NOW, THEREFORE, in consideration of the covenants set out herein, the parties agree as follows:

SECTION 1

PARTICULAR COVENANTS

1.01 The Government hereby agrees to loan to Owner the maximum sum of **Four Hundred Seventy Five Thousand Seven Hundred Five and 00/000 Dollars (\$475,705.00)**. This loan shall be in the form of a Deferred Payment Loan for the term of twenty (20) years from the date of this Loan Agreement. The Deferred Payment Loan shall be at zero percent (0%) interest for the twenty (20) year period and shall be repayable in full at the end of the twenty (20) year period. Funds shall be used for the construction of 96 residential units of multi-family housing located at 2750 Meadowsweet Lane, Lexington, Fayette County, Kentucky 40511 ("**Project**"). The number of HOME funded units is four (4).

1.02 Owner acknowledges and agrees to remain fully and solely liable for the repayment of the loan to the Government, pursuant to the terms and conditions of this Agreement and the Mortgage Note execution in connection herewith. The affordability period is twenty (20) years and begins on the day that the HUD's Integrated Disbursement and Information System (IDIS) accepts and records the Completion report. Repayment of funds does not affect the period of affordability.

1.03 During the term of this loan, the Owner shall make no payments of principal provided Owner complies with all of the terms and conditions of this HOME Agreement, Declaration of Restrictive Covenants, Mortgage Note and Subordinate Mortgage dated October 31, 2019.

1.04 All sums borrowed hereunder shall be used solely and exclusively for the Project that is further described as the construction of residential rental property located at 2750 Meadowsweet Lane, Lexington, Fayette County, Kentucky 40511, for rent to low-income persons and/or households or for other eligible costs as set forth in 24 CFR 92.206. Owner acknowledges that *four (4) units in the Project shall be administered as HOME-assisted units*, and that the per-unit subsidy shall not exceed the maximum per-unit subsidy amount established under Section 234 Condominium Housing Limits for elevator-type projects that apply to the area in which the units are located. The four (4) HOME-assisted units shall be floating. At a minimum, the following types of units will be HOME assisted:

Unit Type	# of Units	High HOME	Low HOME
0 BR	0	0	0
1 BR	72	3	0
2 BR	24	1	0
3 BR	0	0	0
4 BR	0	0	0
	96	4	0

1.05 No loan shall be made hereunder unless and until Owner supplies to Government the following documentation:

- Copy of Development Agreement and Development Team
- Final Sources and Uses of Funds
- Commitment letters with all terms and conditions for all mortgages, grants, subordination agreements, bridge loans and investment tax credits
- Copy of the Partnership Agreement
- Closing Statement for Purchase of Property
- Construction Cost Estimate
- Construction Contract
- Documentation on syndication costs
- Twenty-Year Operating Proforma for the Project
- Documentation that no excess federal funds are in the project

1.06 Upon request, Owner shall provide supporting documentation for all other costs as specified in the Sources and Uses of Funds statement. Government consents to the following loans to the Owner in connection with the Project: Berkadia Commercial Mortgage LLC, RiverHills Bank,

and Lexington-Fayette Urban County Government Affordable Housing Fund. This HOME loan shall be in all respects subordinate to the RiverHills Bank and Lexington Fayette Urban County Government Affordable Housing Fund loans.

1.07 No loan shall be made hereunder unless and until Owner has delivered to Government a note in the amount of \$475,705 and a mortgage securing said note, all within one year of the date of this HOME Agreement for the purpose of securing the loan made hereunder, which mortgage shall be upon the real property located at 2750 Meadowsweet Lane, Lexington, in Fayette County, Kentucky, together with all buildings and other structures now or hereafter erected or installed and all fixtures now or hereafter attached to or used in, or in the operation of any such lands, buildings and structures which are necessary to complete use and occupancy of such buildings or structures for the purposes for which they were or are to be erected or installed. To the extent permitted by law, all personal property described in the subordinate Mortgage shall be deemed to be fixtures and part of the property. As to any part of personal property not permitted by law to be fixtures, the mortgage shall constitute a security agreement under the Uniform Commercial Code.

1.08 For a period of twenty (20) years from the date on which development of the Project is completed, established as the date the HUD's Integrated Disbursement and Information System (IDIS) accepts and records the Completion report, one hundred percent (100%) of the HOME-assisted (four units) shall be rented to low-income and very low-income households. None of the HOME-assisted units are required to be rented to very low-income households. Low-income households are those households with adjusted gross incomes at or below sixty percent (60%) of the median income for the community. Very low-income households are those households with adjusted gross incomes at or below fifty percent (50%) of the median income for the community. During this same twenty (20) year period, for projects of five or more HOME-assisted units, twenty percent (20%) of the HOME-assisted units shall be rented to very low-income households except as otherwise set out herein in Section 1.11. Owner shall use the Section 8 Program definition of annual gross income (24 CFR 5.609).

1.09 For a period of twenty (20) years from the date on which development of the Project is completed, established as the date the HUD's Integrated Disbursement and Information System (IDIS) accepts and records the Completion report, Owner shall charge the low HOME and high HOME rents in HOME-assisted units as established from time to time by HUD pursuant to any regulations promulgated by HUD or the Government. The rents so charged must include utility costs. The maximum allowable HOME rent must be reduced by a utility allowance approved by Government if tenant is required to pay separately for utilities. The Utility Allowance must be approved by the Lexington-Fayette Urban County Government prior to Lease-Up. Utility allowances approved by Government may vary as periodic adjustments are made. Should HUD revise these or other rent guidelines set out herein so as to permit Owner to adjust the rent charged, Owner must obtain the approval of the Government prior to adjusting rents and provide tenants with no less than thirty (30) days written notice before adjustments are implemented.

1.10 The family size and the adjusted gross income for all tenants in HOME-assisted units must be determined at the time of initial occupancy and annually for a period of twenty (20) years from the date on which development of the Project is completed. Project is deemed to be completed on the date the HUD's Integrated Disbursement and Information System (IDIS) accepts and records the Completion report. Owner shall obtain and verify income and family size information from each

tenant upon initial rent up and annually during the twenty (20) year affordability period. Owner shall provide information on family size, adjusted gross income and rent charged for all tenants in HOME-assisted units to the Government's Division of Grants and Special Programs within sixty (60) days after the initial rent up and the annual review date. Owner shall obtain any necessary releases from tenant to allow Government to independently verify the information provided.

1.11 For a period of twenty (20) years from the date on which development of the Project is completed, established as the date the HUD's Integrated Disbursement and Information System (IDIS) accepts and records the Completion report, Owner shall comply with the affirmative marketing requirements established by the Government pursuant to 24 CFR 92.351(a). The owner must adopt and follow written tenant selection policies and criteria that: (1) limit the housing to very low- income and low-income families; and (2) are reasonably related to the applicants' ability to perform the obligations of the lease (i.e., to pay the rent, not to damage the housing; not to interfere with the rights and quiet enjoyment of other tenants). Additionally, the Owner may give preference to Veterans in all units. The Owner shall provide all information to the Government necessary to the monitoring of the Owner's marketing strategy to ensure compliance with this section.

1.12 a. The Owner shall, on an annual basis, during a period of twenty (20) years from the date on which development is completed, review the income, family size and exclusions of all tenants in HOME-assisted units and determine if any are over-income. Development is deemed to be completed on the date the HUD's Integrated Disbursement and Information System (IDIS) accepts and records the Completion report. An over-income tenant is a household with an adjusted gross income exceeding eighty percent (80%) of the median income for the community. Owner shall not evict over-income tenants based on income. Owner shall increase the rent of the HOME-assisted unit to thirty percent (30%) of the household's adjusted gross income. HOME-assisted units vacated by an over-income tenant must be rented to an income-eligible tenant during the twenty (20) year period, except tenants of HOME-assisted units that have been allocated low-income housing tax credits by a housing credit agency pursuant to Section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42) must pay rent governed by Section 42. HOME-assisted units vacated by an over-income tenant must be rented to an income-eligible tenant for the duration of these covenants.

b. Should the adjusted gross income of a very low-income tenant renting a unit at the low HOME rate increase to greater than fifty percent (50%) of the median for the community but less than eighty percent (80%) of the median for the community during the term of the tenancy and during the twenty (20) year period from the date on which development of the Project is completed, the Owner shall set the rent for such tenant at the high HOME rate for the duration of the tenancy. The Project is deemed to be completed on the date the initial tenant surveys are verified. Owner shall not evict such a tenant on the basis of the increase of the adjusted gross income. The next vacancy shall be rented to a very low-income tenant whose income is at or below fifty percent (50%) of the area median income at a rent no higher than the established low HOME rent.

1.13 During the twenty (20) year period of affordability, the Owner shall permit the Government, its employees, and its consultants access to all of its financial records so that Government can make a determination of the continued financial viability of the Project.

1.14 No loan shall be made hereunder unless and until all necessary parties execute deed restrictions or other covenants to limit the use of the property in conformance with the terms of the eligibility and affordability provisions of the HOME Investment Partnerships Program of the H.U.D. Such instrument shall be fully and properly executed by the Owner, shall be in recordable form, and shall become a covenant which runs with the land. Such restrictions or covenants shall be made a part of any instrument, executed subsequent to this Loan Agreement and the Mortgage Note and Mortgage referenced herein, conveying any interest in said property.

1.15 The Owner shall construct all units in the Project in accordance with the Kentucky Building Code, as amended, and all applicable State and local codes, ordinances, and zoning requirements. The housing must meet the accessibility requirements of 24 CFR part 8, which implements Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), and Titles II and III of the Americans with Disabilities Act (42 U.S.C. 12131-12189) implemented at 28 CFR parts 35 and 36, as applicable. Covered multifamily dwellings, as defined at 24 CFR 100.201, must also meet the design and construction requirements at 24 CFR 100.205, which implements the Fair Housing Act (42 U.S.C. 3601-3619). Construction contract(s) and construction documents must describe the work to be undertaken in adequate detail so that inspections can be conducted. The Owner shall be responsible for construction inspections and shall provide copies of all inspections to the Government. The Government shall also inspect for work in progress and shall make a final inspection.

1.16 The Owner shall maintain all units within a building containing a unit receiving a HOME subsidy in good condition and repair in accordance with Chapter 12.1 of the Code of Ordinances of the Lexington-Fayette Urban County Government, as amended, for the full twenty years term of this loan. Owner shall not remove or demolish any portion of any unit. Owner shall complete or restore promptly and in good workmanlike manner any unit which may be constructed, damaged or destroyed to the extent insurance proceeds are actually received and to pay when due all claims for labor performed and materials furnished. Owner shall not create, permit or suffer to be created or to exist any claims or liens for the labor or materials supplied for the development of the units set out herein. Owner will comply with all laws affecting said project and will not commit or permit any waste thereon or commit or permit any act thereon in violation of law.

Government may conduct inspections of units annually for purposes of determining Owner's compliance with maintenance requirements during the twenty (20) year period of affordability. Upon written notification of violations of maintenance requirements, Owner shall make corrections within 60 days.

1.17 Except for such interests in the real property as may be conveyed, assigned or otherwise transferred by Owner in connection with the Additional Indebtedness, the Owner shall not transfer any interest in the real property described herein in any manner or through any document or instrument of any kind during the term of the loan or without the consent of the Government which shall not be unreasonably withheld. Notwithstanding anything to the contrary herein, any transfers of partnership interests in the Owner are expressly permitted and shall not constitute a default hereunder.

1.18 The loan set out herein may be assumed by an individual or entity capable and able to enter into enforceable contracts, agreements or other loan documents as may be required to ensure

compliance with the requirements and intent of the HOME Program upon the prior written consent of the Government's Division of Grants and Special Programs, which consent shall not be unreasonably withheld or delayed.

1.19 Any lease entered into between Owner and a tenant shall require the tenant to provide information as to family size and income as set out herein. Non-renewable leases shall not be utilized. The lease shall be in conformance with the Uniform Residential Landlord and Tenant Act to the extent the Uniform Residential Landlord and Tenant Act is applicable to Owner and the requirements of 24 CFR 92.253. Leases for the HOME-assisted units shall be submitted to the Government for approval prior to execution. The requirements set forth in this paragraph shall be in effect for a period of twenty (20) years from the date on which development of the project is completed.

1.20 The real property and improvements described herein shall be residential rental units and related administrative offices and common areas for the full twenty (20) year term of the loan. Owner shall not convert the units to condominium ownership or any form of cooperative ownership during the twenty (20) year term of the loan, without the prior written consent of the Government.

1.21 The Owner shall provide, maintain and deliver to the Government evidence of fire and extended coverage insurance satisfactory to and with loss payable to the Government in the order and amount of the Mortgage Note hereby secured; assign to the Government any award of damages, or portion thereof, in connection with any condemnation for public use or injury to this property in the same manner and with the same effect as provided for payment of proceeds of fire and other insurance, said award or damaged not to exceed the amount secured by the Mortgage Note and to the extent not assigned to the holder of any prior or superior mortgage on this property.

1.22 The Owner shall pay all taxes, legal assessments, water rates, utilities, special assessments or other charges when the same shall become due and without delinquency and shall not permit any liens to be imposed on this property by any reason of delinquency.

1.23 The Owner shall not seek relief under the bankruptcy laws or declare insolvency, make assignments for the benefit of its creditors or be placed in receivership.

1.24 The Owner shall act in conformity with the requirements of the Fair Housing Act (42 U.S.C. 3601-20) and implementing regulations at 24 CFR Part 100 et seq.; Equal Opportunity in Housing (Executive Order 11063, as amended by Executive Order 12259 [3 CFR, 1959-1963 Comp., p 652 and 3 CFR, 1980 Comp., p 307] and implementing regulations at 24 CFR part 107); and Title VI of the Civil Rights Act of 1964 as amended (42 U.S.C. 2000d et seq.) regarding Nondiscrimination in Federally Assisted Programs and implementing regulations issued at 24 CFR part 1. The word "losses" includes, but is not limited to: attorney fees and expenses; costs of litigation; court or administrative costs; judgments; fines; penalties; interest; all environmental cleanups and remediation costs of whatever kind; and any liability arising from death, injury, or damage of any kind, to any person, including employees and agents of Owner and Government, and damage to, or destruction of, any property, including the property of Government.

2.07 Access to Records

The Secretary and the Inspector General of HUD, the Comptroller General of the United States of America, or the Mayor of the Government, or any of their duly authorized representatives, shall have access to all books, accounts, reports, files, and other papers or property of the Owner and the Owner pertaining to this Loan and related development for the purpose of making surveys, audits, examinations, excerpts, and transcripts.

SECTION 3

DEFAULT

3.01 If within one year from the date of completion of the development of the Project, Owner breaches any of the provisions of Sections 1 and 2 of this Agreement, such shall be considered a default and the full amount of the disbursed amount of the Deferred Payment Loan, plus fifteen percent (15%) of that full amount, shall be immediately due and payable; provided, before the Government may accelerate any amount due under the Deferred Payment Loan or take advantage of any other remedies, Owner shall have a thirty (30) day grace period from receipt of written notice of the fault to cure such default.

3.02 If during the second through the end of the twentieth year of the Deferred Payment Loan, the Owner breaches any of the provisions of Sections 1 and 2 of this Agreement, such shall be considered a default and the full disbursed amount of the Deferred Payment Loan shall be immediately due and payable; provided, before the Government may accelerate any amount due under the Deferred Payment Loan or take advantage of any other remedies, Owner shall have a thirty (30) day grace period from receipt of written notice of the fault to cure such default.

3.03 Any forbearance by the Government with respect to any of the terms and conditions of this Loan in no way constitutes a waiver of any of the Government's rights or privileges granted hereunder.

3.04 In the event of default by the Owner, the Government may take such measures as may be lawful to it for the recovery of indebtedness and including, but not limited to, foreclosure and sale of the Owner's rights in the Project and/or the assignment and collection of the rents and profits of the Project.

3.05 Owner acknowledge that any default on a superior lien or any initiation of a foreclosure based on any lien shall be a default under this Loan Agreement and that the amount immediately due and payable as a result of such a default shall be governed by Section 3.01 and Section 3.02 of this Agreement.

3.06 If an event of default occurs under the terms of any documents executed in connection with this HOME Agreement or any other document executed in connection herewith (collectively, the "Loan Documents"), prior to exercising any right or remedy thereunder, Government shall give Owner written notice of such default. If the default is reasonably capable of being cured within thirty (30) days, Owner shall have 30-days (or such longer period of time as may be specified in the Loan Documents) to effect a cure prior to the exercise by Government of any rights or remedies under the Loan Documents. If the default is such that it is not reasonably capable of being cured within thirty (30) days or such longer period if so specified, and if Owner (a) initiates corrective action within said period, and (b) diligently, continually, and in good faith works to effect a cure as soon as possible, then Borrower shall have such additional time as is reasonably necessary to cure the default prior to the exercise of any rights or remedies by Lender. The Limited Partner identified herein or as identified to Government by written notice, shall have the right, but not the obligation, to cure any default of the Borrower under any of the Loan Documents.
