Subject: Water Quality Electrical Shop - Re-locate and redesign

Mr. Martin,

Thank for the time you afforded us last Friday. We apologize for any delays possibly experienced awaiting Paradigm's new price proposal.

After review of the new site we feel the project is definitely heading in the right direction. We were able to identify some areas where we could pick up some efficiency that has impacted your pricing in a positive manner. We submit the following for review:

Estimated fee for redesign of the Electric Shop at alternate location:

Architecture: \$6,500
Structural: \$6,990
Civil: \$3,000
MEP: \$11,300

Total: \$27,820

Please review and advise if acceptable.

V/R
