letter shall be approved by the Government.
- (1) In the event the Grantee fails to comply with the Code or any law, Ordinance or regulation governing the franchise, or fails to well and truly observe, fulfill and perform each term and condition of this

Ordinance or the franchise, including the Grantee's application (as required in Section 4), there shall be immediately recoverable, jointly and severally, from the principal and surety of the bond or the letter of credit, any damages or loss suffered by the Government as a result, including the full amount of any compensation, indemnification, or cost of removal or abandonment of any property of the Grantee, plus a reasonable allowance for attorney's fees, including the Government legal staff, and costs, up to the full amount of the bond.

- (2) Upon completion of construction the Grantee's initial service area the requirement of this additional performance bond shall be waived.
- (3) The bond or letter of credit shall contain the following endorsement:
"It is hereby understood and agreed that this bond [letter of credit] may not be cancelled by the surety nor the intention not to renew be stated by the surety until thirty (30) days after receipt by the Government, registered mail, a written notice of such intent to cancel or not to renew."
- (4) The rights reserved to the Government with respect to the performance bond or letter of credit are in addition to all other rights of the Government, and no action, proceeding or exercise of a right with respect to such performance bond or letter of credit shall affect any other right the Government may have.

Section 24 - Discontinuing Use of Facilities.

- (a) If Grantee decides to discontinue use of Facilities within all or a portion of the Streets and does not intend to use those Facilities again in the future, the Government may direct Grantee to remove the Facilities or may permit the Facilities to be left in place as abandoned, which permission shall not be unreasonably withheld or delayed. If Grantee is permitted to abandon its Facilities in place, upon written consent of the Government, the ownership of Facilities in the Government's Streets shall transfer to the Government and Grantee shall have no further obligation therefor. Notwithstanding Grantee's request that any such Facility remain in place, the Government may require Grantee to remove the Facility from the street area or modify the Facility in order to protect the public health and safety or otherwise serve the public interest. The Government may require Grantee to perform a combination of modification and removal of the Facility. Grantee shall complete such removal or modification in accordance with a reasonable schedule set by the Government. Until such time as Grantee removes or modifies the Facility as directed by the Government, or until the rights to and responsibility for the Facility are accepted by another Person having authority to construct and maintain such Facility, Grantee shall be responsible for all necessary repairs and relocations of the Facility, as well as restoration of the Street, in the same manner and degree as if the Facility were in active use, and Grantee shall retain all liability for such Facility.

Section 25 - Offers of Payment.

Bids offered for purchase of a franchise pursuant to this Ordinance shall state the bidder's acceptance of the conditions set forth in this Ordinance. If any bid shall include an offer of payment over and above the terms of the franchise, then a certified check for

said amount, payable to the Lexington-Fayette Urban County Government, shall be deposited with the Government. This amount shall be in addition to the provision for any payments contained in Sections 20 and/or 21 of this Ordinance. Any check deposited pursuant to this section by an unsuccessful bidder shall be returned when the Council shall have accepted the bid or bids which in its judgment is or are the highest and best.

Section 26 - Forfeiture.

Any violation by the Grantee or successor or authorized Grantee representative of the provisions of this Ordinance or any material portions thereof, or the failure promptly to perform any of the provisions thereof, shall be cause for the forfeiture of its franchise and all rights hereunder after written notice to the Grantee and continuation of such violations, failure or default, as set forth herein.

Section 27 - Governing Law.

This Ordinance and any franchise awarded pursuant to it shall be governed by the laws of the Commonwealth of Kentucky, both as to interpretation and performance. The venue for any litigation related to this Ordinance or any franchise shall be in the court of competent jurisdiction in Fayette County, Kentucky.

Section 28 - Non-enforcement by the Government.

Grantee shall not be relieved of its obligations to comply with any of the provisions of this Ordinance by reason of any failure of the Government to enforce prompt compliance, nor does the Government waive or limit any of its rights under this Ordinance by reason of such failure or neglect.

Section 29 - Agent.

The Grantee shall designate in writing a local agent to oversee and manage all activities required pursuant to this Ordinance and Chapters 17 and 17C of the Code and to accept service of any legal proceeding initiated by the Government.

Section 31 - Severability.

If any section, sentence, clause or phrase of the Ordinance is held unconstitutional or otherwise invalid, such infirmity shall not affect the validity of the Ordinance.
