### CONSULTANT SERVICES AGREEMENT

THIS IS AN AGREEMENT made as of April 15, 2024, between the LEXINGTON-FAYETTE URBAN COUNTY GOVERNMENT (**OWNER**) and NOMI INC. (**CONSULTANT**). **OWNER** intends to proceed with architectural/engineering design services as described in the attached Request for Proposal document. The services are to include the preparation of Schematic Design Documents through Construction Documents, Bidding, and Construction Administration for the construction of the **Dunbar Community Center – Maintenance & Improvements Project** as contemplated in the **OWNER's** Request for Proposal No. #16-2024. The services are hereinafter referred to as the Project.

**OWNER** and **CONSULTANT** in consideration of their mutual covenants herein agree in respect of the performance of professional architectural/engineering services by **CONSULTANT** and the payment for those services by **OWNER** as set forth below.

**CONSULTANT** was selected by **OWNER** based upon its response to the Request for Proposal No. #46-2022.

**CONSULTANT** shall provide professional consulting services for **OWNER** in all phases of the Project described herein, serve as **OWNER'S** professional architectural and engineering representative for the Project as set forth below and shall give professional consultation and advice to **OWNER** during the performance of services hereunder.

#### **SECTION 1 - BASIC SERVICES OF CONSULTANT**

**CONSULTANT** shall perform professional services as hereinafter stated, which include customary architectural and engineering incidental thereto.

The following documents are incorporated by reference herein as if fully stated and are attached hereto as exhibits: RFP No. 16-2024. (**Exhibit "A"**), and Consultant's Response dated April 3, 2024 (**Exhibit "B"**). To the extent there is conflict among their provisions, the provisions of this Agreement shall take precedence, followed by the provisions of Request for Proposal No. 16-2024. (**Exhibit "A"**).

After written authorization to proceed with the Evaluation and Recommendation Phase, **CONSULTANT** shall:

1. Notify the **OWNER** in writing of its authorized representative who shall act as Project Manager and liaison representative between the **CONSULTANT** and the **OWNER**.
2. On the basis of the "Selection Criteria" in the "Request for Proposal", attached in **Exhibit "A"**, conduct field surveys and gather other necessary data or information, prepare an evaluation and recommendation document consisting of design options and cost estimates as well as all required deliverables listed in the Request for Proposal. See **Exhibit "A"** for complete listing of all deliverables.

This Agreement (consisting of pages 1 to \_\_ inclusive), together with the Exhibits and schedules identified above, constitutes the entire Agreement between **OWNER** and **CONSULTANT** and supersedes all prior written or oral understandings. This Agreement and said Exhibits and schedules may only be amended, supplemented, modified, or canceled by a duly executed written instrument.

The General Condition provisions of RFP No. 16-2024 are incorporated herein by reference as if fully stated.

## **SECTION 2 - ADDITIONAL SERVICES BY CONSULTANT**

- 2.1. The **OWNER** may desire to have the **CONSULTANT** perform work or render services in connection with this Project other than as provided by **Exhibit "A"** of this Agreement. Such work shall be considered as "Additional Services", subject to a change order, supplemental to this Agreement, setting forth the character and scope thereof and the compensation therefore. Work under such change order shall not proceed until the **OWNER** gives written authorization. Should the **OWNER** find it desirable to have previously satisfactorily completed and accepted plans or parts thereof revised, the **CONSULTANT** shall make such revisions as directed, in writing, by the **OWNER**. This work shall be considered as "Additional Services" and shall be paid as such.
- 2.2. All "Additional Services" are subject to prior written authorization of **OWNER** and necessary appropriations made by the Urban County Council.

## **SECTION 3 - OWNER'S RESPONSIBILITIES**

### **OWNER shall:**

- 3.1. Provide criteria and information as to **OWNER'S** requirements for the Project, including design objectives and constraints, space, capacity and performance requirements, flexibility and expandability, and any budgetary limitations.
- 3.2. Assist **CONSULTANT** by placing at its disposal available information pertinent to the Project.
- 3.3. Examine all studies, reports, sketches, drawings, specifications, proposals and other documents presented by **CONSULTANT**, and render in writing decisions pertaining thereto within a reasonable time so as not to delay the services of **CONSULTANT**.
- 3.4. Designate in writing a person to act as **OWNER'S** representative with respect to the services to be rendered under this Agreement. Such person shall have complete authority to transmit instructions, receive information, interpret and define **OWNER'S** policies and decisions with respect to materials, equipment, elements and systems pertinent to **CONSULTANT'S** services.

- 3.5. Give written notice to **CONSULTANT** whenever **OWNER** observes or otherwise becomes aware of any development that affects the scope or timing of **CONSULTANT'S** services, or any defect in the work of Contractor(s).
- 3.6. Furnish or direct **CONSULTANT** to provide necessary Additional Services as stipulated in Section Two (2) of this Agreement or other services as required.

#### **SECTION 4 - PERIOD OF SERVICES**

- 4.1. See **Exhibit "A"** for the project timeline/schedule.
- 4.2. The provisions of this Section Four (4) and the various rates of compensation for **CONSULTANT'S** services provided for elsewhere in this Agreement have been agreed to in anticipation of the orderly and continuous progress of the Project through completion.

If delays result by reason of acts of the **OWNER** or approving agencies or other causes, which are beyond the control of the **CONSULTANT**, an extension of time for such delay will be considered. If delays occur, the **CONSULTANT** shall within 14 days from the date of the delay apply in writing to the **OWNER** for an extension of time for such reasonable period as may be mutually agreed upon between the parties, and if approved, the Project schedule shall be revised to reflect the extension. Such extension of time to the completion date shall in no way be construed to operate as a waiver on the part of the **OWNER** of any of its rights in the Agreement. Section 6.5, under DISPUTES, of this Agreement, shall apply in the event the parties cannot mutually agree upon an extension of time.

In the event that the overall delay resulting from the above described causes is sufficient to prevent complete performance of the Agreement within two (2) months of the time specified therein, the Agreement fee or fees shall be subject to reconsideration and adjustment. Section 6.5 of this Agreement shall apply in the event the parties cannot mutually agree upon an adjustment of fee.

Within thirty (30) days of the **OWNER's** receipt of such statement, the **OWNER** shall pay to the **CONSULTANT** all amounts due and owing as indicated thereon, unless the **OWNER** has in good faith contested the same.

### 5.3. Other Provisions Concerning Payments.

**5.3.1.** In the event the Agreement is terminated by the **OWNER** without fault on the part of the **CONSULTANT**, the **CONSULTANT** shall be paid for the work performed or services rendered an amount bearing the same ratio to the total Agreement fee as the amount of work completed or partially completed and delivered to the **OWNER** is to the total amount of work

provided for herein, as determined by mutual agreement between the **OWNER** and the **CONSULTANT**.

**5.3.2.** In the event the services of the **CONSULTANT** are terminated by the **OWNER** for fault on the part of the **CONSULTANT**, the **CONSULTANT** shall be paid reasonable value of the work performed or services rendered and delivered, and the amount to be paid shall be determined by the **OWNER**.

**5.3.3.** In the event the **CONSULTANT** shall terminate the Agreement because of gross delays caused by the **OWNER**, the **CONSULTANT** shall be paid as set forth in Section 5.3.1. above.

## **SECTION 6 – ADDITIONAL GENERAL CONSIDERATIONS**

### **6.1. Termination**

**6.1.1.** The obligation to provide further services under this Agreement may be terminated by either party upon ten (10) days written notice in the event of substantial failure by the other party to perform in accordance with the terms hereof through no fault of the terminating party, provided the non-terminating party fails to cure such default within ten (10) days of receiving notice of such default.

**6.1.2.** The **OWNER** reserves the right to terminate the Agreement for any reason at any time upon seven (7) days written notice to the **CONSULTANT**.

### **6.2. Ownership and Reuse of Documents.**

All documents, including hardcopies and original digital format, including but not limited to Drawings and Specifications, prepared by the **CONSULTANT** pursuant to this Agreement shall be delivered to and become the property of the **OWNER**. The **OWNER** shall have the right to reuse same without restriction or limitation, but without liability or legal exposure to **CONSULTANT**.

### **6.3. Legal Responsibilities and Legal Relations.**

**6.3.1.** The **CONSULTANT** shall familiarize himself with and shall at all times comply with all federal, state and local laws, ordinances, and regulations which in any manner affect the services of this Agreement.

**6.3.2.** In performing the services hereunder, the **CONSULTANT** and its **CONSULTANTS**, employees, agents and representatives shall not be deemed or construed to be employees of **OWNER** in any manner whatsoever. Except as otherwise provided in this Agreement, the **CONSULTANT** shall be acting as an independent contractor. The **CONSULTANT** shall not hold itself out as, nor claim to be, an officer or employee of **OWNER** by reason hereof and shall not make any claim, demand or application to or for any right or privilege applicable to an officer or employee of **OWNER**. The **CONSULTANT**

shall be solely responsible for any claims for wages or compensation by **CONSULTANT'S** employees, agents and representatives, including **CONSULTANTS**, and shall save, defend, and hold **OWNER** harmless therefrom.

**6.3.3.** The parties hereto agree that causes of actions between the parties shall be governed by applicable provisions of the Kentucky Revised Statutes. Any action arising from or in relation to this Agreement shall be brought in Fayette County, Kentucky.

**6.4. Successors and Assigns.**

**6.4.1.** **CONSULTANT** binds itself and its partners, successors, executors, administrators, assigns and legal representatives to this Agreement in respect to all covenants, agreements and obligations of this Agreement. **CONSULTANT** shall not assign any interest, obligation or benefit in this Agreement. **CONSULTANT** shall not assign any interest, obligation or benefit in this Agreement nor transfer any interest in the same, whether by assignment or novation, without prior written consent of **OWNER**.

**6.4.2.** The **CONSULTANT** shall not subcontract more than fifty percent (50%) of the work, based upon dollar value, to be provided under this Agreement. The **CONSULTANT** shall obtain written approval prior to subletting or assigning any services contained in this Agreement, and consent to sublet or assign any part of this Agreement shall not be construed to relieve the **CONSULTANT** of any responsibility for compliance with the provisions of this Agreement.

**6.4.3.** Nothing herein shall be construed to give any rights or benefits hereunder to anyone other than **OWNER** and **CONSULTANT**.

**6.5. Disputes.**

Except as otherwise provided in this Agreement, any dispute concerning the amount of payment due the **CONSULTANT** or any dispute concerning any question of fact of any act to be performed under this Agreement, which is not disposed of by agreement between the Urban County Division of Central Purchasing and the **CONSULTANT**, shall be submitted to the Commissioner of the Department of General Services, Lexington-Fayette Urban County Government, for review. The decision of the Commissioner as to the determination of such dispute shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary or so grossly erroneous as necessarily to imply bad faith. Pending a final decision of a dispute hereunder, the **CONSULTANT** shall proceed diligently with the performance of the Agreement in accordance with the directions of the **OWNER**.

**6.6. Accuracy of CONSULTANT'S Work.**

The **CONSULTANT** shall be required to perform this Agreement in accordance with the degree of ordinary and reasonable skill and care usually exercised by professional architects

and engineers prevailing at the time, place and under similar conditions as the services hereunder are rendered.

The **CONSULTANT** shall be responsible for the accuracy of all work, even though Drawings and Specifications have been accepted by the **OWNER**, and shall make any necessary revisions or corrections resulting from errors and/or omissions on the part of the **CONSULTANT**, without additional compensation. By submission of reports, soils and subsurface information, quantities estimates, calculations and Drawings and Specifications to the **OWNER**, the **CONSULTANT** has made a statement that, to the best of its belief and knowledge, the information is accurate. Failure on the part of **CONSULTANT** to provide the expected level of accuracy may be grounds for the **OWNER** to disqualify **CONSULTANT** from consideration for future **CONSULTANT** service agreements.

#### **6.7. Security Clause.**

The **CONSULTANT** certifies that it shall not at any time release or divulge any information concerning the services covered by this Agreement to any person or any public or private organization except the **OWNER** without prior approval of the **OWNER**.

#### **6.8. Access to Records.**

The **CONSULTANT** and its sub-**CONSULTANTS** shall maintain all books, documents, papers, and accounting records, and make such materials available at their respective offices at all reasonable times during the contract period and for three (3) years from the date of final payment under the contract for inspection by the **OWNER**, and copies thereof shall be furnished if requested. Failure to maintain such records for three (3) years after the date of final payment may be grounds for the **OWNER** to disqualify the **CONSULTANT** from consideration for future **CONSULTANT** service agreements.

#### **6.9. Required Risk Management Provisions.**

The Risk Management Provisions of RFP No. 16-2024 are incorporated herein by reference as if fully stated. Copies of the required Certificates of Insurance shall be provided to **OWNER** as required therein.

### **SECTION 7 - EQUAL EMPLOYMENT OPPORTUNITY**

- 7.1.** The **CONSULTANT** will not discriminate against any employee or application for employment because of race, color, religion, national origin, sex, age or handicap. The **CONSULTANT** will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, national origin, sex, age or handicap. Such action shall include, but not be limited to the following: employment upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training,

including apprenticeships. The **CONSULTANT** agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this non-discrimination clause.

- 7.2 The **CONSULTANT** will, in all solicitations or advertisements for employees placed by or on behalf of the **CONSULTANT**, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, national origin, sex, age (between forty and seventy), or handicap.

Documents, data, reports and all matters associated with carrying out this Agreement shall be addressed to the **OWNER'S** Agent or their designee. Questions by the **CONSULTANT** regarding interpretations of the terms, provisions and requirements under this Agreement shall be addressed to the **OWNER'S** Agent or their designee. All applicable state laws, municipal ordinances and regulations of all authorities having jurisdiction over the project shall apply to the contract, and shall be deemed to be incorporated herein by reference.

## **Equal Employment Opportunity**

The Entity (regardless of whether construction contractor, non-construction contractor or supplier) agrees to provide equal opportunity in employment for all qualified persons, to prohibit discrimination in employment because of race, color, religion, sex (including pregnancy, sexual orientation or gender identity), national origin, disability, age, genetic information, political affiliation, or veteran status, and to promote equal employment through a positive, continuing program from itself and each of its sub-contracting agents. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

## **Kentucky Equal Employment Opportunity Act**

The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any "county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

"During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, or national origin;
- (2) The contractor will state in all solicitations or advertisements for employees placed by or on behalf of the contractors that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, or national origin;
- (3) The contractor will post notices in conspicuous places, available to employees and applicants for employment, setting forth the provision of the nondiscrimination clauses required by this section; and
- (4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers' representative of the contractor's commitments under the nondiscrimination clauses."

The Act further provides:

"KRS 45.610. Hiring minorities -- Information required

- (1) For the length of the contract, each contractor shall hire minorities from other sources within the drawing area, should the union with which he has collective bargaining agreements be unwilling to supply sufficient minorities to satisfy the agreed upon goals and timetables.
- (2) Each contractor shall, for the length of the contract, furnish such information as required by KRS 45.560 to KRS 45.640 and by such rules, regulations and orders issued pursuant thereto and will permit access to all books and records pertaining to

his employment practices and work sites by the contracting agency and the department for purposes of investigation to ascertain compliance with KRS 45.560 to 45.640 and such rules, regulations and orders issued pursuant thereto.

**KRS 45.620. Action against contractor -- Hiring of minority contractor or subcontractor**

(1) If any contractor is found by the department to have engaged in an unlawful practice under this chapter during the course of performing under a contract or subcontract covered under KRS 45.560 to 45.640, the department shall so certify to the contracting agency and such certification shall be binding upon the contracting agency unless it is reversed in the course of judicial review.

(2) If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.

(3) The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. For the provisions of KRS 45.560 to 45.640, a minority contractor or subcontractor shall mean a business that is owned and controlled by one or more persons disadvantaged by racial or ethnic circumstances.

**KRS 45.630 Termination of existing employee not required, when**

Any provision of KRS 45.560 to 45.640 notwithstanding, no contractor shall be required to terminate an existing employee upon proof that employee was employed prior to the date of the contract.

**KRS 45.640 Minimum skills**

Nothing in KRS 45.560 to 45.640 shall require a contractor to hire anyone who fails to demonstrate the minimum skills required to perform a particular job."

It is recommended that all of the provisions above quoted be included as special conditions in each contract. In the case of a contract exceeding \$250,000, the contractor is required to furnish evidence that his workforce in Kentucky is representative of the available work-force in the area from which he draws employees, or to supply an Affirmative Action plan which will achieve such representation during the life of the contract.

### **LFUCG Non-Appropriation Clause**

Contractor acknowledges that the LFUCG is a governmental entity, and the contract validity is based upon the availability of public funding under the authority of its statutory mandate.

In the event that public funds are unavailable and not appropriated for the performance of the LFUCG's obligations under this contract, then this contract shall automatically expire without penalty to the LFUCG thirty (30) days after written notice to Contractor of the unavailability and non-appropriation of public funds. It is expressly agreed that the LFUCG shall not activate this non-appropriation provision for its convenience or to circumvent the requirements of this contract, but only as an emergency fiscal measure during a substantial fiscal crisis, which affects generally its governmental operations.

## **1.0- INTRODUCTION**

The Lexington-Fayette Urban County Government (LFUCG) is seeking a proposal from consultants who are expertly qualified in the performance of professional design services relating to building improvements and renovation projects.

The purpose of these services is to assess the current conditions, review the existing drawings, and perform full architectural and engineering services to provide renovated interior spaces throughout the 1<sup>st</sup> floor level of the building. Currently, there is a federally funded (ARPA – American Rescue Plan Act) Project occurring at the facility to replace the entire roof system and provide new ADA-compliant restroom facilities at all (3) floor levels. This new project will utilize LFUCG general funds to continue the interior improvements outlined in Section 1.2. Architectural and engineering services shall include all incidental design services to carry out the design intent of the project as outlined.

The **Dunbar Community Center** is located at **545 N Upper Street – Lexington, KY 40508**

The Project shall consist of Two Stages:

- Stage 1: Design Stage
- Stage 2: Construction Administration Stage

## **1.1 - PROJECT NARRATIVE**

The Dunbar Community Center was built in 1922 and opened in 1923 as Dunbar High School. The school closed in 1972 and was converted to a community center and offices for LFUCG Parks & Recreation in 1978 to serve the community. The building is three-stories with a partial crawl space, totaling approximately 34,620sf. There is a main gymnasium and bleachers, with supporting restrooms, locker rooms and storage. The facility also includes a kitchen, classrooms, exercise rooms, computer lab and offices for Parks & Recreation personnel on the 2<sup>nd</sup> and 3<sup>rd</sup> floor levels. These upper 2<sup>nd</sup> and 3<sup>rd</sup> floor levels have locked access control from the public monitored by the staff.

Many of the building interior elements and materials have reached the end of their lifecycle. With daily use, many of the flooring surfaces, paint, lighting, furniture, ceilings, plumbing fixtures, gymnasium bleachers and finishes need to be refreshed or replaced. The project may require some phased construction and limited portions of the work to be separated as alternates for bidding. The Dunbar Community Center shall remain in operation throughout construction and is occupied nearly 7 days/week. Design meetings with both LFUCG Capital Project Management and stakeholders with LFUCG Parks & Recreation will be held to finalize the scope.

The consultant shall be responsible for reviewing all attachments, project criteria, and gathering the necessary information to make expert-based recommendations to the Owner. Recommendations shall include at a minimum; comparisons of probable costs, product lifecycles, and maintenance requirements. As necessary, any phased work shall be shown on any final design documents for scheduling intent.

This Request for Proposal includes all phases of design, and outlines each phase with minimum requirements and recommendations within two project stages. **6.7. Security Clause.**

The **CONSULTANT** certifies that it shall not at any time release or divulge any information concerning the services covered by this Agreement to any person or any public or private organization except the **OWNER** without prior approval of the **OWNER**.

**6.8. Access to Records.**

The **CONSULTANT** and its sub-**CONSULTANTS** shall maintain all books, documents, papers, and accounting records, and make such materials available at their respective offices at all reasonable times during the contract period and for three (3) years from the date of final payment under the contract for inspection by the **OWNER**, and copies thereof shall be furnished if requested. Failure to maintain such records for three (3) years after the date of final payment may be grounds for the **OWNER** to disqualify the **CONSULTANT** from consideration for future **CONSULTANT** service agreements.

**6.9. Required Risk Management Provisions.**

The Risk Management Provisions of RFP No. 16-2024 are incorporated herein by reference as if fully stated. Copies of the required Certificates of Insurance shall be provided to **OWNER** as required therein.

**SECTION 7 - EQUAL EMPLOYMENT OPPORTUNITY**

**RE: RFP #16-2024 DESIGN SERVICES FOR DUNBAR COMMUNITY  
CENTER MAINTENANCE AND IMPROVEMENTS PROJECTS**

Selection Committee Members,

We are excited to submit our proposal to consult with you on the renovation of the Dunbar Community Center. NOMI has the breadth of design experience in public projects as well as a unique approach to creative problem-solving that will make us a valuable part of your team as you evaluate and reimagine your existing property.

## 1. SPECIALIZED EXPERIENCE AND TECHNICAL COMPETENCE (20%)

The NOMI team has over two decades of experience working on public projects. Our company began in 1989 under the name Lucas/Schwering Architects. Since then we have worked with over 50 K-12 and library districts.

Most recently we have completed selective renovations at Campbellsville Independent Middle School and Campbellsville Independent Elementary School and a total renovation of the International Book Project's headquarters. In early 2019 Marion County Public Library (MCPL) will open after a total renovation and addition. MCPL includes many community-oriented functions such as meeting spaces, program rooms, and maker spaces.

## 2. PROJECT MANAGER FIRM'S CURRENT CAPACITY AND ABILITY (15%)

Your project manager will be Matthew Brooks AIA, Principal of NOMI. A graduate of the University of Kentucky School of Architecture, Matthew has over 25 years of experience in the design and construction industry. His work with Nomi over the last 7 years has focused primarily on educational library and historic renovation and large scale industrial.

Matthew has successfully completed projects that vary in scale from under one million dollars to 30 million dollars.

Though NOMI has had a busy year in 2023, we are currently seeking new work for 2024 and are excited at the possibility of working with LFUCG on a public project that serves our community. We are a medium-size firm with the proven ability to successfully complete projects over 30 million dollars but the bulk of our work is in the five to ten million dollar range. We are therefore confident we have the experience and resources to deliver this project.

3. PAST RECORD AND PERFORMANCE (5%)

Our track record demonstrates you can count on us to deliver a high-quality design on time with an accurate opinion of cost. And our extremely low percentage of errors and omissions means you are less likely to incur unexpected costs during construction.

Comparisons of our cost opinions before bidding with the bid amounts and final construction costs reveal we have knack not only for designing to your budget but also for producing clear and correct documents that allow contractors to bid accurately.

For more information regarding the schedule and budget of relevant projects, please refer to the sections titled "How We Do It" and "Track Record" in our attached firm profile.

4. FAMILIARITY WITH DETAILS OF THE PROJECT (25%)

NOMI Design is headquartered in Lexington, KY just off of Winchester Road about two miles from the project site. Three of our team live in the neighborhood of the community center and have personal knowledge and interest in the well-being of the neighborhood. NOMI + KFI successfully completed Phase 1 of the project and is well versed with the scope, team, and existing space

5. DEGREE OF LOCAL EMPLOYMENT (5%)

NOMI and the consultants included in this proposal have offices based in Lexington where 100% of the work for this project will take place.

Thank you for considering NOMI to consult with you on your upcoming project. We invite you to read more about who we are, what we do, and how we do it in the attached firm profile. We look forward to speaking with you soon in more detail.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew Brooks", with a stylized flourish extending from the end.

## VARIETY IS THE SPICE OF LIFE

We work successfully on multiple project types of varying scope and scale. This diversity is a cornerstone of our practice; it means we must remain nimble and continue to learn, research and develop. The experience we gain from one type of project often affects others in unexpected and exciting ways. Sharing of knowledge allows us to develop truly innovative solutions for our clients.

## DESIGN THINKING

Design projects can seem overwhelming. They are huge puzzles filled with moving pieces. Time, space, light, gravity, structure, electricity, function, comfort, cost, legality, psychology, communication, health and safety all come into play and are all equally important components of a successful project.

That's where we come in. Our training and nature as architects and designers enables us to simultaneously envision all of these elements coming together in different ways, creating multiple outcomes. This unique skill set is our most valuable asset. It is our job to not only predict all of these scenarios but to critique and evaluate them, guiding you toward the best possible solution for your needs.

## PEOPLE-FIRST APPROACH

It's not about us. It's about you.

Throughout the process our focus remains on you and the people who will ultimately be using the building or product we are designing. Our job is to be your advocate, guiding you through the design and construction process and delivering a completed project that will help your organization be successful in meeting its goals. For us the health, safety and experience of the user is paramount. It is not enough for our projects to be functional and comfortable, they must also inspire the people who use them.

## SMART DESIGN

Our unique approach to design is collaborative, creative and human-centric.

## COLLABORATION, CONTINUITY & COMMUNICATION

As a mid-size firm we wear many hats. Our office is an open, collaborative space that encourages the cross-pollination of ideas between project team members and project typologies. Every member of our firm will, at some point, provide input on your project and vet the design. **When you work with Nomi, you receive the sum of our collective experience, talent and creativity.**

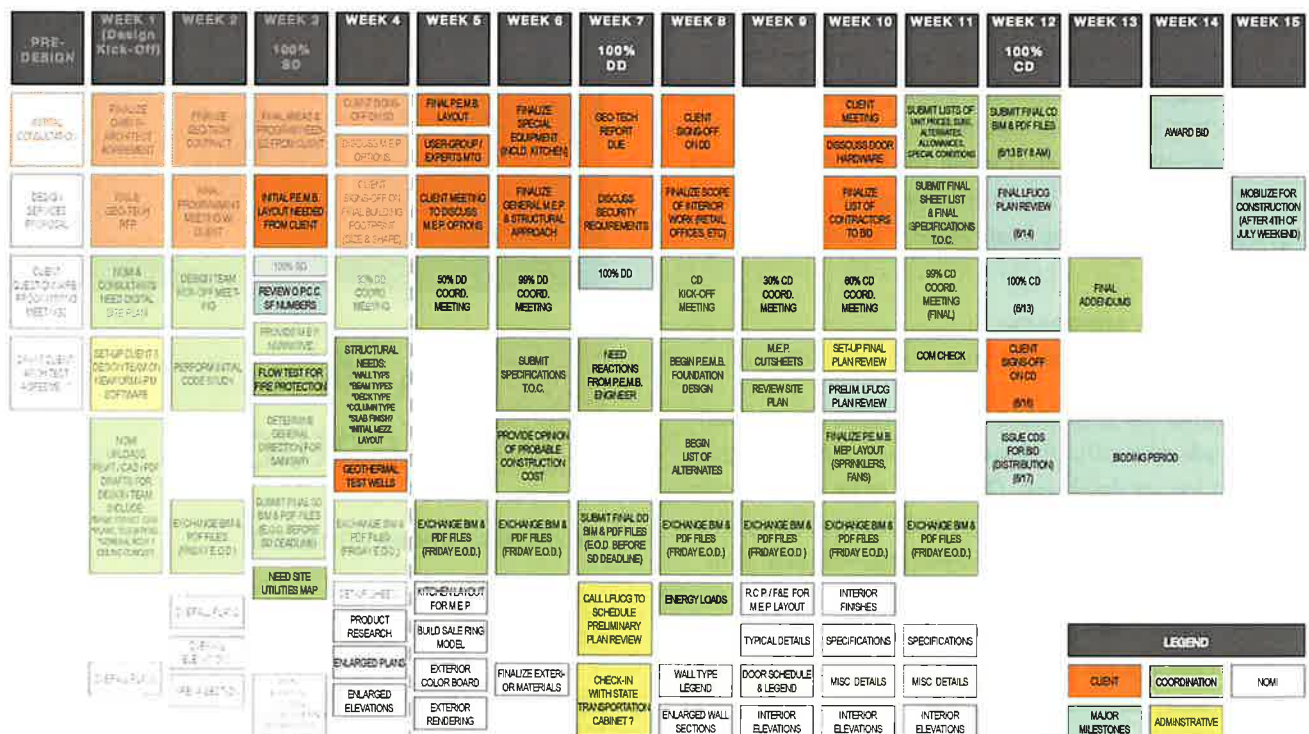

Though many Nomies will participate, **the manager assigned to your project at the beginning will be with you through the end of construction.** As part of our commitment to you, this continuity of ownership ensures your vision is realized in the completed project.

We specialize in creativity and out-of-the-box thinking but on any given day you will also find us *taking care of business*. **We believe in clear, straight forward communication and transparency.**

- JIM AKERS  
COO, BLUEGRASS STOCKYARDS

Early in the process we map out a work plan (aka time line) of all project milestones and action items. We share this living document with you through cloud-based services so you can track the entire design process from beginning to end.

## TYPICAL PROJECT WORK PLAN

# TRACK RECORD

## HIGH QUALITY DESIGN ON BUDGET & ON SCHEDULE

What does this all mean for you? According to our track record it means **you can count on us to deliver a high-quality design on time with an accurate opinion of cost.** And our extremely low percentage of errors and omissions means your are less likely to incur unexpected costs during construction.

## ABILITY TO COMPLETE

Comparisons of our cost opinions before bidding with the bid amounts and final construction costs reveal we have knack not only for designing to your budget but also for producing clear and correct documents that allow contractors to bid accurately.

### COST TO AREA RELATIONSHIP OF RECENT PROJECTS

## VARIETY

We operate successfully at many different scales and types of projects. The chart below demonstrates the wide range of project sizes and costs we have completed recently. Perhaps even more important is the diverse ratios of cost to area (or dollars per square foot). **Nomi has a proven record of collaborating with our clients and using creative problem solving to help them accomplish their goals within their budget.** We are committed to finding the best design solution for you.

# MINORITY PARTICIPATION

---

DEMONSTRATE A FULL GOOD FAITH EFFORT TO IDENTIFY AND INCORPORATE MINORITY BUSINESS ENTERPRISES (MBE) FIRMS AS PART OF THE DESIGN TEAM

NOMI is an inclusive, diverse company and we make a conscious effort to seek out minority business partners. We build relationships with minority-owned businesses in the design and construction industry as well as in our local communities. We keep our contacts up-to-date with public and private bid opportunities, participate in mentoring programs that encourage diversity in architecture and design, and donate time each year toward a number of local organizations that support minority populations.

NOMI is proud to have a racially and ethnically diverse team with 50% of our leadership positions held by women.

## BEFORE

Top: Existing lobby space and first impression

Bottom: New lobby area and public gathering space

**F**or the past ten years the majority of our work has been renovation and/or the adaptive re-use of historic properties. We have a passion for preserving architecture and the shared history of communities.

Most recently we completed the renovation of the International Book Project (IBP). In 2016 they developed a strategic plan that committed to increasing the number of books shipped to at least 500,000 per year. One of the major obstacles they faced was the condition of their facility.

Although it was in poor condition, inefficiently organized and uncomfortable for visitors, staff and volunteers, IBP's leadership wanted to salvage the building if possible.

Working closely with IBP, we evaluated their current structure and helped them decide whether to relocate or renovate. Of the three firms interviewed, Nomi was the only one to recommend preserving their historic warehouse property.

While salvaging the existing structure, bearing walls and roof, we introduced a new mechanical system and generated a flexible, open layout that allows staff and volunteers to operate efficiently now and into the future. IBP's headquarters is now a comfortable, safe work environment that supports the long-term logistical goals of their organization while showcasing the beauty of their historic structure.

# CAMPBELLVILLE INDEPENDENT ADDITION + RENOVATION

The new Campbellsville Middle School is an 80,000 square foot addition/renovation to the Middle/High School Complex. It is set to transform the educational landscape. With a vision to create a cutting-edge project-based learning hub for our middle school, this project encompasses the demolition of the 1930's section, selective revamping of the 1950's areas, and new construction. Our focus is on technological innovation and adaptability, crafting a space that not only meets the current needs of our diverse student body but also anticipates and embraces future educational requirements. Executed in multiple phases, this project provides additional space and program while branding the campus with an identity that reflects tremendous school pride.

In addition to increased usable area, NOMI Design strengthened the relationship between the existing school and the back part of the site by strategically setting up new views and space. This was achieved by re-positioning the new athletic fields and new buildings and cutting specific views into the spaces. Students and visitors now have better access to sporting events and comfortable circulation across the site. The architect limited the material palette and invented a language of form to brand the school identity.

# INTERNATIONAL BOOK PROJECT

In 2016 the International Book Project (IBP) developed a strategic plan that committed to increasing the number of books shipped to at least 500,000 per year. One of the major obstacles they faced was the condition of their facility.

Working closely with IBP, we evaluated their current building and helped them make the difficult decision whether to abandon or renovate their existing location. Of the three firms interviewed, Nomi was the only one to recommend preserving their historic warehouse property.

We hosted a weekend Charrette (aka visioning session) for IBP administrators, staff and board members during which we facilitated a discussion about their operations and environment then translated that information into a working program. Using that program we generated a flexible, open layout that would allow staff and volunteers to operate efficiently now and into the future.

IBP's need for flexible space is supported by the custom casework we designed and fabricated especially for this project. The sturdy mobile kitchen island and rolling work tables can handle the weight of piles of books and allow staff and volunteers to reconfigure their space into the ideal environment for each operational task.

# MOOSE LODGE (RESPEC, INC. OFFICES)

What began as a renovation to a dilapidated 1840's Federal Style Residential structure, quickly turned into a large-scale Preservation and Architectural undertaking. With an important history as a residence, having been constructed for the first editor of Lexington's newspaper, the building served many uses over the years. Most recently the building had been a Moose Lodge and WellCare facility. Having been abandoned over a decade ago, the current owners, Linda Carroll and John Morgan, sought to renovate as a headquarters for a noted natural resources firm, Respec, Inc.

The entry is a blend of old vs. new with exposed, once-exterior, brick walls. An open floor plan creates meeting, library and lounge space which gives way to a kitchen, bath and shower suite. On the second floor the original sleeping porch now houses an open office. A large window provides access to a roof top terrace with sweeping views of downtown Lexington. The rear stair tower provides views and engagements with the existing building as you pass from the original brick building into the modern concrete addition then back into the historic space.

Construction Costs Consultants

[RP]+A

*Cost Planning a construction project and controlling costs within a firm plan is a technique designed to assist Building Owners and Architects to obtain maximum value for the funds available. Most design contracts require the Architect to provide estimates of overall probable construction cost at various stage of design development, however, construction complexity makes it essential to contain such costs within a pre-established cost plan at the component, or element, level of detail rather than simply on the aggregate or "bottom line".*

**Robert Pass + Associates** is a firm of construction cost consultants with considerable experience in cost planning and control. As a member of the design team, we can assist in developing a feasible program budget and maintaining cost control throughout the design period. This is accomplished as a constructive part of the design team at such time as is most beneficial to the design effort rather than producing cost estimates retrospectively after much design effort has been expended, some of which may subsequently prove to be abortive.

### Construction Estimates.

- Establishing a realistic budget and initial cost plan for the required development or defining the extent of the project with the funds available.
- Advice to the Architect/Owner on the effects on costs of alternative structural systems, building configurations, materials and mechanical and electrical systems.
- Preparation of a detailed cost plan from the Architect's drawings for all phases of the work. This constitutes a reference against which all design developments are checked during the preparation of the working drawings.

**These professional services, which go far beyond the normal cost opinions required from Architects and other design consultants, maintain a tight control of construction costs during design development. They help to provide the Owner with maximum value for the available funds and frequently effect substantial reduction of construction costs and prevent delays due to bids exceeding the budget.**

## **AMERICAN RESCUE PLAN ACT**

### **AMENDMENT 1 — CERTIFICATION OF COMPLIANCE FOR EXPENDITURES USING FEDERAL FUNDS, INCLUDING THE AMERICAN RESCUE PLAN ACT**

The Lexington-Fayette Urban County Government ("LFUCG") may use Federal funding to pay for the goods and/or services that are the subject matter of this bid. That Federal funding may include funds received by LFUCG under the American Rescue Plan Act of 2021. Expenditures using Federal funds require evidence of the contractor's compliance with Federal law. Therefore, by the signature below of an authorized company representative, you certify that the information below is understood, agreed, and correct. Any misrepresentations may result in the termination of the contract and/or prosecution under applicable Federal and State laws concerning false statements and false claims.

**The bidder (hereafter "bidder," or "contractor") agrees and understands that in addition to all conditions stated within the attached bid documents, the following conditions will also apply to any Agreement entered between bidder and LFUCG, if LFUCG uses Federal funds, including but not limited to funding received by LFUCG under the American Rescue Plan Act ("ARPA"), toward payment of goods and/or services referenced in this bid. The bidder also agrees and understands that if there is a conflict between the terms included elsewhere in this Request for Proposal and the terms of this Amendment 1, then the terms of Amendment 1 shall control. The bidder further certifies that it can and will comply with these conditions, if this bid is accepted and an Agreement is executed:**

1. Any Agreement executed as a result of acceptance of this bid may be governed in accordance with 2 CFR Part 200 and all other applicable Federal law and regulations and guidance issued by the U.S. Department of the Treasury.

2. Pursuant to 24 CFR § 85.43, any Agreement executed as a result of acceptance of this bid can be terminated if the contractor fails to comply with any term of the award. This Agreement may be terminated for convenience in accordance with 24 CFR § 85.44 upon written notice by LFUCG. Either party may terminate this Agreement with thirty (30) days written notice to the other party, in which case the Agreement shall terminate on the thirtieth day. In the event of termination, the contractor shall be entitled to that portion of total compensation due under this Agreement as the services rendered bears to the services required. However, if LFUCG suspects a breach of the terms of the Agreement and/or that the contractor is violating the terms of any applicable law governing the use of Federal funds, LFUCG may suspend the contractor's ability to receive payment by giving thirty (30) days' advance written notice. Further, either party may terminate this Agreement for cause shown with thirty (30) days written notice, which shall explain the party's cause for the termination. If the parties do not reach a settlement before the end of the 30 days, then the Agreement shall terminate on the thirtieth day. In the event of a breach, LFUCG reserves the right to pursue any and all applicable legal, equitable, and/or administrative remedies against the contractor.

3. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

- (1) Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and

applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- (4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part, and the contractor may be declared ineligible for further government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

Provided, however, that in the event a contractor becomes involved in or is threatened with litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

4. If fulfillment of the contract requires the contractor to employ mechanic's or laborers, the contractor further agrees that it can and will comply with the following:

- (1) *Overtime requirements: No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such a workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such a workweek.*

- (2) *Violation: liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (1) of this section, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory) for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.
- (3) *Withholding for unpaid wages and liquidated damages.* LFUCG shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.
- (4) *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower-tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower-tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.

This assurance is required by subsection 21.7(a) (1) of the Regulations.

### The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

*The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.*

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

*The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.*

\*\*\*\*\*

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

\_\_\_\_\_ Sponsored Economic Inclusion event to provide networking opportunities for prime contractors and MWDBE firms and Veteran-Owned businesses

\_\_\_\_\_ Requested a list of MWDBE and/or Veteran subcontractors or suppliers from LFUCG and showed evidence of contacting the companies on the list(s).

\_\_\_\_\_ Contacted organizations that work with MWDBE companies for assistance in finding certified MWDBE firms and Veteran-Owned businesses to work on this project. Those contacted and their responses should be a part of the bidder's good faith efforts documentation.

\_\_\_\_\_ Sent written notices, by certified mail, email or facsimile, to qualified, certified MWDBEs soliciting their participation in the contract not less than seven (7) days prior to the deadline for submission of bids to allow them to participate effectively.

\_\_\_\_ Bidder has to submit sound reasons why the quotations were considered unacceptable. The fact that the bidder has the ability and/or desire to perform the contract work with its own forces will not be considered a sound reason for rejecting a MWDBE and/or Veteran-Owned business's quote. Nothing in this provision shall be construed to require the bidder to accept unreasonable quotes in order to satisfy MWDBE and Veteran goals.

\_\_\_\_ Made an effort to offer assistance to or refer interested MWDBE firms and Veteran-Owned businesses to obtain the necessary equipment, supplies, materials, insurance and/or bonding to satisfy the work requirements of the bid proposal
